Detail

Pursuant to the Freedom of Information Act, I request access to and copies of any bibliographies documenting public sources consulted in support of the designation or boundary proposals given to the Secretary of the Interior in advance of the following National Monument designations: • Papahanaumokuakea Marine National Monument • Pacific Remote Islands Marine National Monument • Marianas Trench Marine National Monument • Rose Atoll Marine National Monument • Northeast Canyons and Seamounts Marine National Monument

Category	Comments
Public Interest	All background documentation to Marine National Monument designations has come under significant scrutiny. We currently have several other requests, including a litigation risk with Cause of Action, seeking information about the NE Seamounts National Monument
