Only ordinances reviewed and analyzed by ANR Foundation staff using standardized criteria are included on these lists. Omission of a particular ordinance may be the result of differences of opinion in interpretation, or because staff has not yet analyzed the ordinance.

ANR Foundation maintains a database of over 20,000 tobacco control laws in nearly 6,000 communities. We catalog laws regulating smoking and vaping in public places, e-cigarette and marijuana sales, and more. We work hard to get our data to researchers doing good work. For information about licensing our datasets, contact TobaccoLawsDatabase@no-smoke.org.
