A Temporary Construction Permit (TCP) may be used when needing to enter onto State highway right of way for a temporary, short term, time period, for such temporary uses such as crossing the right of way, temporary access to adjoining property, utility work, etc.

- **Request for a TCP**

A request for a TCP must include a \$200 nonrefundable processing fee, a complete application and any traffic control plans, or permits provided from other agencies (i.e., utility permits). At no expense to the State, the Permittee shall secure and keep in force during the term of this Permit adequate Commercial General Liability insurance in the amount of \$1 Million to protect both the State and the Permittee against comprehensive public liability and property damage.
