

Annual NWS customer satisfaction survey underway

NOAA's National Weather Service (NWS) is undertaking its annual survey of customers. Here's your opportunity to provide your valuable input to help the NWS better serve the needs of the public

Here's the link: https://cfigroup.qualtrics.com/SE/?SID=SV_bCyQV2ZNIa8IRNj&LOC=1

It only takes only 20 minutes to complete and you don't have to finish it all at once.

There are additional sections covering Climate, Fire Weather, Hydrology, and Hurricane Services, and you are encouraged complete one or more of them.

We value your opinion and hope that you take advantage of the opportunity.
