Sub-accounts shall not be established using same bank routing and same account number used on the primary direct deposit profile. Verification with the customer that there are multiple active accounts is required. A customer may have multiple sub accounts, but only 1 main account.
- Specific State/county option is only allowed for multiple-county producers. And a specific reference type.

### Add Direct Deposit Hardship Waiver ? Help

**Work List:** INDIANA (18) - Cass (017)  
**Customer:** JANE DOE . - xxxxx:9999S

**i** Informational: All pending Direct Deposit records will be deleted.

The Secretary of Treasury has granted a waiver of the requirement to receive a Federal payment by electronic funds transfer (EFT) for individuals if the individual determines, at his or her sole discretion, that:

- Payment by EFT would impose a hardship due to a physical or mental disability
- The individual faces a geographic, language, or literacy barrier to receiving payment by EFT
- Payment by EFT poses a financial hardship to the individual

I have determined that payment by EFT creates a hardship, and I invoke this waiver.

If a Direct Deposit Waiver request is submitted, it will be applied to all counties. This option will delete all direct deposit accounts.

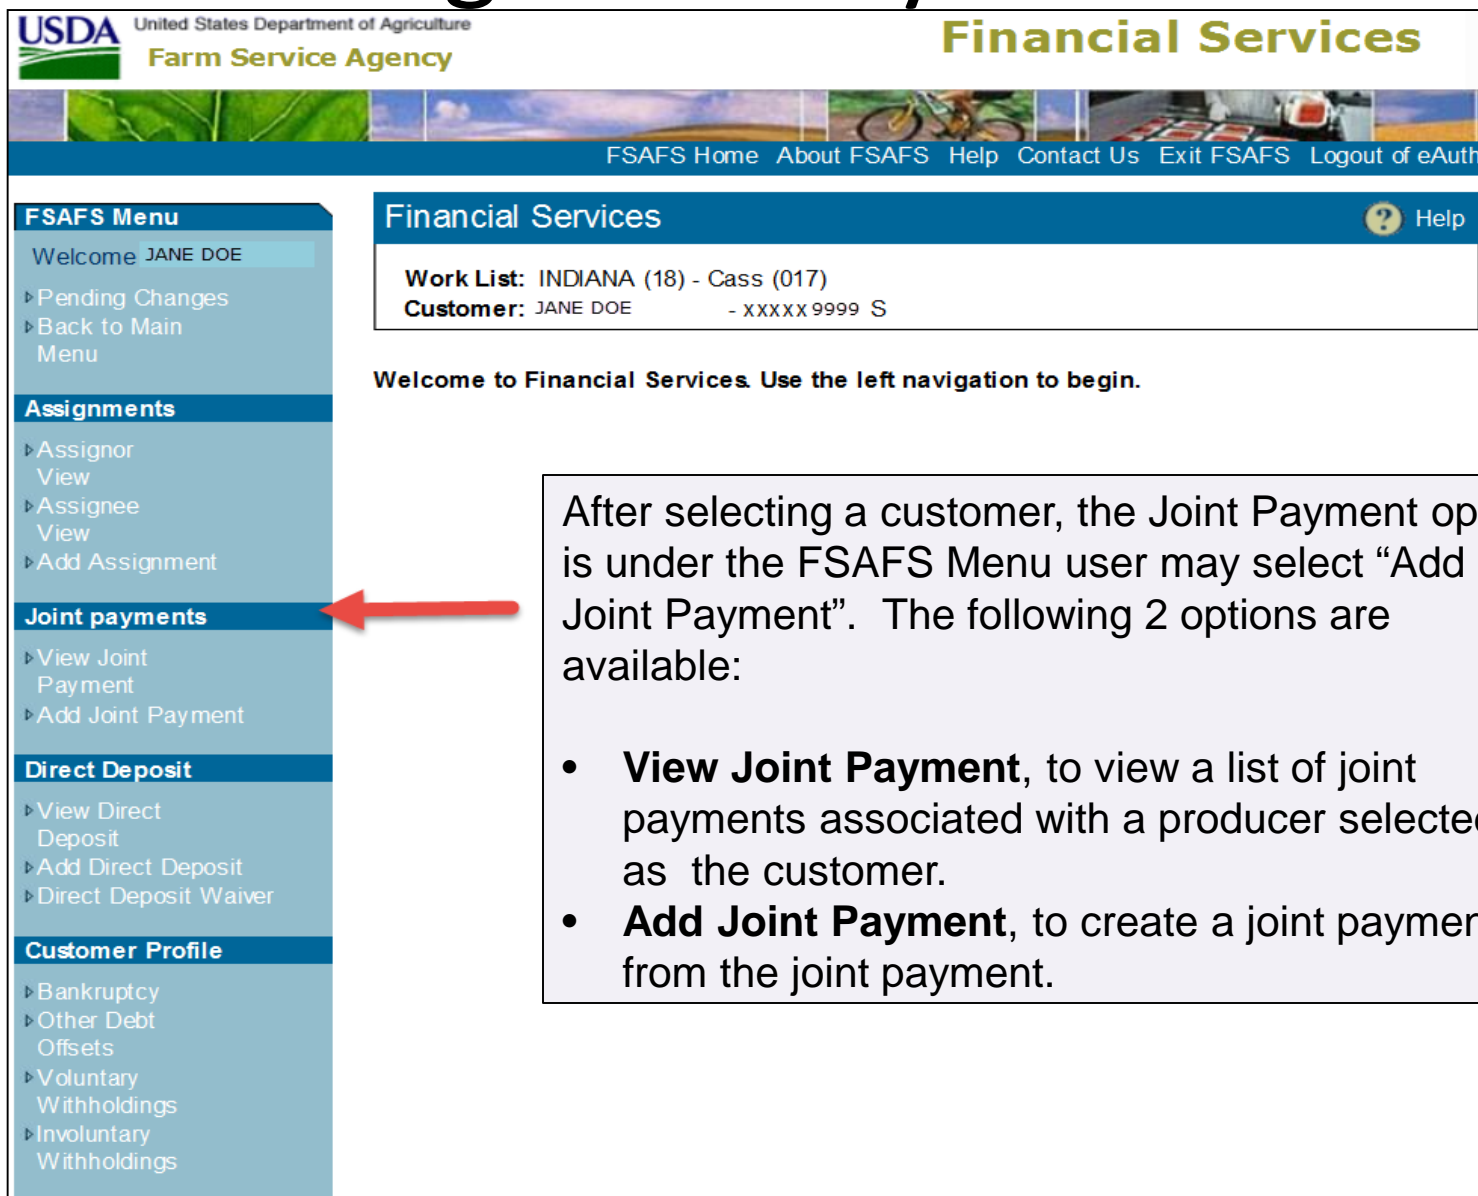

Customer payments will be disbursed via checks.
