

## Resources from the Webinar

Dual Credit: Advising & Supporting Students Effectively

### CPE Dual Credit Webinar Page

Kentucky's dual credit webinars, occurring February through May, will provide participants a wealth of knowledge about the resources, scholarships and policy around this programming. Registration is free.

### Highlands High School - FT Launch

The Fort Thomas Independent Schools, Highlands High School Business Department incorporates high level courses for students to complete their business pathway. A combination of dual credit and AP courses help these students have a rigorous and applicable experience, allowing them to investigate and make real-world connections to future business majors and career paths.

### Northern Kentucky University School-Based Scholars

School-Based Scholars is NKU's dual-enrollment program that offers eligible high school students the opportunity to take college classes for dual credit at a reduced tuition rate. We serve public school, private school, and homeschool students from the Northern Kentucky region and beyond. They have partnerships with 36 high schools from 13 counties and growing. NKU students can take classes at their high school (if offered), online, and/or at our Highland Heights campus.

## University of Kentucky Disability Resource Center

The University of Kentucky Disability Resource Center provides services to the University community so students with disabilities have an equal opportunity to fully participate in all aspects of University life. The DRC serves students with a wide array of disabilities and this web site provides valuable information for students, parents, faculty and staff related to various responsibilities, services and programs of the office. If you cannot find the information you are seeking, please do not hesitate to call our office (859) 257-2754. Our office hours are 8 AM to 4:30 PM.
