Shall the Town of Windham, Vermont elect to geographically divide the town solely for purposes of EMS responding services, say from the Meeting House or Town Garage (exact line to be determined by EMS dispatching services) and contract with separate organizations that for primary response south receives services via Rescue Inc. and north receives services via Londonderry Rescue?
3. Shall the Town of Windham, Vermont elect to demand change that Rescue Inc. and Londonderry Rescue collaborate and provide mutual aid to the town of Windham when the primary contracted service (which ever service that is) is either unavailable or anticipate a delay in a prompt response?
