Summary of Open Office Hours

Common Themes

Will the June 30, 2024, deadline move again? Will there be another memo?

If agencies submit transfer requests before the deadline, will NARA accept records after the deadline?

Please tell me more about how to get an exception.

My agency has to create paper records for legal reasons. What should agencies do?

More Themes

Agencies have temporary inactive paper records stored in offices. If we haven't digitized the records before the deadline, do we need an exception?

Now that we've digitized so many permanent records, how should we transfer them to NARA?

Analog format "accretions" to current holdings will be accepted into the FRCs after the deadline. What does that mean? What is the difference between an accretion and a new transfer?

More Themes

NARA hasn't issued digitization standards for film records yet. What should agencies do?

Will there be any exceptions for classified records?

Will there be any exceptions for employee records, including personnel files and medical files?
