DOC-NOAA-2018-000182	10/25/2017	Pamela Silkwood	Salinas Valley Water Coalition

Status	Detail
Received	To Whom It May Concern: I am seeking a copy of an October 2017 report to the White House from Commerce assessing the offshore oil and drilling potential in areas containing 11 protected marine monuments and sanctuaries. The report is required by the April 28, 2017 Executive Order 13795 – "Implementing an America-First Offshore Energy Strategy." The Commerce report includes a review of all designations and expansions of National Marine Sanctuaries and Marine National Monuments since April 28, 2007. Please send me this report and any other department correspondence related to it electronically in a PDF format. Thank you. Kellie Lunney
Closed	Pursuant to the Freedom of Information Act, I request access to and copies of all documents created for the purpose of informing the Department of Justice regarding the views of the Office of the General Counsel for the National Oceanic and Atmospheric Administration with respect to the President's authority to revoke or modify National Monuments.
Received	All records concerning the effect of Executive Order 13771, entitled "Reducing Regulation and Controlling Regulatory Costs" and associated guidance from the Office of Management and Budget (OMB Guidance) on the rulemaking entitled Designation of Critical Habitat for Threatened Indo-Pacific Reef-building Corals, including the timing and content of any such designation. All records concerning the effect of Executive Order 13771 and the OMB Guidance on the rulemaking entitled Designation of Critical Habitat for the Arctic Ringed Seal, including the timing and content of any such designation.
Received	We request a copy of whatever document reveals the amount of carry-over funding for the National Weather Service for Fiscal Year 2017,. itemized by PPA, as soon as it becomes available. In order to assist you in identifying the document we are requesting, I am enclosing a copy of that document covering Fiscal Year 2016 which the agency provided us last year in response to a similar FOIA request.
Received	Any and all records concerning the effect of Executive Order 13771, entitled "Reducing Regulation and Controlling Regulatory Costs" and associated guidance from the Office of Management and Budget (Guidance) on the critical habitat designation for main Hawaiian Islands insular false killer whales, including the timing and content of any such designation.
Received	On behalf of the Salinas Valley Water Coalition, this letter is a Freedom of Information Act ("FOIA") request made pursuant to 5 U.S.C. §552, et. seq. National Marine Fisheries Services ("NMFS") is requested to produce for inspection and copying any and all documents and records, including meeting notes, memoranda, electronic mails, presentations, minutes, agendas, and any other writing related to or associated with the meetings and telephone conferences with the Monterey County Water Resources Agency that occurred on or around the following dates: January- February 2014; April 1, 2014; April 7, 2014; May 22, 2014 May 27-May 30, 2015; July 6, 2015; and July 23, 2015.
