INDEPENDENT AUDITOR'S REPORT

Cumberland County Board
Cumberland County
Toledo, Illinois

Report on the Financial Statements

We have audited the accompanying modified cash basis financial statements of the governmental activities, each major fund, and the aggregate remaining fund information of Cumberland County's as of and for the year ended November 30, 2021, and the related notes to the financial statements, which collectively comprise the County's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting described in Note 1; this includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinions

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective modified cash basis financial position of the governmental activities, each major fund, and the aggregate remaining fund information of Cumberland County, as of November 30, 2021, and the respective changes in modified cash basis financial position for the year then ended in accordance with the modified cash basis of accounting as described in Note 1.

Basis of Accounting

We draw attention to Note 1 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinions are not modified with respect to this matter.

Other Matters

Other Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise Cumberland County's basic financial statements. The combining general funds, combining nonmajor funds, and combining custodial funds financial statements, consolidated year-end financial report, and budgetary comparison schedules as listed in the table of contents are presented for the purpose of additional analysis and are not a required part of the basic financial statements. The schedule of expenditures of federal awards is presented for purposes of additional analysis as required by Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, and is also not a required part of the basic financial statements.

The combining general funds, combining nonmajor funds, and combining custodial funds financial statements, the consolidated year-end financial report, and the schedule of expenditures of federal awards are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the combining general funds, combining nonmajor funds, and combining custodial funds financial statements, the consolidated year-end financial report, and the schedule of expenditures of federal awards are fairly stated, in all material respects, in relation to the basic financial statements as a whole.

The budgetary comparison schedules have not been subjected to the auditing procedures applied in the audit of the basic financial statements and, accordingly, we do not express an opinion or provide any assurance on them.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated February 25, 2022, on our consideration of Cumberland County's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Cumberland County's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Cumberland County's internal control over financial reporting and compliance.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL
OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE
WITH *GOVERNMENT AUDITING STANDARDS*

Cumberland County Board
Cumberland County
Toledo, Illinois

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the modified cash basis financial statements of the governmental activities, each major fund, and the aggregate remaining fund information of Cumberland County as of and for the year ended November 30, 2021, and the related notes to the financial statements, which collectively comprise Cumberland County's basic financial statements, and have issued our report thereon dated February 25, 2022.

Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered Cumberland County's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Cumberland County's internal control. Accordingly, we do not express an opinion on the effectiveness of Cumberland County's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. *A material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that have not been identified. We did identify certain deficiencies in internal control, described in the accompanying schedule of findings and responses as items 2021-001 and 2021-002 that we consider to be material weaknesses.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Cumberland County's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Cumberland County's Response to Findings

Cumberland County's response to the findings identified in our audit is described in the accompanying schedule of findings and responses. Cumberland County's responses were not subjected to the auditing procedures applied in the audit of the financial statements and, accordingly, we express no opinion on them.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

CUMBERLAND COUNTY, ILLINOIS
NOTES TO THE FINANCIAL STATEMENTS
NOVEMBER 30, 2021

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Cumberland County (the “County”) was organized by an act of the Illinois Legislature on March 2, 1843. The County operates under a county board form of government and provides the following services: public safety, judicial, roads, health, mental health, recording, real estate tax collections, elections, and general administrative services.

A. FINANCIAL REPORTING ENTITY

In accordance with the modified cash basis of accounting, the County is considered the primary governmental unit and includes all funds, elected offices, and departments of the County.

The criteria for including organizations within the reporting entity of the County are based primarily on financial accountability, as set by the Governmental Accounting Standards Board (GASB). Financial accountability is defined as appointment of a voting majority of the component unit’s board and either the ability to impose will by the primary government or the possibility that the component unit will provide a financial benefit to or impose a financial burden on the primary government.

The County has determined that no other organization meets the above criteria and therefore, no other organization has been included as a component unit in the County’s financial statements.

B. BASIS OF PRESENTATION

The accounts of the County are organized on the basis of funds, each of which is considered a separate accounting entity. The operations of each fund are accounted for with a separate set of self-balancing accounts that comprise its assets, liabilities, fund balances, revenues and expenditures, or expenses, as appropriate. Government resources are allocated to and accounted for in individual funds based upon the purposes for which they are to be spent and the means by which spending activities are controlled.

