

Manure Transporters and Pumpers

This guidance document is advisory in nature but is binding on an agency until amended by such agency. A guidance document does not include internal procedural documents that only affect the internal operations of the agency and does not impose additional requirements or penalties on regulated parties or include confidential information or rules and regulations made in accordance with the Administrative Procedure Act. If you believe that this guidance document imposes additional requirements or penalties on regulated parties, you may request a review of the document.

October 2021

The following businesses specialize in pumping manure from livestock waste control facilities and/or transporting livestock manure to an off-site location. This list has been compiled and produced for informational purposes only and is not intended to be a complete list of all manure handling businesses in Nebraska or Kansas.

Neither the State of Nebraska, nor any agency thereof, nor any of their employees, makes any warranty, express or implied, or assumes any legal liability or responsibility for the accuracy, completeness, or usefulness of any information disclosed. Reference herein to any person, company, service, or product does not necessarily constitute or imply its endorsement, recommendation, or favoring by the State of Nebraska or any agency thereof.
