

UNIVERSAL WASTE BATTERY RECYCLERS

This is a partial listing of facilities that WVDEP-DWWM is aware of that provide collection or recycling services for universal waste batteries. This list is not to be considered an endorsement or approval of these facilities. Its intent is to give interested parties a place to start to find a recycling facility for their used batteries. To help us keep this list updated, please contact Travis Lawson at 304-561-8072.
