| References: <a href="#">CSG-West - Legislative Council on River Governance</a>   |  |
| <p>The Legislative Council on River Governance (LCRG) consists of legislators appointed from each of the four northwest states including Washington, Idaho, Oregon, and Montana. At the annual summer meeting, this group receives an update on and discusses water issues that are related to the Columbia River watershed or are otherwise of common interest to the northwest states. Meeting preparations, including arranging speakers to address topics of interest to members, are coordinated by the Council of State Governments. The location of the annual meeting rotates, and the meeting will be held in Washington this year.</p> |  |

| <b>Joint Legislative Committee on Water Supply During Drought</b>   |                                  |

| <p>The Joint Legislative Committee on Water Supply During Drought may convene at the call of the chair when a drought advisory or drought emergency order is in effect or when the chair determines, in consultation with the Department of Ecology (Ecology), it is likely such an order will be issued within the next year. When a drought conditions order is in effect, Ecology must provide the Drought Committee with at least monthly reports describing drought response activities of Ecology and other state and federal agencies. The Drought Committee is authorized to make recommendations to the Legislature on budgetary and legislative actions to improve the state's drought response programs and planning. In July 2023, Ecology declared a drought emergency for 12 watersheds in parts of Skagit, Whatcom, Clallam, Kittitas, Yakima, Snohomish, Jefferson, Walla Walla, Columbia, Okanogan, Benton, and Klickitat counties. This drought declaration is still in effect.</p> <p>Committee staff will provide support to the committee, assist as directed by members of the committee, and draft legislation as requested.</p> |                                  |

| <p>In 2023, the Legislature passed SHB 1701, establishing the Joint Select Committee on Governance and Funding for Institutional Education. The committee must examine and evaluate revisions to statutes, funding formulae, funding sources, and operating and capital budget appropriation structure as necessary to assign the Superintendent of Public Instruction with the responsibility for the delivery and oversight of basic education services to youth in institutional education programs in facilities that are not under the jurisdiction of the Department of Social and Health Services or the Department of Corrections.</p> <p>During the 2023 interim, the committee met two times. The committee must report its findings and recommendations, which may be in the form of draft legislation, by December 1, 2024.</p> <p>Committee staff will provide support to the committee and assist with the report or draft legislation as directed.</p> |   |

| References: <a href="#">E2SSB 5441 (2005)</a> ; <a href="#">ESSB 5092, Sec. 951 (2021)</a>   |  |
| <p>Over the years, the Legislature has required reports on staff compensation, experience mix, regionalization, and inflationary factors. For example, E2SSB 5441 (2005) established a comprehensive education study steering committee to develop recommendations on certain topics including the finance system, which was called Washington Learns.</p> <p>In 2021, the Legislature included a proviso in the 2021-23 operating budget that directed the Office of the Superintendent of Public Instruction to convene a K-12 basic education compensation advisory committee to develop recommendations that supports recruiting and retaining a multicultural and multilingual educator workforce.</p> <p>Staff will summarize the recommendations in previous legislative reports related to staff compensation dating back to 2005.</p> |  |

| <b>Competency-Based Education and Graduation Requirements</b>   |                                 |

| <p>Each student in Washington public schools must have a High School and Beyond Plan (HSBP) to guide the student's high school experience and inform course taking that is aligned with the student's goals for education or training and career after high school. A HSBP must be initiated for students in seventh or eighth grade.</p> <p>In 2023, E2SSB 5243 revised HSBP requirements and directed the Office of the Superintendent of Public Instruction (OSPI) to facilitate the transition to, and adoption of, a common online platform for HSBPs.</p> <p>By January 1, 2024, OSPI was directed to develop a preliminary list of existing vendors who can provide or build a platform that meets certain criteria and that supports certain HSBP elements. By June 1, 2024, OSPI must select the vendor that will be responsible for developing the universal platform, subject to appropriations.</p> <p>Staff will summarize the HSBP elements required by law and any additional elements identified in the request for proposal of the selected vendor. Staff will also research whether other states have plans like the HSBP and summarize the elements of these plans.</p> <p>Staff will develop a questionnaire to identify any additional elements that would be helpful to include in the common online platform for HSBPs.</p> |  |