The County’s basic financial statements include both government-wide and fund financial statements. Both the government-wide and fund financial statements categorize primary activities as either governmental or business-type. The County’s general and special revenue funds are classified as governmental activities. The County has no business-type activities. The County’s fiduciary funds are not incorporated into the government-wide statements since by definition these assets are being held for the benefit of a third party and cannot be used to address activities or obligations of the government.

Government-Wide Financial Statements:

The government-wide financial statements include the statement of net position and the statement of activities. These statements report information on all of the nonfiduciary activities of the primary government.

CUMBERLAND COUNTY, ILLINOIS
NOTES TO THE FINANCIAL STATEMENTS
NOVEMBER 30, 2021

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

B. BASIS OF PRESENTATION (Continued)

Government-Wide Financial Statements (Concluded):

The statement of activities demonstrates the degree to which the direct expenses of a given function or identifiable activity are offset by program revenues. Direct expenses are those that are clearly identifiable with a specific function or identifiable activity. Program revenues include 1) charges to customers or applicants who purchase, use or directly benefit from goods, services or privileges provided by a given program and 2) operating or capital grants and contributions that are restricted to meeting the operational or capital requirements of a particular program. Taxes and other items not properly included among program revenues are reported instead as general revenues.

Fund Financial Statements:

Separate statements are presented for governmental funds and fiduciary funds. These statements present each major fund as a separate column on the fund financial statements. All non-major funds are aggregated and presented in a single column. The following fund types are used by the County:

Governmental Funds:

Governmental funds are those funds through which most governmental functions typically are financed. The acquisition, use and balances of the County's expendable financial resources and the related current liabilities are accounted for through governmental funds. The measurement focus is on determination of "financial flow" (sources, use and balances of financial resources). The County presented the following major governmental funds:

General Fund - The general fund is the general operating fund of the County. It is used to account for all financial resources except those required to be accounted for in another fund. The County Insurance Fund is combined with the General Fund for financial statement purposes.

Special Revenue Funds - Special revenue funds are used to account for the proceeds of specific revenue sources (other than special assessments, expendable trusts, or major capital projects) that are restricted or committed to expenditures for special purposes. The County's major special revenue funds are County Motor Fuel Tax, County Health Department, and Emergency Telephone System. The purpose and substantial restricted resources for each major special revenue fund are listed below:

County Motor Fuel Tax Fund - To account for revenues and expenditures related to operating and improving public roads and highways. The major sources of revenue are motor fuel taxes and grants.

B. BASIS OF PRESENTATION (Concluded)

Governmental Funds (Concluded):

County Health Department Fund - To account for revenues and expenditures related to the County's health department. The major sources of revenue are a property tax levy and grants.

Emergency Telephone System Fund – To account for emergency service expenses for residents of the County. The primary source of receipts is taxes on telephone services.

COVID-19 Recovery Fund – To account for revenues and expenditures related to monies received from the Coronavirus State Fiscal Recovery Fund.

Fiduciary Funds:

The County presented the following fiduciary funds:

Custodial Funds – used to account for monies and properties received and held by the County in a trustee or custodial capacity for other entities, such as employees, other governments, or nonpublic organizations. Some of the more significant custodial funds are used to account for property tax collection and distribution, court fees and fine collection and distributions, and pass-through of certain taxes to other governments.

C. MEASUREMENT FOCUS

The government-wide statements report using the economic resources measurement focus. Fiduciary fund financial statements also report using this same focus. Governmental fund financial statements report using the current financial resources measurement focus. Since the governmental fund financial statements are presented on a different measurement focus than the government-wide statements (due mainly to inclusion of capital assets and long term debt activity in the government-wide presentation) a reconciliation is presented, which briefly explains the adjustments necessary to transform the fund based financial statements into the governmental column of the government-wide presentation.

D. BASIS OF ACCOUNTING

Basis of accounting refers to when revenues received and expenditures disbursed are recognized in the accounts and how they are reported on the financial statements. The County maintains its accounting records for all funds on the modified cash basis of accounting. Accordingly, revenues are recognized and recorded in the accounts when cash is received. In the same manner, expenditures are recognized and recorded upon the disbursement of cash. Assets of a fund are only recorded when a right to receive cash exists which arises from a previous cash transaction. Liabilities of a fund, similarly, result from previous cash transactions.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

D. BASIS OF ACCOUNTING (Concluded)

Modified cash basis financial statements omit recognition of receivables and payables and other accrued and deferred items that do not arise from previous cash transactions. Proceeds from long-term debt borrowings and lease and finance agreements resulting in obligations to pay are included as other financing sources in the appropriate fund on the date received and as a liability in the statement of net position.

