UKNOWLEDGE UPLOAD - CAPSTONE

[\(https://uknowledge.uky.edu/\)](https://uknowledge.uky.edu/)

I) Select *Submit Research* within Author Corner

II) Choose *Theses and Dissertations – Public Health (MPH & DrPH)* within College of Public Health

[Theses and Dissertations – Public Health](#)

[Theses and Dissertations--Public Health \(M.P.H. & Dr.P.H.\)](#)

III) Use student's capstone manuscript and electronic submission form to enter the following:

REQUIRED Title

Please enter the title exactly as you have it on the title page of your dissertation/thesis.

Dissertation/Thesis Title

Select edit author icon to enter student's information.

REQUIRED Author

Use a permanent email address and enter "University of Kentucky" for Institution. Suffix refers to words such as Jr. and Sr., not Mr., Ms., Mrs., or Dr.

Search For An Author Using: Last Name, First Name, Email, or Institution

1	(student email) Student First Name Student Last Name , University of Kentucky					 
Email	First	Middle	Last	Suffix	Institution	
student@email	Student First Name		Student Last Name		University of Kentucky	

REQUIRED Year of Publication

Year

REQUIRED Embargo Period

Embargos must be pre-approved (approval must be granted before final submission of the paper) by the Assistant Dean of Graduate Academic Services. Substantive reason(s) why the document should be held are to be provided by the student's advisor to the assistant dean (email requests are allowed). The options available for embargos (unavailable for downloading) are six months, one year, or two years.

Embargo Expiration

REQUIRED College

Committee Member

[Redacted]

REQUIRED Director of Graduate Studies

If student doesn't provide key words, use the title and add public health.

REQUIRED Keywords

To enhance the indexing and retrieval of your thesis/dissertation, you may add up to five keywords or phrases as descriptors. They should be separated by commas. They will help identify and classify your thesis/dissertation in online searches. Possible keywords or phrases include geographical locations or scientific names not mentioned in your title or abstract.

Keywords:**REQUIRED** Subject Categories

Please select at least one subject category that best fits your thesis/dissertation. Subject categories will improve the indexing and retrieval of your thesis/dissertation. Click [here](#) to view the complete list of disciplines.

Available:

- Architecture
- Arts and Humanities
- Business
- Education
- Engineering
- Law
- Life Sciences
- Medicine and Health Sciences
- Physical Sciences and Mathematics
- Social and Behavioral Sciences

annual PM2.5 concentrations, distressed community index score, and state's decision to expand Medicaid. Some covariates displayed relationships with mortality that were non-stationary and varied over the study area.

Conclusions: Thoughtful consideration should be made in studies of geographic access to the methods used for estimation, along with the possibility of a non-linear and nonstationary relationship with study outcomes.

REQUIRED Upload Full Text

To locate your file: Click the **Browse** button to locate your manuscript on your computer.
