JUSTgrants
JUSTICE GRANTS SYSTEM

This e-newsletter provides updates, information and resources to assist DOJ award applicants, recipients and other stakeholders in using JustGrants, DOJ's grants management system, and ASAP, the U.S. Department of the Treasury's payment management system.

ANNOUNCEMENTS

Transition to SAM Unique Entity Identifier

On April 4, 2022, the federal government will stop using DUNS numbers and start using new Unique Entity Identifiers (UEI) as the primary means of identifying entities registered for federal awards government-wide in the [System for Award Management](#) (SAM). [The UEI is a 12-character alpha-numeric value](#). Once issued, your entity's SAM UEI will not change. All DUNS numbers will be removed from SAM after April 4, 2022.

Users will need their SAM UEI to search for entity registrations. If your entity is registered in SAM.gov today, it has already been assigned a UEI and you can view it in SAM. SAM registration will continue to require annual renewal.

This change simplifies the process of registering an organization to do business with the federal government. Entities will no longer need to contact a third party to obtain an identification number or get support.

As a reminder, JustGrants uses SAM as the primary source of agency information in applying for and managing DOJ grant funding. In JustGrants, an award recipient organization is called an "entity," and information in an entity's SAM account is automatically updated in JustGrants. JustGrants automatically pulls entity information from SAM, thereby reducing the burden on award recipients to manually update information across multiple systems, and helps DOJ validate information from recipients.

Register for an Upcoming UEI Transition Presentation

On Wednesday, January 12, at 12 p.m. ET, the Office of Management and Budget (OMB) and the General Services Administration (GSA) will offer a grants innovation exchange session focused on the SAM UEI. This session is targeted towards the award recipient community and will feature updates from OMB and GSA's Integrated Award Environment on the SAM UEI. OMB and GSA will walk through everything a recipient of federal awards needs to know in preparation for the transition to the new SAM UEI, including a demonstration of how to request a UEI in SAM.