E. BUDGETS AND BUDGETARY ACCOUNTING

Cumberland County follows these procedures in establishing the budgetary data reflected in these financial statements:

1. Prior to November 1, a proposed operating budget is prepared for all governmental funds except for the County Motor Fuel Tax Fund.
2. Public hearings are conducted in November to obtain taxpayer comments.
3. By November 30, the budget is legally adopted by a majority vote of the County Board.
4. Budgets are adopted on the cash basis.
5. Budgets lapse at year end. Cumberland County reappropriates the following year any unperformed contracts, commitments or any other encumbrances.
6. The County Board determines any amendments that may be made to the budget. Evaluation and financial control is also determined at the County Board level.

For each fund, total fund expenditures disbursed may not legally exceed the budgeted amounts.

F. INVENTORIES

The County does not maintain inventories of supplies and materials with the exception of the value of the real estate tax stamps as held by the County Clerk's office. The tax stamp inventory is reported at cost.

G. CAPITAL ASSETS, DEPRECIATION, AND AMORTIZATION

Capital assets generally result from expenditures in the governmental funds. These assets are reported in the governmental activities column of the government-wide statement of net position but are not reported in the fund financial statements. The County defines capital assets as assets with an initial individual cost of at least \$5,000 for equipment, \$10,000 for buildings and improvements, and

G. CAPITAL ASSETS, DEPRECIATION, AND AMORTIZATION (Concluded)

\$50,000 for infrastructure assets. All capital assets are valued at historical cost or estimated historical cost if actual historical cost is not available. The costs of normal maintenance and repairs that do not add to the value of the asset or materially extend asset lives are not capitalized. The County reports all major general infrastructure assets constructed or acquired after December 1, 2003, or that received major renovations, restorations, or improvements during that period. When capital assets are disposed, the costs and applicable accumulated depreciation are removed from the respective accounts, and the resulting gain or loss is recorded in operations.

Depreciation has been calculated on each class of depreciable property using the straight-line method. Estimated useful lives, in years, for depreciable assets are as follows:

	<u>Years</u>
Appliances	5
Tools	5
Vehicles under 13,000 gross vehicle weight	5
Equipment	7
Vehicles over 13,000 gross vehicle weight	7
Road improvements	10
Other improvements	20
Buildings	40
New infrastructure	40

H. INTERFUND ACTIVITY

Interfund activity is reported as either loans, services provided, reimbursements or transfers. Loans are reported as interfund receivables and payables as appropriate and are eliminated on the government-wide financial statements. Services provided, deemed to be at market or near market rates, are treated as revenues and expenditures. Reimbursements are when a fund incurs a cost, charges the appropriate benefiting fund and reduces its related cost as a reimbursement. All other interfund transactions are treated as transfers. Transfers are used to (1) move revenues from the fund that statute or budget requires to collect them to the fund that statute or budget requires to expend them, (2) move receipts restricted to debt service from the funds collecting the receipts to the debt service fund as debt service payment become due, and (3) use unrestricted revenues collected in a fund to finance various programs accounted for in other funds in accordance with budgetary authorizations. Transfers between governmental funds are eliminated on the government-wide financial statements.

I. NET POSITION

Government-wide net position is divided into three components:

1. Net investment in capital assets – consists of the historical cost of capital assets less accumulated depreciation and less any debt that remains outstanding that was used to finance those assets.
2. Restricted – consists of net position that is restricted by the County’s creditors (for example, through debt covenants), by the state enabling legislation (through restrictions on shared revenues), by both federal and state grantors and by other contributors.
3. Unrestricted – all other net position is reported in this category.

When both restricted and unrestricted resources are available for use, it is the County’s policy to use restricted resources first, then unrestricted resources as they are needed.

J. FUND BALANCE

The following classifications describe the constraints placed on the purposes for which resources can be used:

1. Nonspendable fund balance – consists of amounts that cannot be spent because they are either not in spendable form or are legally or contractually required to be maintained intact.
2. Restricted fund balance – consists of amounts that are subject to outside restrictions, such as those imposed by creditors, grantors, contributors, or laws and regulations of other governments, or by law through constitutional provisions or enabling legislation.
3. Committed fund balance – consists of amounts that can only be used for specific purposes pursuant to constraints imposed by formal action of the government’s highest level of decision making authority (the County Board Members). Those committed amounts cannot be used for any other purpose unless the government removes or changes the specified use by taking the same type of formal action it employed to previously commit those amounts.
4. Assigned fund balance – consists of amounts that are constrained by the government’s intent to be used for a specific purpose, but are neither restricted nor committed. The intent can be expressed by the County Board Members or by an official or body which the Board delegates authority.
5. Unassigned fund balance – consists of amounts available for any purpose and positive amounts are reported only in the General Fund.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Concluded)

J. FUND BALANCE (Concluded)

When an expenditure is incurred for which committed, assigned, or unassigned fund balances are available, the County considers amounts to have been spent first out of committed funds, then assigned funds, and finally unassigned funds, as needed.

