

A Message from University of Kentucky

**PRESIDENT ELI CAPILOUTO**

Dear Students,

As we move forward into the spring semester, we want to make one thing abundantly clear:

We care about you.

That's why we're asking you to keep protecting and respecting each other, by engaging in healthy behaviors. That's why we're continuing with ongoing testing. That's why we have faith in our ability to get through this together.

We saw you come back for a successful and safe first week of classes. You engaged with your faculty, built community with your peers and found new ways to make the best of this unprecedented time.

Your perseverance and compassion are sources of hope for me.

I know we all will look back on this time, knowing we did everything we could to care for those around us. Thank you for everything you do.

Eli Capilouto  
President
