**EXECUTIVE SUMMARY: MISSION**

The mission of the U.S. Department of Commerce (DOC) is to create the conditions for economic growth and opportunity for all communities. The DOC promotes job creation and economic growth by ensuring fair and reciprocal trade, providing the data necessary to support commerce and constitutional democracy, and fostering innovation by setting standards and conducting foundational research and development. Through its 13 bureaus, the Department works to drive U.S. economic competitiveness, strengthen domestic industry, and spur the growth of quality jobs in all communities across the country. The Department serves as the voice of business in the Federal Government, and at the same time, the Department touches and serves every American every day.

Innovation, equity, and resilience. These three concepts drive our work at the U.S. Department of Commerce, and they're crucial to our overarching goal of improving America's competitiveness in the global economy.

The Department fosters the innovation and invention that underpin the U.S. comparative advantage. Its scientists research emerging technologies such as quantum computing and artificial intelligence (AI). Companies use NIST and NTIA laboratories to conduct research and development (R&D). NOAA advances R&D of the commercial space industry and climate science. USPTO's intellectual property (IP) protections ensure American innovators profit from their work.

This DOC Management Directive 715 Annual Report and Plan was prepared in accordance with the U.S. Equal Employment Opportunity Commission (EEOC) laws and authority governed under the auspices of Section 717 of the Civil Rights Act of 1964, as amended; the Reorganization Plan No. 1 of 1978, Executive Order 11748 and Section 501 of the Rehabilitation Act of 1973, as amended. The Report and Plan demonstrate the agency's commitment to equal employment opportunity and pursuit towards a Model Equal Employment Opportunity (EEO) Program.

The Department's Office of Civil Rights (OCR) is the designated office responsible for implementing the agency's overall continuing affirmative employment program to promote equal employment opportunity and to identify and eliminate discriminatory practices and policies. Throughout the year, OCR collaborates with the bureau-level EEO and Civil Rights Offices, as well as key stakeholders, to review DOC's workforce data, policies, practices, and programs to identify and remove barriers to EEO while ensuring that each organization is free of discrimination, harassment, retaliation, or reprisal.

**EXECUTIVE SUMMARY: ESSENTIAL ELEMENT A-F**

Agencies are required to conduct an annual self-assessment to determine whether their overall EEO program is properly established and compliant with the six essential elements (standards) set forth in MD-715. PART G, Agency Self-Assessment Checklist, sets forth the minimum requirements for a model EEO program. Using the 156 compliance measures in Part G, **DOC was 84% compliant** (See Part G), which is a 3% increase in compliance from FY21 (81%).

The EEOC instructed agencies if any sub-components answers "No" to a particular question, the agency-wide/parent agency's report should also reflect "No" for that question. Below is a breakdown of the deficiencies, including those identified by the bureaus. PLEASE NOTE: Some Bureaus may have made changes to their FY22 MD-715 reports (particularly Parts G, H, I and J) subsequent to the development of this report.

**Essential Element A: Demonstrated Commitment from Agency Leadership (71% Compliant)**

- 14 Measures with 4 Deficiencies:

**Essential Element B: Integration of EEO into Agency's Strategic Mission (79% Compliant)**

- 39 Measures with 8 Deficiencies:

**Essential Element C: Management and Program Accountability (86% Compliant)**

- 44 Measures with 6 Deficiencies:

**Essential Element D: Proactive Prevention of Unlawful Discrimination (71% Compliant)**

- 14 Measures with 4 Deficiencies:

**Essential Element E: Efficiency (91% Compliant)**

- 33 Measures with 3 Deficiencies

**Essential Element F: Responsiveness and Legal Compliance (100 % Compliant)**

- 12 Measures with 0 Deficiencies

**EXECUTIVE SUMMARY: WORKFORCE ANALYSES**

DOC recognizes that continuous data analysis is key to identifying effective practices and areas of opportunity. Throughout the year, the Department conducts workforce analyses to devise data driven strategies and approaches to ensure equality of opportunity, as it strives to build a diverse, engaged, high-performing workforce and inclusive work environment to accomplish its mission.

MD 715 requires Federal agencies to analyze workforce data using the MD 715 workforce data tables to identify “triggers” or disparities in comparison to various established benchmarks (i.e., Civilian Labor Force). When an EEO group’s comparison rate is lower than an established benchmark rate, MD 715 requires agencies to investigate these triggers and identify the root cause(s) for the disparity. If during the investigation a barrier is found, the agency must develop a corrective plan to eliminate the barrier. EEOC requires analysis of the permanent workforce data.

