### f

An applicant for [the Fulbright U.S. Scholar Program](#) has requested that you complete the Foreign Language Evaluation (FLE) to evaluate their language ability in a language other than English.

We ask that you comment on the applicant's present language competence in the specified language (not English) relative to their proposed project.

### Q I

### Q

The Fulbright U.S. Scholar Program application, including recommendation/evaluations, will close on September 16, 2024 at 5:00 PM EST. All foreign language evaluations must be submitted electronically by this deadline.

*Recommendations and Foreign Language Evaluations are confidential.* Applicants do not have access to the content of them. Applicants cannot upload recommendation letters on behalf of their recommenders, nor can they complete their own foreign language evaluations.

Applicants are responsible for registering (listing) their foreign language evaluators (if needed) in the online application system so the evaluation can be included with their application. We encourage applicants to do this well ahead of the application deadline to give you plenty of time to provide your evaluation.

### Invitation

It is only when the applicant registers (lists) you in their application that an email invitation is sent to you requesting your evaluation:
