

What do we want?

29

30

Formation of national Farmworkers Association, forerunner of UFW 1962

To have healthy working conditions, to live in dignity and be paid fairly for our work, and to have control over our lives. We must have proper medical care, education, and time to enjoy life.

going to have to share with us from now on.

We do the work, the growers get rich. That's not right. They're
