

# Dual Credit Data Challenge

Dual Credit: Understanding Dual Credit and its Role in Career Pathways

- Determine your dual credit team.
  - Your team can be comprised of various school partners.
    - (Ex. District Administrators, Principal, School Counselor, Dual Credit Teachers, Students, Parents, etc.)
- OR-
- Create a dedicated CTE dual credit team.
  - Include CTE Teachers/Staff, CTE Students, Postsecondary & ATC
- Use the Advance CTE Inclusive CTE Goal-Setting Tool.
  - An Excel workbook;
  - A Companion Manual that includes workbook tips, guiding questions, guidance on data entry, indicator definitions, and an action planning template to leverage analysis; and
  - An introductory video
  - <https://careertech.org/resource/inclusive-goal-setting-tool>
- Read "The State of CTE: Early Postsecondary Opportunities"
  - <https://careertech.org/state-cte-epso>
- Determine your school/district next steps.
  - Think outside of the box.
    - Can you establish some partnerships with community members or businesses to help?
    - How can you communicate with your students and families better?
    - How can you better partner with your postsecondary institutions?
    - Get creative!
- Commit to a plan tailored for your school or district.
  - Make sure you know who is in charge of each part of the plan and take action.
