## WG 1 Mission

Working group (1) for Institutional Arrangements, Legal and Policy Issues, Awareness and Capacity Building will **create cooperational structure for public, private and academia for work together on legal, organizational, data and services level – for sustainable geospatial data management.**

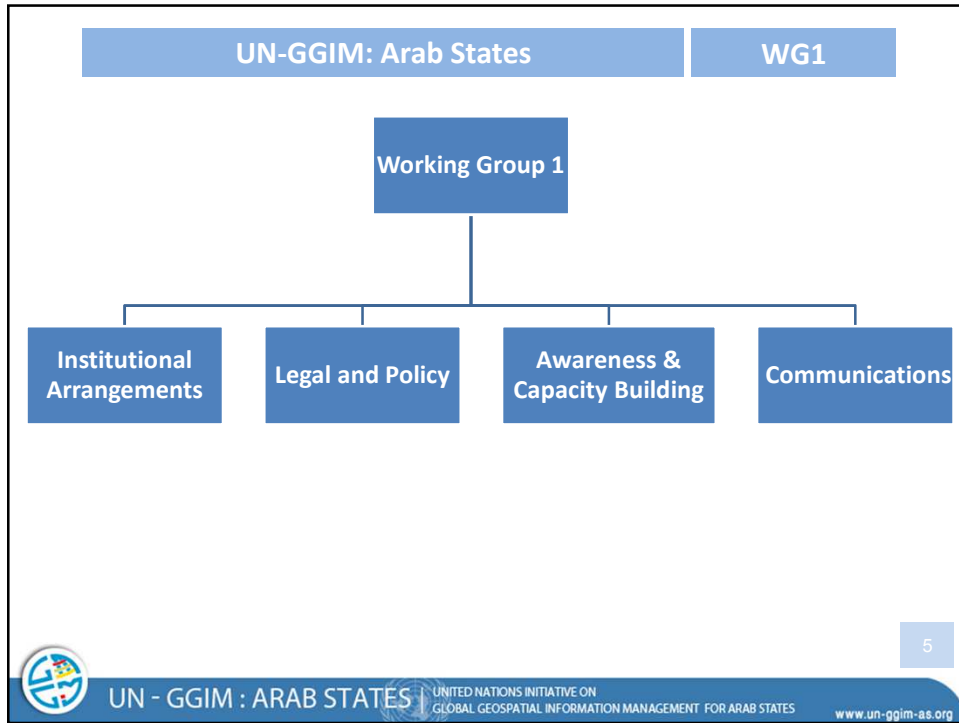

## Working Group 1 members:

Members: Algeria, Bahrain, Egypt, Jordan, Kuwait , Lebanon, Morocco, Oman, Qatar, Saudi Arabia, Tunisia and United Arab Emirates, Palestine

Chair: **United Arab Emirates (UAE)**

Vice Chair: **Morocco**

- UN-GGIM: Arab States
- WG1
- ### 1. Institutional Arrangements
- Identify the NMA
  - Initiate dialogue
  - Facilitate institution building
  - Provide knowledge
  - Users and stakeholders needs and role
  - Evaluation datasets and services
- 6

-

## 2. Legal and Policy

- Legal and policy documents pertaining
- Study the legal and policy
- Provide technical support
- Operational policies

## 3. Awareness & Capacity Building

### 3.1) Awareness

a. Awareness campaigns among various sections of the society

- People working with geospatial data
- People using geospatial data
- Prospective users / public
- Student community

b. Organize awareness campaigns

### 3. Awareness & Capacity Building

#### 3.2) Capacity building

- a. Identify the target group to be provided with training
- b. Perform a skill gap analysis by assess their skills and mapping it with the expected skillsets
- c. Determine the level of training to be provided to different set of people.
- d. Provide training and obtain feedback
- e. Continue monitoring their performance and report to impart more training

### 4. Communications

- **Contact**
- **Coordinate**
- **Lead and Support**
- **UN GGIM Arab States Website**

GOAL						
Institutional Arrangements						
BENCHMARKS FOR SUCCESS						
Conduct a survey to investigate and assess the development of the member countries, with focus on access, management, update, web-based services and sharing of data/service						
EVALUATION PLAN						
STRATEGIC ACTION DESCRIPTIONS	PARTY / DEPT RESPONSIBLE	DATE TO BEGIN	DATE DUE	RESOURCES REQUIRED	POTENTIAL HAZARDS	DESIRED OUTCOME
draft report of current status of NSDI						
final report of current status of NSDI						
Regional Geospatial Data Catalogue: Making data discoverable						
Country reports						
Geospatial Data Access and Delivery: Open access to data						
Regional repository						
ADDITIONAL NOTES						
11						

GOAL						
Awareness Raising and Capacity Building						
BENCHMARKS FOR SUCCESS						
TRAININGS, SKILLS, AWARENES RAISING						
EVALUATION PLAN						
STRATEGIC ACTION DESCRIPTIONS	PARTY / DEPT RESPONSIBLE	DATE TO BEGIN	DATE DUE	RESOURCES REQUIRED	POTENTIAL HAZARDS	DESIRED OUTCOME
Training courses on regional SDI, portal/platform and application						
Workshops, seminars co-organized with other international organizations						
Promote Network of academic						
ADDITIONAL NOTES						
12						

## Legal & Policy framework in GI licensing

During next UN-GGIM: Arab States, 5th plenary meeting on February 2018 in Oman, the work program for WG1 will be discussed in more detail to include the framework for licensing of geospatial information, through presenting the best practices in GI licensing.

# Thank You!