| <b>Cost of Quality Child Care Rate Model</b>  |                                  |

| <p>In 2019, the Legislature directed the Child Care Collaborative Task Force to develop a child care cost estimate model to determine the full costs providers would incur when providing high quality child care. Reports on this topic were due in 2020 and 2021.</p> <p>In 2021, the Fair Start for Kids Act directed the Department of Children, Youth, and Families (DCYF) to build upon the work of the Child Care Collaborative Task Force to develop and implement a child care estimate model and use the completed child care cost model to recommend subsidy rates at levels that are sufficient to compensate licensed or certified child care providers for the full costs of providing high quality child care.</p> <p>The 2023-25 operating budget directed DCYF to submit an implementation plan to expand access to Washington's mixed delivery child care system by June 30, 2025. DCYF plans to provide a progress update on this plan in the fall of 2024. The plan must assume that any financial contribution by families is capped at no more than 7 percent of household income and that the child care workforce are provided living wages and benefits.</p> <p>Staff will summarize reports on the cost of quality care rate model and draft legislation if directed.</p> |                                  |

| Completion Date: December 1, 2024   | Staff: Matt Shepard-Koningsor (360) 786-7627 |
| References: SB 6005/HB 2049 (2024)  |  |
| <p>In recent years, the Legislature has considered policies related to establishing product stewardship requirements for producers of consumer packaging and paper products. Since 2020, the Department of Ecology (Ecology) has submitted multiple reports relating to the recycling of consumer packaging. In December 2023, Ecology submitted a report to the Legislature from a contracted consultant, which developed recycling, reuse, and source reduction performance target rates for consumer packaging and paper materials; conducted a community input process with Washington residents about their views on the state's recycling system; and modeled implementation of certain policy scenarios.</p> <p>The Recycling Market Development Center is a program at Ecology, which was formed to provide or facilitate marketing, policy analysis, research, and development to strengthen recycling markets and processing in Washington. The center is a collaboration between Ecology, the Department of Commerce, and a 14-member advisory board, which meets at least quarterly.</p> <p>Committee staff will review the 2023 Ecology report, the center's 2024 meetings, and other relevant documents, meetings, or both, and draft legislation as requested.</p> |  |

## **Climate Commitment Act**

Completion Date: December 1, 2024

Staff: Kim Cushing (360) 786-7421

References: E2SSB 5126 (2021); E2SSB 6058 (2024)

In 2021, the Legislature passed the Climate Commitment Act that directed the Department of Ecology to implement a cap and invest program to reduce greenhouse gas emissions consistent with the statewide statutory emissions limits. The program started on January 1, 2023. Covered entities must either reduce their emissions or obtain allowances to cover any remaining emissions. The first compliance deadline is November 1, 2024, at which time businesses need to have allowances to cover 30 percent of their 2023 emissions.

In 2023, four quarterly auctions and two allowance price containment reserve auctions were held, generating over \$1.8 billion for the state. In 2024, four quarterly auctions have been scheduled.

In 2024, the Legislature passed E2SSB 6058 to facilitate linking Washington's Program with California and Quebec's carbon market. However, if Initiative 2117, concerning carbon tax credit trading, is approved by a vote of the people in the 2024 general election, the program will be repealed and E2SSB 6058 is null and void.

Committee staff will continue to monitor program auctions and linkage progress, provide relevant updates, and draft legislation as requested.

| <p>The Residential Landlord-Tenant Act (RLTA) and the manufactured mobile home landlord tenant act govern the relationship and agreement between landlords and tenants, including but not limited to, when a tenant may end a rental agreement and when landlords must provide notice of a rent increase. Under the RLTA, local municipalities may require that landlords provide a certificate of inspection as a business license condition to operate as a landlord. However, a local municipality does not need to have a business license or registration program to require that landlords provide a certificate of inspection. A local municipality may only require a certificate of inspection on a rental property once every three years. Numerous local municipalities throughout the state have exercised this authority in establishing rental housing safety, inspection, or registration programs, and some local municipalities have implemented a business license requirement for landlords.</p> <p>The Legislature directed the Department of Commerce to report to the Legislature by December 1, 2024, on the scope of work, cost estimates, and implementation timeline to create a registry of rental units. Commerce and the Housing Finance Commission must also submit a final report on efforts taken to stabilize rents for tenants of affordable housing units financed through the Housing Assistance Program by December 1, 2024. Staff will continue to monitor the progress of the reports and provide any information, support, and drafting services to members as requested.</p> |                                      |