This section contains a summary of the workforce analyses conducted in accordance with MD-715 instructions and based on available workforce data for DOC. **Definition of terms used in this section of the report can be found in Appendix A.**

**DOC WORKFORCE ANALYSIS**

In Fiscal Year 2022 (FY22), the Department of Commerce had **46,692 total employees**, with **41,135 in the permanent workforce** and **5,557 in the temporary workforce**. Our analysis will focus solely on the permanent workforce.

A review of workforce data revealed there were 41,135 permanent employees in FY22. Of that number 23,295(56.6%) were male and 17,840 (43.4%) were female. The Ethnicity and Race Indicator (ERI) breakdown is as follows:

- 1,182 (2.87%) Hispanic males; 1,154 (2.81%) Hispanic females
- 15,608 (37.94%) White males; 9,961 (24.22%) White females
- 2,518 (6.12%) Black males; 4,171 (10.14%) Black females
- 3,703 (9%) Asian males; 2,228 (5.42%) Asian females
- 50 (.12%) Native Hawaiian or Other Pacific Islander males; 43 (.10%) Native Hawaiian or Other Pacific Islander females
- 138 (.34%) American Indian or Alaska Native males; 153 (.37%) American Indian or Alaska Native females
- 96 (.23%) Two or more races males; 130 (.32%) Two or more races females

Using the National Civilian Labor Force (NCLF) and Inclusion Rate (IR) as the benchmarks for gender, race, ethnicity; and the Federal Goal as the benchmark for person with disabilities, the following groups are not represented at their expected participation rates in the DOC permanent workforce:

- Females: 90% IR or a minimal disparity (10%)
- Hispanic males: 41% IR or marked disparity (59%)
- Hispanic females: 44% IR or marked disparity (56%)
- White females: 76% IR or marked disparity (24%)
- People with Disabilities: 91% IR or minimal disparity (9%)

EXECUTIVE SUMMARY: WORKFORCE ANALYSES

A review of DOC's permanent workforce data by sex, race, national origin, and disability, revealed that in FY22, the following groups had a lower-than-expected *participation rate* in comparison to the Civilian Labor Force benchmark:

Females (in the aggregate)  
Hispanic males and females  
White females  
People with Disabilities (PWD)

**Review of Mission Critical Occupations (MCOs) Data**

Using the EEOC's definition of MCO<sup>[i]</sup>, DOC has 10 MCOs that make up 55% of the permanent workforce on any given year and comprise occupations that are present in most Bureaus. Out of these 10 MCOs, Females comprise 37.2% and Males 62.8%. **The 10 MCOs are listed below.**

A review of the Inclusion Rate (IR) for DOC's top 10 Mission Critical Occupations (MCOs) revealed **marked disparities** for the following groups when compared to the Occupational Civilian Labor Force (OCLF) benchmark:

0301 Misc Administration & Program

Males (aggregate); Hispanic males & females; White males and females; AIAN males

0343 Management & Program Analysis

**Review of Leadership Pipeline Data (Senior Grades GS-13 to SES)**

A review of the data for Senior Grade Levels by sex, ERI and disability revealed **marked disparities** for the following groups when compared to their participation rate in the Permanent Workforce benchmark:

GS-13: Females (aggregate); Hispanic Females; White females; Asian males, Native Hawaiian or Other Pacific Islander males and females, American Indian or Alaska Native males and females

GS-14: Females (aggregate); Hispanic Males and females; Native Hawaiian or Other Pacific Islander females; American Indian or Alaska Native males and females

GS 15: Females (aggregate); Hispanic Males and females; White females, Black males and females; Asian males and females; Native Hawaiian or Other Pacific Islander males; American Indian or Alaska Native females

SES: Females (aggregate); females in every EEO group (except White females) ; Black males; Asian males; AIAN males

PWD: GS-11 to SES (PWD have a consolidated Federal goal of 12% at the GS-11 to SES level)

(Source: Table A4 and B4 of the DOC workforce data tables)

**Analysis of Recruitment and Retention data for Cross-Cutting Triggers: PWD, Hispanics and Women**

Hispanics females had slight increases in hiring/selection rates. However, Hispanic females are still leaving at higher rates than they are entering the Department. This may indicate a potential barrier in the promotion process. Analysis of Internal Promotion data could not be completed due to unavailability of the Applicant flow data. This is identified as a deficiency in Part H-6.