K. USE OF ESTIMATES

The preparation of financial statements in conformity with the modified cash basis of accounting requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

L. NEW ACCOUNTING GUIDANCE

For the fiscal year ended November 30, 2021, the County implemented Governmental Accounting Standards Board (GASB) Statement No. 84 – *Fiduciary Activities*. GASB Statement No. 84 provides guidance regarding: (1) properly identifying fiduciary activities; (2) determining the correct fiduciary fund type to use to report fiduciary activities; and (3) presenting the financial statements of fiduciary funds. The implementation of GASB Statement No. 84 required changes to the County’s financial statements reporting related to their agency funds. See Note 12 for additional information.

M. MANAGEMENT’S REVIEW -

Management has evaluated subsequent events through February 25, 2022, the date which the financial statements were available to be issued.

NOTE 2 – CASH DEPOSITS AND INVESTMENTS

The County is allowed to invest in one or more of the following: (a) interest bearing certificates of deposit, interest bearing time deposits or interest bearing savings accounts constituting direct obligations of any bank selected and designated pursuant to law; (b) shares or other forms of securities legally issuable by savings and loan associations incorporated under the laws of Illinois or any other State of the United States, provided such shares are insured by the Federal Savings and Loan Insurance Corporation; (c) bonds, notes, certificates of indebtedness, treasury bills or other securities now or hereafter issued, which are guaranteed by the full faith and credit of the United States of America as to principal and interest.

CUMBERLAND COUNTY, ILLINOIS
NOTES TO THE FINANCIAL STATEMENTS
NOVEMBER 30, 2021

NOTE 2 – CASH DEPOSITS AND INVESTMENTS (Continued)

At November 30, 2021, the carrying amount for the County's government-wide and custodial fund deposits were \$7,766,715 and \$1,503,105, respectively, and the bank balances were \$7,787,495 and \$1,539,617, respectively.

INTEREST RATE RISK

Interest rate risk is the risk that changes in market interest rates will adversely affect the fair value of an investment. Generally, the longer the maturity of an investment the greater the sensitivity of its fair value to changes in market interest rates. The County minimizes its exposure to interest rate risk by limiting its purchases of long term investments and by structuring investments to mature to meet cash requirements. At November 30, 2021, the County had no investments.

CREDIT RISK

Generally, credit risk is the risk that an issuer of an investment will not fulfill its obligation to the holder of the investment. This is measured by the assignment of a rating by a nationally recognized statistical rating organization. The County's cash deposits held with local financial institutions are not subject to credit risk rating.

CONCENTRATION OF CREDIT RISK

The County's investment policy does not place limitations on the amount that can be invested in any one issuer. Cash deposits held with local financial institutions are exempt from the 5% investment in any one issuer disclosure.

Custodial credit risk for deposits is the risk that, in the event of the failure of a depository financial institution, a government will not be able to recover its deposits or will not be able to recover collateral securities that are in the possession of an outside party. Deposits in federally insured banks and savings and loans are insured up to \$250,000 per custodian (County Treasurer, County Clerk, Circuit Clerk, and Sheriff's Department). The County's investment policy requires that all amounts deposited or invested with financial institutions in excess of any insurance limit be collateralized by securities held by the County in the County's name.

CUSTODIAL CREDIT RISK

As of November 30, 2021, the County's bank balances totaled \$9,327,112. Of this total, \$552,506 was secured by federal depository insurance and \$8,774,606 was secured by Federal Home Loan Bank of Chicago irrevocable letter of credit.

NOTE 2 – CASH DEPOSITS AND INVESTMENTS (Concluded)

FOREIGN CURRENCY RISK

Foreign currency risk is the risk that changes in foreign exchange rates will adversely affect the fair values of deposits or investments. None of the County’s cash deposits are directly subject to foreign currency risk.

