

Project Abstract

Project Title:	USDA-ARS Special Request for Administrative Support	
Principal Investigator:	Tim Widmer	USDA-ARS

This project is in support of the USDA-ARS's Grants and Agreements Management Branch (GAMB). The USDA-ARS GAMB processes all of the USWBSI annual agreements. This one-year project provides additional administrative support for processing and execution of agreements for the current funding cycle. This process includes data entry, any back and forth discussions, reviews, and follow ups.
