

10th NETWORK MEETING - AGENDA

2 February 2023 • 8:30 to 17:30 with a reception to follow

*Vancouver, B.C., Canada • Hotel Pinnacle Harbourfront
Ports of New York & San Francisco Rooms, 3rd floor*

Purpose: *Convene in parallel with the 5th International Marine Protected Area Congress to strengthen relationships between and amongst member and guest sites, increase knowledge sharing, and celebrate Big Ocean’s 10th Anniversary (6 December 2020), which was delayed due to the Pandemic.*

Objectives:

- *Reflect upon the achievements of Big Ocean and significant changes in the broader field of marine management at scale across the last decade.*
- *Review increased organizational capacity, current partnerships, and essential activities.*
- *Assess how Big Ocean can more effectively leverage its expertise in support of member sites and the broader community of practice.*
- *Facilitate conversations about the political realities of marine conservation, management, and governance at scale.*
- *Network with guest sites—new and emerging MPAs of varying scales—to enhance the sharing of lessons and knowledge, and to increase professional standards of practice.*
