

<http://www.doh.wa.gov/Portals/1/Documents/Pubs/530116.pdf>

The Emergency Preparedness Resources and Possible Grant Matrix identifies resources and grants that may be used to fund Homeland Security efforts, all hazards training, information gathering, equipment purchase and other important work.

The matrix uses a four-column table.

- The left column “Possible Resources” identifies current resources. Resource listings include related homeland security departments, agencies, programs or grants. The titles do not indicate your likelihood of getting a grant. You should explore any grant opportunity that interests you. You may be pleasantly surprised.
- The center left column “Web Links” is the direct link to the possible resource in that row.
- The center right column “Washington Point of Contact” is the person or agency in Washington State that you may contact for more information. All contacts have confirmed their availability to assist.
- The far right column identifies the intent or focus of the grants in that row.

This resource matrix was developed by organizations and tribes in Washington State including the Department of Health, Emergency Management and Region 10 Department of Homeland Security. Should you discover an out-of-date Web link or additional resource, email chris.williams@doh.wa.gov.

Thank you and good luck with your grant search.

**Emergency Preparedness Resources
And Possible Grant Opportunities Matrix
October 1, 2014**

Possible Resources	Web Link	Washington Point of Contact	Focus or Opportunity within the Grants
Homeland Security FEMA/DHS	http://www.grants.gov/ http://www.rkb.mipt.org (Responder Knowledge Base website)	Regional Homeland Security Coordinators http://www.emd.wa.gov/grants/grants_index.shtml	NIMS Training, Equipment, Exercises, etc.
