**Note\*** You will not be able to update your name on this screen. That is a separate process.

You will be required to declare your primary state of residence and upload a current proof of legal residency document. Please verify that the document you are uploading matches the information you provide us.

To be eligible for a Kentucky multistate license (RN/LPN), you must declare Kentucky as your primary state of residence and have your current legal residency documents in Kentucky.

Upload one of the following:

- Valid Driver's License
- State-issued ID Card
- REAL ID
- Voter Registration
- Vehicle Registration

#### Declaration of Primary State of Residence

"Primary State of Residence" is defined as the state of a person's declared fixed permanent and principal home for legal purposes; domicile.

- I am declaring Kentucky as my Primary State of residence in compliance with the above Primary State of Residence Definition.

By declaring this option, I understand that I will receive a Kentucky Compact License if I meet all the Uniform Licensure Requirements, or I will receive a Kentucky single state license if I do not.
