SECTION 1. In Colorado Revised Statutes, 25.5-5-320, amend

(1) introductory portion as follows:

Telemedicine - reimbursement - disclosure 25.5-5-320. statement - rules - definition - repeal. (1) On or after July 1, 2006, in-person contact between a health-care or mental health-care provider and a patient is not required under the state's medical assistance program for health-care or mental health-care services delivered through telemedicine that are otherwise eligible for reimbursement under the program. The state department shall promulgate rules SPECIFICALLY RELATING TO ENTITIES THAT DELIVER HEALTH-CARE OR MENTAL HEALTH-CARE SERVICES EXCLUSIVELY OR PREDOMINATELY THROUGH TELEMEDICINE. Any health-care or mental health-care service delivered through telemedicine must meet the same standard of care as an in-person visit. Telemedicine may be provided through interactive audio, interactive video, or interactive data communication, including but not limited to telephone, relay calls, interactive audiovisual modalities, and live chat, as long as the technologies are compliant with the federal "Health Insurance Portability and Accountability Act of 1996", Pub.L. 104-191, as amended. The health-care or mental health-care services are subject to reimbursement policies developed pursuant to the medical assistance program. This section also applies to managed care organizations that contract with the state department pursuant to the
