

KRHA's Immunize Kentucky Coalition Childhood Vaccine Forum

Increasing awareness through
trusted & meaningful
discussions.

Visit our community forum, a collaborative effort by the Immunize Kentucky Coalition and the Kentucky Rural Health Association. This forum is designed to facilitate discussions and provide information regarding childhood vaccines.

IKC has partnered with providers across Kentucky to be a trusted resource for you.

Our providers are from Lewis County, Grayson County, Muhlenberg County, Calloway County, Powell County, Boone County, Fayette County, McCracken County, and Boyle County.

How to use our Childhood Vaccine Forum:

- **Scan the QR code or go to immunizeky.org and select Vaccine Forum**
- **Create an account** - once an account is created and authorized by the IKC team you can start using our forum
- **Please Review our Forum Disclaimer & Forum Rules**
- **Select Create New Post**
- **Select a category:**
 - **Ask The Provider** - ask a question and get an answer from our Kentuckian providers
 - **General Discussion/updates** - tell us your story or start a conversation
- **Once created, your post will go under our review process.** The IKC team will notify you whether your post has been accepted or denied due to community guidelines.
- **Accepted post will be reviewed and answered by one of our local providers!**