NOTE 3 – PROPERTY TAXES

Property tax revenues are recognized when they are received on the modified cash basis of accounting. Taxes levied and uncollected are not carried as an asset of the related fund. Property is assessed on January 1 each year. Taxes for the year 2020 were levied and collected during 2021. The 2020 levy was adopted by the County on November 10, 2020. Property taxes were due from property owners in two installments in July and September. The property tax receipts for the year ending November 30, 2021, as shown in the combined financial statements, consist of three distributions from the 2020 levy. Property taxes are distributed from July through November.

The following are the assessed valuations and tax rates applicable to the various levies per \$100 of assessed valuation for the property tax collections included in these financial statements.

NOTE 4 – CAPITAL ASSETS (Concluded)

Construction in progress includes the following projects:

- Construction of the Embarras River overflow bridge. The project will be funded by the federal Bridge Replacement Program and federal soft match funds. As of November 30, 2021, \$53,760 has been disbursed. The estimated cost of the project is \$500,000 and the estimated completion date is December 2023.
- Bridge reconstruction. The preliminary engineering for the project will be funded by the federal Surface Transportation Program. The project was completed July 16, 2021 for a total cost of \$62,205.
- Resurface of the Hazel Dell road. The preliminary engineering for the project will be funded with local funds. As of November 30, 2021, \$5,983 has been disbursed. This project is in early engineering phase and estimated costs and completion dates are unknown.
- Bridge reconstruction. The project will be funded 88% by Coles County and 12% by Cumberland County. As of November 30, 2021, \$4,402 has been disbursed. This project is in early engineering phase and estimated costs and completion dates are unknown.

NOTE 5 – DEFINED BENEFIT PENSION PLAN

Illinois Municipal Retirement Fund

Plan Description

The County's defined benefit pension plan for regular employees and Sheriff's law enforcement personnel employees provides retirement and disability benefits, post-retirement increases, and death benefits to plan members and beneficiaries. The County's plans are managed by the Illinois Municipal Retirement Fund (IMRF), the administrator of a multi-employer public pension fund. A summary of IMRF's pension benefits is provided in the "Benefits provided" section of the notes. Details of all benefits are available from IMRF. Benefit provisions are established by statute and may only be changed by the General Assembly of the State of Illinois. IMRF issues a publicly available Comprehensive Annual Financial Report that includes financial statements, detailed information about the pension plan's fiduciary net position, and required supplementary information. The report is available for download at www.imrf.org.

CUMBERLAND COUNTY, ILLINOIS
NOTES TO THE FINANCIAL STATEMENTS
NOVEMBER 30, 2021

NOTE 5 – DEFINED BENEFIT PENSION PLAN (Continued)

Benefits Provided

IMRF has three benefit plans. The vast majority of IMRF members participate in the Regular Plan (RP). The Sheriff's Law Enforcement Personnel (SLEP) plan is for sheriffs, deputy sheriffs, and selected police chiefs. Counties could adopt the Elected County Official (ECO) plan for officials elected prior to August 8, 2011 (the ECO plan was closed to new participants after that date). Cumberland County does not have any members that participate in the Elected County Official (ECO) plan.

All three IMRF benefit plans have two tiers. Employees hired before January 1, 2011, are eligible for Tier 1 benefits. Tier 1 employees are vested for pension benefits when they have at least eight years of qualifying service credit. Tier 1 employees who retire at age 55 (at reduced benefits) or after age 60 (at full benefits) with eight years of service are entitled to an annual retirement benefit, payable monthly for life, in an amount equal to 1-2/3% of the final rate of earnings for the first 15 years of service credit, plus 2% for each year of service credit after 15 years to a maximum of 75% of their final rate of earnings. Final rate of earnings is the highest total earnings during any consecutive 48 months within the last 10 years of service, divided by 48. Under Tier 1, the pension is increased by 3% of the original amount on January 1 every year after retirement.

Employees hired on or after January 1, 2011, are eligible for Tier 2 benefits. For Tier 2 employees, pension benefits vest after ten years of service. Participating employees who retire at age 62 (at reduced benefits) or after age 67 (at full benefits) with ten years of service are entitled to an annual retirement benefit, payable monthly for life, in an amount equal to 1-2/3% of the final rate of earnings for the first 15 years of service credit, plus 2% for each year of service credit after 15 years to a maximum of 75% of their final rate of earnings. Final rate of earnings is the highest total earnings during any 96 consecutive months within the last 10 years of service, divided by 96. Under Tier 2, the pension is increased on January 1 every year after retirement, upon reaching age 67, by the lesser of:

- 3% of the original pension amount, or
- ½ of the increase in the Consumer Price Index of the original pension amount.

