Summary

The League of United Latin American Citizens is releasing a targeted request for proposals to LULAC Councils and allies to provide various immigration services to community members in partnership with the Hispanic Federation. The selected councils/agencies will receive a \$40,000.00 grant to provide:

- 1) General outreach/education
- 2) History and civic classes / ESL
- 3) Naturalization application assistance;
- 4) Deferred Action for Childhood Arrival application assistance; and
- 5) Family-based petition application assistance [+ General Victims Category (U and T visas and VAWA) with LULAC approval].

All programs are to be conducted over the span of one calendar year (8 months of programming minimum).

LULAC's goal is to provide immigrant integration services to immigrants who have limited access to support systems and services. **The deadline to submit a proposal is Friday, January 15, 2016.**

Background

Throughout our country's history, immigrants have contributed immensely to our culture, our economy, our defense and our national pride. Almost all citizens of the United States are immigrants or the descendants of immigrants and each new generation of immigrants has reinvigorated our nation with the values and work ethic that has made America great. Our common experience has demonstrated that immigration is good for America, whether your ancestors arrived before the Declaration of Independence or just a generation ago.

RFP DESCRIPTION

Through a generous grant from the Walmart Foundation, LULAC in partnership with the Hispanic Federation (HF) has launched the Hispanic Immigrant Integration Project (HIIP). HIIP seeks to increase the availability of immigrant integration assistance programs available to low-income, immigrant, Spanish-dominant and otherwise underserved Latinos living in **Arizona, California, Indiana, and Texas.**

In addition to HIIP funding, LULAC will provide LULAC Councils and allies with training and ongoing assistance in program best practices, design and implementation. LULAC will also serve as a hub for inquiries and referrals for participating Councils and allies.

Grantees of LULAC's HIIP initiative will be accountable for successfully completing the following deliverables:

- ▲ **OUTREACH EDUCATION** TO 800 INDIVIDUALS VIA FLYERS, POSTERS, NEWSLETTER, COMMUNITY FORUMS, AND NEIGHBORHOOD CANVASSING.
- ▲ **ENROLLING 100 STUDENTS** IN THE ESL/HISTORY/CIVICS COURSE, WITH AT LEAST 90 STUDENTS COMPLETING THE PROGRAM;
- ▲ **SCREENING 200 INDIVIDUALS** FOR CITIZENSHIP ASSISTANCE, WITH A TOTAL MINIMUM COMPLETION OF 150 APPLICATIONS;

- ▲ **SCREENING 125 INDIVIDUALS FOR DEFERRED ACTION FOR CHILDHOOD ARRIVALS, WITH A TOTAL MINIMUM COMPLETION OF 60 APPLICATIONS;**
- ▲ **SCREENING 90 INDIVIDUALS FOR FAMILY-BASED PETITIONS, WITH A TOTAL COMPLETION OF 45 APPLICATIONS.**

APPLICATION GUIDELINES

In order to provide immigrant immigration services to the target population and region, LULAC is requesting a 2 to 4 page proposal. To be considered, the proposal and a completed application (below) must be received by **Friday, January 15, 2016.** See proposal specifications in the box to the right.

In order to provide the best quality of immigration services, Councils and allies sub-granted under the program will be required to maintain the following procedures:

- **Outreach, Selection and Wait List Policy:** Programs must employ a variety of outreach and recruitment strategies in order to ensure that eligible participants are aware of program services. Programs are expected to maintain an active waitlist for applicants who are unable to enroll in classes or cannot be provided application assistance services immediately due to capacity constraints.
- **Intake:** Programs must have a formal process in place for conducting participant intake. Programs must ask each participant to provide his/her ID and contact data, and to sign a release of information form for follow-up purposes.
- **Orientation and Placement (for Civics Classes):** Ideally before classes start, but no later than one week after class launch, programs are expected to provide all participants with an orientation to explain the attendance policy, class participation, counseling services, rights and responsibilities, and basic rules and regulations. Programs must ensure that all participants understand the information provided at orientation. At a minimum, programs are encouraged to have a written process for administering and scoring pre-and post-tests.
- **Quality Control Procedures:** All Councils and allies subgranted under this program must demonstrate an orderly procedure of maintaining records in a confidential manner.

***PROPOSAL MUST INCLUDE**

- ▲ **ORGANIZATION DESCRIPTION**
A brief description highlighting your Council/Organization’s work and experience providing immigrant services.
- ▲ **NEEDS STATEMENT**
A needs statement highlighting population served and why they meet the criteria of the stated target population.
- ▲ **PROGRAM PROPOSAL**
