DOC-NOAA-2018-000202	11/1/2017	Marshall R. Morales	Beveridge & Diamond

Status	Detail
Received	1. The most recent index for the administrative record of the Portland Harbor natural resource damage assessment. 2. All external correspondence (including letters, emails, and memoranda) created or received between January 1, 2007, and June 1, 2009, to or from the Yakama Nation, or its designated representatives and consultants (including Ridolfi Environmental), where the correspondence refers to Portland Harbor, the Lower Columbia River, the Multnomah Channel, or the Willamette River. For the Lower Columbia River, this request is limited to external correspondence that refers or pertains to environmental contamination, pollution, injuries to fish and / or fisheries, natural resource damages, or CERCLA. 3. All agreements (including contracts, settlements, memoranda of understanding, memoranda of agreement, administrative orders on consent, or consent decrees) dated on or after December 1, 2000, involving the Yakama Nation, where the agreement involves or relates to Portland Harbor, the Lower Columbia River, the Multnomah Channel, or the Willamette River. This includes agreements where the Yakama Nation is a named party, but not agreements between other parties that incidentally refer to or mention the Yakama Nation. This request should include any drafts of such agreements, as well as signed final agreements. This request is subject to the following definitions and limitations: *The "Lower Columbia River" as used herein means the Columbia River from river mile 0 to river mile 146—i.e., below the Bonneville Dam. *The "Willamette River" as used herein refers to the Willamette River from river mile 0 to river mile 28—i.e., below Willamette Falls. *This request excludes documents that relate to any of the following, unless the documents also refer to Portland Harbor: the Mosier oil spill, the Hanford Superfund site, the Astoria Marine cleanup, or the Bradford Island cleanup.
