	Annual child care licensing visits	2,696	1,115 *	494*	2,374	2,275

NOTE: numbers may change slightly from those reported on previous reports due to changes made in CAPSS after the close of the fiscal year.

* Because of COVID-19, the number of personal visits is lower. Only complaint visits and a few application visits were made in person, all others were virtual.

**Number of children < 18 receiving adoption services is a new element added in 2021 and numbers for earlier years are calculated using historic data.