Contributions

As set by statute, the County's regular plan members are required to contribute 4.5% of their annual covered salary and the County's SLEP plan members are required to contribute 7.5% of their annual covered salary. The statute requires employers to contribute the amount necessary, in addition to member contributions, to finance the retirement coverage of its own employees. The County's regular plan annual contribution rate for calendar year 2021 and 2020 was 8.72% and 8.91%, respectively. For the fiscal year ended November 30, 2021, the County contributed \$135,340 to the regular plan. The County's SLEP plan annual contribution rate for calendar year 2021 and 2020 was

Contributions (Concluded)

9.16% and 12.14%, respectively. For the fiscal year ended November 30, 2021, the County contributed \$30,471 to the SLEP plan. The County also contributes for disability benefits, death benefits, and supplemental retirement benefits, all of which are pooled at the IMRF level.

Contribution rates for disability and death benefits are set by IMRF’s Board of Trustees, while the supplemental retirement benefits rate is set by statute.

Because of the use of a modified cash basis of accounting framework in the preparation of these financial statements, the County’s net pension liability is not reported in the financial statements as a liability. In accordance with the modified cash basis of accounting, pension expenditures are only reported when contributions are paid by the County to the plan.

NOTE 6 – LONG-TERM DEBT

The long-term debt of the County consists of equipment leases. A summary of the debt as of November 30, 2021, and transactions for the year then ended follows:

	Balance <u>12/1/2020</u>	<u>Additions</u>	<u>Reductions</u>	Balance <u>11/30/2021</u>	Amount Due <u>Within One Year</u>

Equipment Lease Agreements

The County entered into a lease agreement on March 29, 2016 with Xerox Financial Services for the lease of two copy machines. The agreement calls for 60 monthly payments of \$193 with the first payment due May 12, 2016. The interest rate is 15.662% and is secured by the equipment. The remaining lease liability was paid in full during the year ended November 30, 2021.

CUMBERLAND COUNTY, ILLINOIS
NOTES TO THE FINANCIAL STATEMENTS
NOVEMBER 30, 2021

NOTE 7 – RISK MANAGEMENT

The County is exposed to various risks of loss including but not limited to, general liability, property casualty, auto liability, workers compensation and public official liability. To limit exposure to these risks, the County participates in the Illinois Counties Risk Management Trust. The County is not aware of any liabilities associated with the risk management program at November 30, 2021. There has not been a significant reduction in the County's insurance coverage as of November 30, 2021 and settlements have not exceeded insurance coverage.

NOTE 8 – OTHER POST EMPLOYMENT BENEFITS

Plan Description

In addition to providing the pension benefits described, the County will provide post-employment health care insurance benefits (OPEB) for retired employees through a cost sharing, multiple-employer health care plan. The County participates in the Health Options for Public Entities (HOPE) Trust, a joint self-insurance risk pool association. The benefits, benefit levels, employee contributions and employer contributions are governed by the County and can be amended by adopting a County Ordinance. The plan is not accounted for as a trust fund, as an irrevocable trust has not been established to account for the plan. The plan does not issue a separate report.

Funding Policy

The contribution requirements of plan members and the County are established and may be amended by the County Board. The required contribution is based on projected pay-as-you-go financing requirements in the form of insurance premiums paid to the insurance company. The County does not provide any additional amount to prefund benefits nor does the plan have an actuarial valuation. The County requires retirees to contribute 100 percent of a premium amount established by the insurance company and approved by the County Board for all employees and retirees of \$792 per month for individual-only coverage and \$1,892 per month for family coverage. Retiree's also have the option to participate in a qualified high deductible health plan in which they contribute 100 percent of a premium amount established by the insurance company and approved by the County Board for all employees and retirees of \$800 per month for individual-only coverage and \$1,908 per month for family coverage. Although, with regard to retirees, this amount contains an implied subsidy by the County through a reduced blended premium covering all current employees and retirees, there is no actuarial valuation performed to determine the amount of each subsidy.

Contributions Made

Because the retiree insurance premium established is paid entirely by retiree contributions, there is no net cash outflow by the County related to these benefits when paid. Therefore, there are no modified cash basis expenditures or expenses reported for the County in regard to the plan benefits for retirees. For the fiscal year ended November 30, 2021, no retirees participated in the plan.

