### Video Content

Proposed Title:

Theme:

Fix the Ocean    Marine Life    Exploration    Research    Go Fish    Danger Zone

Identify core educational or take-away message:

### Narrative

(Write an outline describing what the audience will see and the message the story will convey.)

List source materials and format:

## Educational Goals and Ocean Literacy Principles

Earth has one big ocean with many features.

Enhance ocean literacy among museum-goers through multimedia offerings.

The ocean and life in the ocean shape the features of Earth.

Visitors will be more aware of ocean issues in the news.

The ocean is a major influence on weather and climate.

Visitors will understand that ocean events are relevant to their lives.

The ocean makes Earth habitable.

Visitors will be able to identify and explain the importance of two ocean related topics

The ocean supports a great diversity of life and ecosystems.

Provide timely content on current and foundational ocean topics.

The ocean and humans are inextricably linked.

Provide a diversity of highly visual content.

The ocean is largely unexplored.

Provide content that complements the Ocean Hall and the Ocean Web Portal.
