**Only laws reviewed and analyzed by ANR Foundation staff using standardized criteria are included here. Omission of a particular law may be the result of differences of opinion in interpretation, or because staff have not yet analyzed the law.**

ANR Foundation maintains a database of over 20,000 tobacco control laws in nearly 6,000 communities. We catalog laws regulating smoking and vaping in public places, e-cigarette and marijuana sales, and more. We work hard to get our data to researchers doing good work.