NOTE 9 – DEFERRED COMPENSATION PLAN

The County offers its employees a deferred compensation plan created in accordance with Internal Revenue Code Section 457. The plan, available to all County employees, permits them to defer a portion of their salary until future years. The deferred compensation is not available to employees until termination, retirement, death or unforeseeable emergency. Each plan participant's account is immediately 100% vested. Those participating in the plan determine the amount of deferred compensation to contribute to the plan. All contributions to the plan are from employee deferred compensation. The County does not contribute to the plan, and therefore, has no pension expenditures for the plan.

The plan is administered by independent plan administrator, Nationwide Retirement Solutions, Inc. Plan assets are invested in mutual funds and annuities.

Amendments to the laws governing Section 457 deferred compensation plans substantially became effective January 1, 1997. The County approved plan amendments such that plan assets are held in trust, with the County serving as trustee, for the exclusive benefit of the plan participants and their beneficiaries. The assets will not be diverted to any other purpose. The County's beneficial ownership of plan assets will be held for the further exclusive benefit of the plan for the exclusive benefit of participants and beneficiaries.

It is the opinion of the County's legal counsel that the County, as trustee, has no liability for plan losses but does have the duty of due care that would be required of an ordinary prudent investor.

Total plan assets of November 30, 2021 are:

Nationwide Retirement Solutions	<u>\$ 274,628</u>

NOTE 10 – TAX ABATEMENT

Cumberland County entered into a real estate tax abatement agreement with EVAPCO, Inc. in the fiscal year ending November 30, 2014 for continued economic development, job retention, and job creation. The real estate taxes were abated on the new facilities and improvements constructed after October 30, 2014. The abatement period is 5 years beginning with assessment year 2016. During the abatement period, real estate taxes levied on the land and buildings will continue to be paid annually based upon the "pre-project" land and buildings "base" in accordance with the established equalized assessed valuation and tax rate.

The abatement amount for all 5 assessment years is 100% of the real estate taxes assessed on the new facilities and improvements constructed. The aggregate amount of real estate tax abated by all taxing districts shall not exceed the sum of \$4,000,000. For the fiscal year ended November 30, 2021, the County abated real estate taxes of \$131,889 which reduced the County's share of real estate tax revenue by \$12,713.

CUMBERLAND COUNTY, ILLINOIS
NOTES TO THE FINANCIAL STATEMENTS
NOVEMBER 30, 2021

NOTE 11 – EFFECT OF COVID-19 PANDEMIC

On March 11, 2020, the World Health Organization (“WHO”) recognized COVID-19 as a global pandemic, prompting many national, regional, and local governments to implement preventative or protective measures, such as travel and business restrictions, temporary store closures, and wide-sweeping quarantines and stay-at-home orders. As a result, COVID-19 and the related restrictive measures have had a significant adverse impact upon many sectors of the economy. We believe the ultimate financial impact of the COVID-19 pandemic on the County is likely to be determined by factors which are uncertain, unpredictable, and outside of the control of the County. The situation surrounding COVID-19 remains fluid, and if disruptions do arise, they could materially adversely affect future revenues.

NOTE 12 – CHANGE IN ACCOUNTING PRINCIPLE

For the fiscal year ended November 30, 2021, the County recorded a prior period adjustment for the implementation of GASB Statement No. 84, *Fiduciary Activities* to recognize the effect of the change in presentation of accounts that were agency funds in prior year.

The beginning net position of the County has been restated to reflect the new guidance as follows:

	Fiduciary Activities
Net position - beginning	\$ -
Restatement: GASB 84	973,511
Net position - beginning, restated	\$ 973,511

NOTE 13 – PRIOR PERIOD ADJUSTMENT

Net position as of the beginning of the fiscal year for governmental activities has been adjusted to exclude construction in process that was previously included in the County’s capital assets. It was determined during the current period that the County will not own title to the eventual asset being constructed.

The cumulative effect of the adjustment to net position is as follows:

	Governmental Activities
Net position - beginning	\$ 17,532,648
Restatement: CIP removal from Capital Assets	(335,897)
Net position - beginning, restated	\$ 17,196,751

Please note the following:

- The CYFFR may be pre-populated with programs based on existing awards in the GATA system. These programs cannot be removed. If no spending occurred in a program leave the amounts at zero.
- Any grant expenditures not associated with funding received through the State of Illinois are to be entered in "Other grant programs and activities". The expenditures must be identified as federal (direct or pass-through) or other funding.
- All other expenditures not related to grants are to be entered in "All other costs not allocated".
- The grand total must account for all expenditures for the fiscal year and must tie to the audited financials.