| <p>The Legislature established a Covenant Homeownership Program to provide down payment and closing cost assistance to economically disadvantaged classes of persons. The Housing Finance Commission must complete an initial study by March 1, 2024 to:</p> <ul style="list-style-type: none"> <li>• document past and ongoing discrimination against black, indigenous, and people of color and other historically marginalized communities and the impacts of this discrimination on homeownership;</li> <li>• analyze whether and to what extent existing programs and race-neutral approaches have been insufficient to remedy this discrimination and its impacts;</li> <li>• recommend and evaluate potential programmatic and policy changes to remedy this discrimination and its impacts, including the creation of one or more Special Purpose Credit Programs (SPCPs); and</li> <li>• identify methodology to evaluate the efficacy of any recommended programmatic and policy changes over time.</li> </ul> <p>The Department of Financial Institutions will establish an oversight committee to review the commission's activities and performance related to the program, including the commission's creation and administration of SPCPs. One or more of the SPCPs must begin providing down payment and closing cost assistance to program participants by July 1, 2024. The commission must provide an annual report to the Legislature on the progress of SPCPs by December 31, 2025.</p> <p>Staff will monitor committee meetings and provide information, support, and drafting services to members as requested.</p> |   |

| <p>The Uniform Common Interest Ownership Act (UCIOA) governs the formation, management, and termination of common interest communities, including condominiums, homeowner associations, and real estate cooperatives. Washington enacted UCIOA in 2018, which applies to all common interest communities created on or after July 1, 2018. Common interest communities that existed before July 1, 2018, can elect to be governed by UCIOA or choose to remain governed by older common interest community statutes. In 2021, the Uniform Law Commission (ULC) approved amendments to UCIOA. The 2021 amendments to the UCIOA makes updates to address recent legal and technological developments. These changes include options to retroactively apply the UCIOA to all common interest communities.</p> <p>In 2024, the Legislature passed SB 5796, which adopted the ULC's 2021 amendments to UCIOA and additional amendments. SB 5796 both repeals older common interest community statutes and retroactively applies UCIOA effective January 1, 2028.</p> <p>Committee staff will research and monitor issues related to the retroactive application of UCIOA.</p> |                                     |

| <p>Generative artificial intelligence (AI) refers to technology that can mimic human ability to learn and create based on the underlying training data and guided by a user or prompt. Generative AI tools are capable of performing complex decision-making or creative tasks typically performed by humans or with human oversight. Several forms of generative AI technology are currently widely accessible to consumers and can perform a wide range of functions. Such functions may include illegal activity, such as the creation of fabricated intimate or sexually explicit images and depictions.</p> <p>In 2024, the Legislature passed SHB 1999 which created new criminal offenses and civil causes of actions related to fabricated depictions of identifiable minors and fabricated intimate images. In addition, statewide work groups are beginning to convene on the issue of generative AI.</p> <p>Committee staff will monitor the implementation of SHB 1999, and research emerging criminal and civil issues related to generative AI.</p> |  |

| <p>A statute of repose terminates the right to file a lawsuit after a specified time. With few exceptions, the statute of repose for medical malpractice claims in Washington is eight years from the date of the alleged negligent act or omission. In 1998 and 2023, the Washington Supreme Court ruled the statute of repose for medical malpractice claims violates the Washington State Constitution's privileges and immunities clause.</p> <p>Committee staff will review the legislative history of the statute of repose for medical malpractice, analyze the relevant case law, and develop options should there be a legislative response.</p> |                                       |

