

# How to Login to UA Zoom via Zoom mobile app

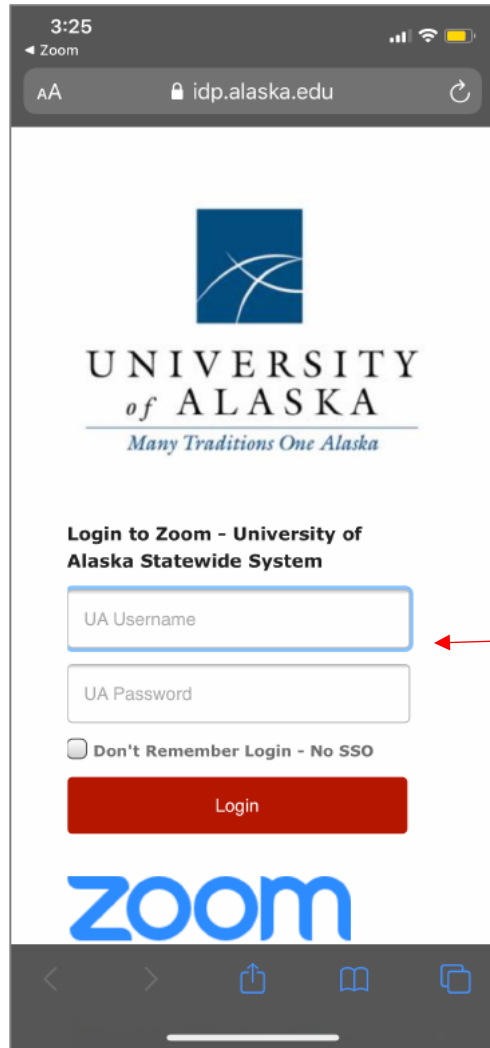

Download the ZOOM Cloud Meetings app and log in through SSO (Single Sign-on) to access your UA account.

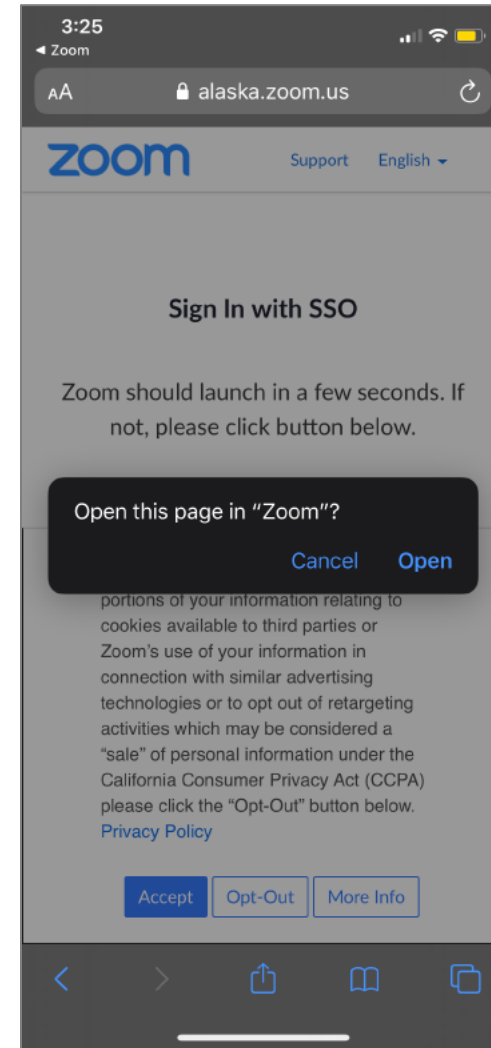

Enter "alaska" in the company domain.

# How to Login to UA Zoom via Zoom mobile app

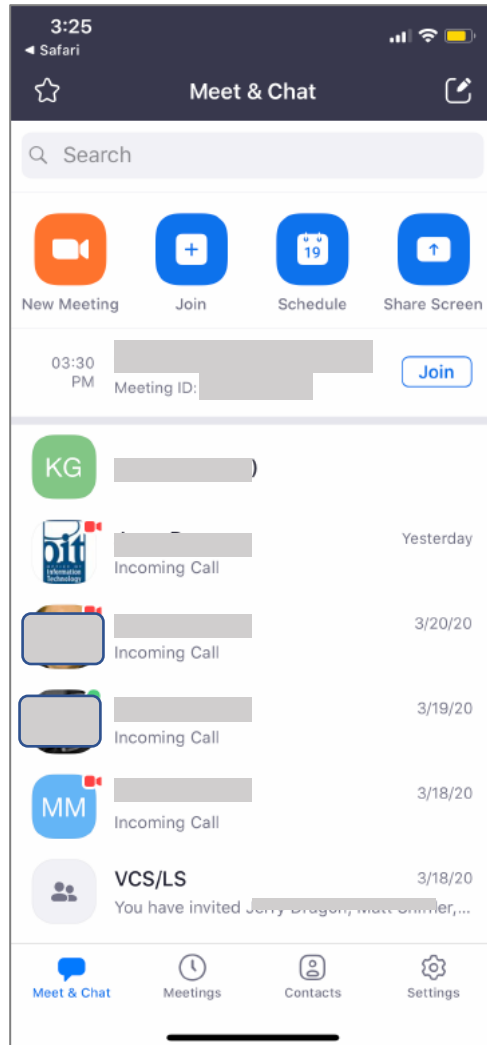

This will open a webpage to log in with your UA username and password to access your pro Zoom account.

Select Open to log into the Zoom app with your UA account information.

# How to Login to UA Zoom via Zoom mobile app

You are now in your UA Zoom account and can Start a New Meeting, Join a meeting via ID number, Schedule a new meeting, or Share your mobile screen with a meeting.

Here you can access your Profile, Scheduled Meetings, Contacts and Settings.