FEDERAL FINANCIAL COMPLIANCE SECTION

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM
AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM
GUIDANCE

Cumberland County Board
Cumberland County
Toledo, Illinois

Report on Compliance for Each Major Federal Program

We have audited Cumberland County's compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of Cumberland County's major federal programs for the year ended November 30, 2021. Cumberland County's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of Cumberland County's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about Cumberland County's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of Cumberland County's compliance.

Opinion on Each Major Federal Program

In our opinion, Cumberland County complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended November 30, 2021.

Report on Internal Control over Compliance

Management of Cumberland County is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered Cumberland County's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of Cumberland County's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

The accompanying notes are an integral part of this schedule

CUMBERLAND COUNTY, ILLINOIS
NOTES TO THE SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS
NOVEMBER 30, 2021

NOTE 1 – BASIS OF PRESENTATION

A. GENERAL

The accompanying schedule of expenditures of federal awards presents the activity of all federal award programs of Cumberland County, Illinois (the County) for the year ended November 30, 2021. The information in the Schedule is presented in accordance with the requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Because the Schedule presents only a selected portion of the operations of the County, it is not intended to and does not present the financial position or changes in net assets of the County.

B. BASIS OF ACCOUNTING

The County's financial statements have been presented using the modified cash basis of accounting, which is a comprehensive basis of accounting other than generally accepted accounting principles. The County's schedule of expenditures of federal awards is prepared in conformity with the same basis of accounting.

NOTE 2 – INDIRECT COST RATE

The County has elected to use the 10% de minimis indirect cost rate allowed under the Uniform Guidance.

SCHEDULE OF FINDINGS AND RESPONSES
FOR THE YEAR ENDED NOVEMBER 30, 2021**

SECTION II – FINANCIAL STATEMENT FINDINGS

Finding No. 2021-001 – Controls over Financial Statement Preparation (Repeat of Finding 2020-001)

Criteria/Specific Requirement:

The County is required to maintain a system of controls over the preparation of financial statements, including the related notes, in accordance with the modified cash basis of accounting, which should include adequately trained personnel with the knowledge and expertise to prepare and/or thoroughly review the financial statements to ensure they are free of material misstatements and include all required disclosures. Although management reviews the financial statements prior to their issuance, management does not possess adequate expertise and the potential exists that a material misstatement of the financial statements or disclosure omissions could occur and not be prevented or detected by the County's internal control.

Condition:

The County does not possess a staff member with the training and expertise to properly prepare the financial statements and note disclosures.

Effect:

Management or employees in the normal course of performing their assigned functions may not prevent or detect financial statement misstatements and disclosure omissions in a timely manner.

Cause:

Proper training has not been provided by the County to a staff member and an independent contractor has not been consulted for assistance.

Auditor's Recommendation:

The County should provide the necessary training to personnel or contract with an independent contractor with the knowledge to properly prepare the financial statements and note disclosures.

Management Response:

The County accepts the degree of risk associated with this condition because the additional expense to seek outside accounting expertise to prepare and/or review financial statements would take away from the funds available to provide necessary services for residents of the County.

**CUMBERLAND COUNTY, ILLINOIS
SCHEDULE OF FINDINGS AND RESPONSES
FOR THE YEAR ENDED NOVEMBER 30, 2021**

SECTION II – FINANCIAL STATEMENT FINDINGS (CONCLUDED)

Finding No. 2021-002 – Controls over Interfund Reimbursements

Criteria/Specific Requirement:

The County is responsible for establishing and maintaining an internal control system over interfund activities to ensure that interfund activity is appropriately recorded in accordance with their significant accounting policies.

Condition:

The County recorded interfund reimbursements as separate revenue and expense causing overstatement of revenue and expense.

Effect:

Multiple overstatements of revenue and expense related to interfund reimbursements can individually and in the aggregate cause a material misstatement in the County's financial statements.

Cause:

Multiple interfund reimbursements were recorded as revenue and expense in the receiving fund.

Auditor's Recommendation:

The County should record interfund reimbursements in accordance with their significant accounting policies by reducing the related cost in the reimbursed fund.

Management Response:

The County agrees with the auditor's recommendation and will implement the necessary procedures to correct the issue.