| <p>The Legislature passed I 2113 in 2024. This initiative modified the statute regulating vehicular pursuits be police officers. The evidentiary threshold required for engaging in a vehicular pursuit was modified to allow an officer to conduct the vehicular pursuit when there is reasonable suspicion a person has violated the law, provided all other statutory requirements for the vehicular pursuit are met. The required risk assessment for the vehicular pursuit was modified to specify that an officer may not engage in the vehicular pursuit unless the person poses a threat to the safety of others and the safety risks of failing to apprehend or identify the person are considered to be greater than the safety risks of the vehicular pursuit under the circumstances.</p> <p>Staff will contact law enforcement agencies throughout Washington to determine if and how this change in law has affected specific agencies' pursuit policies, and will attempt to gather data on the relative change in number of pursuits conducted after enactment of I 2113.</p> |                                      |

| <p>Counties that fully plan under the Growth Management Act must designate Urban Growth Areas (UGAs), within which urban growth must be encouraged, and outside of which growth may occur only if it is not urban in nature. UGAs must contain sufficient areas and densities to accommodate projected urban growth for the succeeding 20-year period. Fully planning counties must review the designated UGAs, patterns of development within the UGAs, and the densities permitted within the incorporated and unincorporated portions of each UGA during the regularly scheduled comprehensive review update cycle.</p> <p>Committee staff will review and summarize defining characteristics of UGAs, including water and sewer infrastructure, critical areas, and urban uses.</p> |   |

| Completion Date: January 2025   | Staff: Kayla Hammer (360) 786-7305<br>Trevor Press (360) 786-7446 |
| <p>Committee staff will update the <i>Citizen's Guide to K-12 Finance</i>. The guide is published annually and serves as a resource for members, legislative staff, and the public to answer frequently asked questions regarding K-12 finance. The guide will be published at the start of the 2025 legislative session and will be available from committee staff, as well as online.</p> |   |

| <b>2025 Legislative Guide to Washington State and Local Taxes</b>  |  |
|--|--|
| Completion Date: January 2025  | Staff: Jeff Mitchell (360) 786-7438<br>Alia Kennedy (360) 786-7405 |
| <p>Staff will update the <i>Legislative Guide to Washington State and Local Taxes</i>. The guide serves as an overview of Washington’s full tax structure for members, legislative staff, and the public. The updated guide will reflect the changes made in the 2024 legislative session. The guide will be published at the start of the 2025 legislative session and will be available from committee staff, as well as online.</p> |  |

| <b>Four-Year Balanced Budget and Outlook</b>   |                                     |
|--|-------------------------------------|
| Completion Date: ongoing   | Staff: Corban Nemeth (360) 786-7736 |
| <p>Beginning with the 2013-2015 biennium, SSB 6636 (2012) required budgets at the time of passage be projected to be balanced for current and following biennia based on a maintenance level projection. The Economic and Revenue Forecast Council (ERFC) must prepare a budget outlook document for the Governor's proposed budget and for the budget enacted by the Legislature.</p> <p>To assist ERFC, a State Budget Outlook Work Group is created, consisting of one staff person from the Office of Financial Management, the Legislative Evaluation and Accountability Program, the Office of the State Treasurer, ERFC, the Caseload Forecast Council, the Senate Ways &amp; Means Committee, and the House Appropriations Committee. Committee staff will participate in the work group and provide technical assistance.</p> |                                     |

| <b>Caseload Forecast Council Technical Staff Work Groups</b>  |                                     |
|---|-------------------------------------|
| Completion Date: ongoing  | Staff: Ways & Means Committee staff |
| <p>Staff will monitor changes and trends and provide input regarding caseload forecasts for entitlement programs for the public schools, medical assistance, long-term care, developmental disabilities, foster care, adoption support, general assistance, corrections, juvenile rehabilitation, and the Working Families Tax Credit Program. The caseload forecasts are used to develop the majority of the budgets for these programs.</p> <p>The work groups meet periodically and include staff from the Senate Ways &amp; Means Committee, House Appropriations Committee, Caseload Forecast Council, Office of Financial Management, the Department of Social and Health Services, and other caseload-driven agencies.</p> |                                     |

