Online Tobacco Treatment Specialist (TTS) Training

www.breathe.uky.edu/tobacco-treatment/tobacco-treatment-specialist-training

The BREATHE Tobacco Treatment Specialist (TTS) training is designed to:

- Equip you with evidence-based skills to treat tobacco dependence across a range of settings.
- Provide 27 hours of self-paced training in a convenient online platform designed to be completed over 8 weeks.

Upon completion participants in our accredited program earn a training certificate, the first requirement to obtain certification as a TTS.

Tobacco use is the leading cause of preventable death and disease. You can help save lives by helping people quit.

Learn more about educational requirements and sign up today by visiting our website.

This Program is accredited by the Council for Tobacco Treatment Training Programs (CTTTP)
