## HOUSE CONCURRENT RESOLUTION NO. 51

A CONCURRENT RESOLUTION APPLYING TO THE CONGRESS FOR A CONVENTION TO PROPOSE AN AMENDMENT TO THE CONSTITUTION OF THE UNITED STATES.

WHEREAS, an ever-increasing public debt is inimical to the general welfare of the people of the United States; and

WHEREAS, the national debt is already dangerously high and any further increases will be harmful and costly to the people of the United States; and

WHEREAS, a continuous program of deficit financing by the Federal Government is one of the greatest factors supporting the inflationary conditions presently existing in this country and therefore has been the chief factor in reducing the value of the American currency; and

WHEREAS, payment of the increased interest required by the ever-increasing debt would impose an undue hardship on those with fixed incomes and those in lower income brackets; and

WHEREAS, it is not in the best interest of either this or future generations to continue such a practice of deficit spending particularly since this would possibly deplete our supply of national resources for future generations; and

WHEREAS, by constantly increasing deficit financing the Federal Government has been allowed to allocate considerable funds to wasteful and in many instances nonbeneficial public programs; and

WHEREAS, by limiting the Federal Government to spend only the revenues that are estimated will be collected in a given fiscal year, except for certain specified emergencies, this could possibly result in greater selectivity of Federal Government programs for the benefit of the public and which would depend upon the willingness of the public to pay additional taxes to finance such programs; and

WHEREAS, there is provision in Article V of the Constitution of the United States for amending the Constitution by the Congress, on the application of the legislatures of two-thirds (2/3) of the several states, calling a convention for proposing amendments which shall be valid to all intents and purposes when ratified by the legislatures of three-fourths (3/4) of the several states, or by conventions in three-fourths (3/4) thereof, as the one or the other mode of ratification may be proposed by the Congress:

NOW, THEREFORE, BE IT RESOLVED BY THE HOUSE OF REPRESENTATIVES OF THE STATE OF MISSISSIPPI, THE SENATE CONCURRING THEREIN, That we do hereby, pursuant to Article V of the Constitution of the United States, make application to the Congress of the United States to call a convention of the several states for the proposing of the following amendment to the Constitution of the United States:

REC'D APR 28 P.M. 1951

"ARTICLE \_\_\_\_\_

SECTION 1. Except as provided in Section 3, the Congress shall make no appropriation for any fiscal year if the resulting total of appropriations for such fiscal year would exceed the total revenues of the United States for such fiscal year.

SECTION 2. There shall be no increase in the national debt and such debt, as it exists on the date on which this article is ratified, shall be repaid during the one-hundred-year period beginning with the first fiscal year which begins after the date on which this article is ratified. The rate of repayment shall be such that one-tenth (1/10) of such debt shall be repaid during each ten-year interval of such one-hundred-year period.

SECTION 3. In time of war or national emergency, as declared by the Congress, the application of Section 1 or Section 2 of this article, or both such sections, may be suspended by a concurrent resolution which has passed the Senate and the House of Representatives by an affirmative vote of three-fourths (3/4).
