

Disclaimer

Although the information and data contained in this site has been produced with the authors' reasonable efforts, and has been compiled from sources believed to be reliable and accurate, no warranty, expressed or implied, is made regarding adequacy, completeness, legality, reliability, accuracy or usefulness of any information. The website is intended to be a public information service, and all of the information contained herein is provided on an 'as is' basis. While change and updates will be made as information becomes available, the authors do not guarantee that the information on this site is 100% accurate or up to date, including data concerning vessel information. It is emphasized that all content obtained from this website must be sourced appropriately. This disclaimer applies to both isolated and aggregate uses of the information and encompasses all warranties of any kind, express or implied. If a section of this disclaimer is determined by any court to be unlawful and/or unenforceable, the other sections of this disclaimer shall continue in full force and effect. Neither the author organisation, employees, or sponsors shall be responsible or held liable for any errors or omissions in the contents, nor the improper or incorrect use of the information described or contained on this website.
