

EDA: AMERICAN RESCUE PLAN

ECONOMIC ADJUSTMENT ASSISTANCE

Providing the Building Blocks for Success

EDA's American Rescue Plan **Economic Adjustment Assistance** program makes \$500 million in Economic Adjustment Assistance grants available to American communities.

The Economic Adjustment Assistance program is EDA's most flexible program, and grants made under this program will help hundreds of communities across the nation plan, build, innovate, and put people back to work through construction or non-construction projects designed to meet local needs.

A wide range of technical, planning, workforce development, entrepreneurship, and public works and infrastructure projects are eligible for funding under this program.

As part of the \$300 million **Coal Communities Commitment**, EDA will allocate at least \$200 million of the Economic Adjustment Assistance funding to support coal communities.