| <b>Joint Committee on Employment Relations</b>   |                                    |
|--|------------------------------------|
| Completion Date: ongoing   | Staff: Amanda Cecil (360) 786-7460 |
| References: <a href="#">RCW 41.80.007</a>  |                                    |
| <p>The Joint Committee on Employment Relations meets annually to consider matters related to collective bargaining with state employees. Each year the committee is expected to meet six times to consult with the Governor or the Governor's designee, and institutions of higher education, on matters related to collective bargaining with state employees conducted under the authority of RCW 41.80.007 and chapters 41.56, 47.64, and 74.39A. Staff will provide support to the committee and monitor activity.</p> |                                    |

| <b>Local Government Finance and Distributions</b>   |  |
|---|--|
| Completion Date: ongoing  | Staff: Alia Kennedy (360) 786-7405<br>Jeff Mitchell (360) 786-7438 |
| <p>Staff maintain a reference guide to the over billion dollars in state distributions to local governments, primarily cities and counties. This information is available at the <a href="http://fiscal.wa.gov">fiscal.wa.gov</a> website. The reference guide of state shared revenues, distributions, grants, and loan programs that benefit local governments is intended for use by members, legislative staff, local governments, and the public.</p> <p>Staff will continue working with the Legislative Evaluation and Accountability Program to update the reference guide and develop more complete information on the variety of different forms of assistance to local governments, better search capabilities, and mapping tools.</p> |  |

| <b>Pension Funding Council</b>  |                                    |
|---|------------------------------------|
| Completion Date: ongoing  | Staff: Amanda Cecil (360) 786-7460 |
| References: RCW 41.45.030 and RCW 41.45.060   |                                    |
| <p>The Pension Funding Council is directed to meet annually. During odd numbered years the council must adopt certain long-term economic assumptions that are used to establish pension rates in the subsequent year. During even numbered years the council must adopt pension funding rates for the subsequent fiscal biennia.</p> <p>During the 2024 calendar year, the council is expected to meet up to two times to adopt pension funding rates for the 2025-27 fiscal biennium. Committee staff will provide support to the council.</p> |                                    |

| <b>Competitive Capital Budget Grant and Loan Programs</b>  |                                    |

| <p>The Senate Ways &amp; Means Committee capital budget staff and the Legislative Evaluation and Accountability Program (LEAP) staff will update the <i>Competitive Capital Budget Grant and Loan Program</i> website. The LEAP public webpage contains information about capital budget grant and loan programs for which individuals and organizations may apply. The page includes links to the grant and loan programs, amounts, approximate due dates, and other information.</p> |                                    |

| <b>Washington State Tax Structure Alternatives Model</b>  |  |
|---|--|
| Completion Date: January 2025   | Staff: Jeff Mitchell (786-7438)<br>Tianyi Lan (786-7432) |
| <p>During the 2023 interim, Senate Ways &amp; Means revenue staff created a Tax Structure Alternatives Model that allows users to change the tax rates for existing major state and local taxes in Washington State, add certain business and household taxes and tax exemptions, and view the resulting impacts on state and local revenues and the tax burden change for households and businesses.</p> <p>Committee revenue staff will update the model.</p> |  |

| <b>Input-Output Model</b>   |  |
|---|--|
| Completion Date: January 2025   | Staff: Jeff Mitchell (786-7438)<br>Tianyi Lan (786-7432) |
| <p>An input–output (I-O) model is a quantitative economic model that shows the interdependencies between different sectors of a national or regional economy. I-O models can be used to create multipliers to estimate the change in output, income, and employment across industries due to a change in inputs in one or more specific industries. The Office of Financial Management produced an I-O model and the related multiplier tables for many decades based on a combination of survey data and external data sources. It is updated every five years.</p> <p>Committee revenue staff will create a Senate version of an Input-Output multiplier table/model that is based on federal economic data, but regionalized to the state of Washington.</p> |  |

| <b>Vendor Rates – Review and Analysis</b>  |                                |
|--|--------------------------------|
| Completion Date: December 2024   | Staff: James Kettel (786-7459) |
| <p>In fiscal year 2024, OFM submitted a report describing vendor rates within the Department of Social and Health Services, the Department of Children, Youth and Families, and the Department of Corrections. Committee staff used this report as the launching point for a broader analysis of other agencies. The analysis described services provided, recent rate changes, rate methodology, base budget, and other key variables. The goal is to provide a reasonably comprehensive picture of contracted services in advance of the 2025 session.</p> |                                |
