3. Was this research impacted by the COVID-19 pandemic (i.e. university shutdowns and/or restrictions, reduced or lack of support personnel, etc.)? If yes, please explain how this research was impacted or is continuing to be impacted.

Yes. For the safety of our participants/attendees, the USWBSI Executive Committee decided to hold the 2021 FHB Forum virtually using a video teleconferencing platform (Zoom) rather than in-person events. This meant that for the second time, the USWBSI had to cancel the contract with the same hotel again for 2021.

4. What opportunities for training and professional development has the project provided?

Nothing during this period.

5. How have the results been disseminated to communities of interest?

Information is disseminated through the USWBSI's list serves, website, emails, blogs, FHB-alerts, on-line articles, twitter feeds, LinkedIn, Forum proceedings, press releases and newsletters.
