

The 75th Annual University of Georgia January High School Band Festival

Dear Colleagues:

We are thrilled to invite you and your most accomplished students to participate in the 75th annual University of Georgia January High School Band Festival. We have a distinguished lineup of guest conductors this year, along with our exceptional studio faculty. We hope you will plan to be a part of this event!

Once you have identified your *most outstanding nominees* (up to 10% of your band population) and collected the information on the registration worksheets (found later in this announcement) you may nominate students at the registration link sent via email on October 21st. We strongly encourage you to use the UGA Marketplace secure credit card payment site to avoid long lines during registration. A link to the marketplace site will be available when student acceptances are announced.

Wind and percussion students will perform the G.M.E.A. first round etude for the festival audition. Students will submit a video of their audition online. Instructions for video submission can be found on our website.
