

# Step 1: Review Conditions

Creators choose a set of conditions they wish to apply to their work...

**Attribution.** You let others copy, distribute, display, and perform your copyrighted work – and derivative works based upon it – but only if they give credit the way you request.

**Non-Commercial.** You let others copy, distribute, display, and perform your work – and derivative works based upon it – but for noncommercial purposes only

**No Derivative Works.** You let others copy, distribute, display, and perform only verbatim copies of your work, not derivative works based upon it.

**Share Alike.** You allow others to distribute derivative works only under a license identical to the license that governs your work.

# Step 2: Select License

...resulting in a license that indicates how others may use it.
