Weekly FOIA Incoming and High Visibility Requests 2.21.18 to 2.27.18.xls

Good Afternoon,
Attached is the weekly report.

One request was received from NBC News seeking all employee or contractor expenses that include payment to Trump International Hotel D.C. since September 1, 2016. (DOC-NOAA-2018-000821). This request has been granted Expedited Processing as it met the criteria for 15 CFR 4.6(f)(iv).

In litigation, NOAA completed its production in the *AWI v. NOAA* lawsuit. (b)(5) [redacted] The original request sought all records regarding the Orca Tilikum, (which was known for its portrayal in the movie *Blackfish*). A copy of the original request and Complaint are attached for your reference.

Also, NOAA reviewed the draft Answer to the Complaint in the *NRDC v. DOC* lawsuit, which is due to be filed today. The underlying request sought information regarding the determination that the State of New Jersey was in compliance regarding the management of its recreational Summer Flounder fishery under the Atlantic Coastal Fisheries Cooperative Management Act (ACFCMA). A copy of the original request and Complaint are attached.
