

11th Annual FIRO Workshop – Agenda

August 6-8, 2024

Forecast Informed Reservoir Operations – 11th Annual Workshop
 Center for Western Weather and Water Extremes
 Scripps Institution of Oceanography, U.C. San Diego - La Jolla, CA
 Seaside Forum

Workshop Objectives:

- **Grow FIRO from Pilot Projects to National Scale**
- **Facilitate FIRO Operational Integration**
- **Share Lessons Learned for Strengthening FIRO Research And Operations Partnership**

Date/Time	Agenda Item
Tuesday, August 6 - Scripps Seaside Forum Complex	
10:00-12:00	FIRO 101 (Joe Forbis, USACE ERDC) - Ted Scripps Meeting Room 165 Environmental Justice and FIRO (Tom Corringham, CW3E) - Buzzelli Loeb Meeting Room 155
Tuesday, August 6 - Scripps Seaside Forum	
12:30-1:00	Check in and Light Refreshments
1:00-1:15	Opening Remarks (Moderator: Arleen O'Donnell, ERG) Marty Ralph, Director, Center for Western Weather and Water Extremes and Chief Scientist, FIRO Phase III, the National Expansion Pathfinder
1:15-1:35	FIRO Phase 3 National Expansion Pathfinder (Cary Talbot, National Lead, FIRO Program, USACE Engineer Research and Development Center)
1:35-1:50	USACE: Division-Level Operations Perspective (COL Michael Baim, Deputy Commander,) USACE South Pacific Division)
1:50-2:15	USACE: H&H / Water Management Operations Perspective (Cuong Ly, USACE South Pacific Division and Steve Barton, USACE Northwestern Division)
2:15-2:35	Future Research Directions to Enable FIRO (Marty Ralph, CW3E)
2:35-3:00	National FIRO Engagement Strategy (Ed Clark, NOAA/NWS, Director, National Water Center and Deputy Director, Office of Water Prediction and Sean Smith, USACE, Principal H&H Engineer, Headquarters)

11th Annual FIRO Workshop – Agenda

August 6-8, 2024

3:00-3:30	Break
3:30-5:00	FIRO and WCM Updates (Moderator: Joe Forbis, Water Management Integration Lead, USACE ERDC) <ul style="list-style-type: none"> • Paradigm Shift: Challenges and Opportunities – Joe Forbis, USACE ERDC • WCM Case Studies – Jenny Fromm, USACE Sacramento District • National FIRO Screening Process – Elissa Yeates, USACE ERDC
