

BEA Advisory Committee Meeting

November 13, 2020

Session: Measuring the Small Business Economy

BEA will continue to leverage its expertise and add value during and after the COVID-19 pandemic. We welcome your feedback and suggestions on areas for further work.

Full Committee Discussion Questions:

- What are your ideas for other supplemental materials BEA can provide?
- Do you have suggestions for research and longer-run initiatives in light of COVID-19 developments?
- What other innovations do you think BEA can support, especially looking toward economic recovery?