Women separated from the Department at slightly lower rate than they were hired, in FY 22 45% of new hires were women 55% were Male. In FY22 women separated at a rate of 44%, males separated at a 55% rate.

PWD and PWTD had an increase in participation rates at both the GS 1-10 and GS 11-SES levels. However, the participation rate for PWD at GS 11-SES is still below the Federal Goal of 12% (10.11%). Additionally, PWD are still leaving the agency at higher rates than Persons without disabilities. (See Table A1 and B1).

**EXECUTIVE SUMMARY: WORKFORCE ANALYSES**

Analysis of New Hire selection and Internal Promotion data could not be completed due to inaccuracies in the Applicant Flow Data. This is identified as a deficiency in Part H-6.

The lack of data about who participates in the Department's Career Development Programs (CDP) continues to be a challenge for the Department. Without accurate data about who participates in these programs (when they exist), the Department is unable to identify whether all groups are participating in such programs and the potential impact of these programs to career advancement.

Top 5 Best Places to Work in the Federal Government

On March 2023, the Partnership for Public Service released the special edition of the 2022 Best Places to Work in the Federal Government providing the rankings of the top 10 agencies in four categories—large, midsize and small agencies, as well as agency subcomponents. The rankings, which measure whether employees would recommend their agencies as good places to work and whether they are satisfied with their jobs and organizations, are produced by the Partnership for Public Service and Boston Consulting Group. This early release was provided in collaboration with The Washington Post

Department of Commerce ranked 4th. The Best Places to Work rankings shine the spotlight on agencies that are successfully engaging employees, provide a means of holding federal leaders accountable for the health of their organizations and provide insights for job seekers considering federal employment. At the same time, leaders across government can learn from those agencies that are excelling to help improve their own organizations with the goal of providing first-rate service to the public. Full rankings with more information will be released April of 2023, these results will be included in FY 23 report.

Executive Order 14035, "Diversity, Equity, Inclusion, and Accessibility in the Federal Workforce"

This year the Department of Commerce (DOC) was pleased to roll-out the Diversity, Equity, Inclusion and Accessibility Strategic Plan 2022–2024. Additionally, the Department stood up the DOC Equity (DEIA) Council and charged it with elevating equity/DEIA across the enterprise. The Council identified four specific priority workstreams: the Internal Workstream (focused on the DOC workforce and DEIA internally), External Equity (equity in service delivery and outreach to Underserved Communities), Infrastructure to support Equity/DEIA and Measurement (to help ensure the Department is making measurable progress). All the workstreams are being launched and working hard to complete priorities for Fiscal Year 2023 and beyond.

ACCOMPLISHMENTS BY BUREAU

The DOC is comprised of 12 bureaus: Bureau of Economic Analysis (BEA), Bureau of Industry and Security (BIS), U.S. Census Bureau (Census), Economic Development Administration (EDA), International Trade Administration (ITA), Minority Business Development Agency (MBDA), National Institute of Standards and Technology (NIST), National Oceanic and Atmospheric Administration (NOAA), National Technical Information Service (NTIS), National Telecommunications and Information Administration (NTIA), U.S. Patent and Trademark Office (USPTO), and Office of the Secretary (OS). The following is a compilation of Bureau and Department-wide accomplishments undertaken in FY22 to implement the six essential elements of a Model EEO Program. This includes accomplishments in correcting identified program deficiencies (Parts G and H) and implementing planned activities to address identified triggers and barriers (Parts I and J). Please see individual Bureau FY22 MD 715 reports for more details on accomplishments and planned activities.

Office of the Secretary

• Diversity, Equity, Inclusion and Accessibility (DEIA)

Development and Implementation of External Equity and Internal DEIA Plans; Established 205 DEIA-related actions spread across six goal areas and completed 83% (35 of 42) of DEIA Plan actions for FY22; developed a first-in-kind Equity Action Plan Implementation Plan, tracking 94 Equity-related actions spread across six goal areas spanning up to seven fiscal years. Restructuring of Equity (DEIA) Council with a focus on implementation, coordination, monitoring, and measuring success; expanded membership and aligned activities to four workstreams comparable to the Council's North Star Principles. Updated Web Presence with separate web pages for the Equity (DEIA) Council and "How You can Support DEIA" with video content from the Secretary and Deputy Secretary, transfer of legacy OHRM DEIA content to OCR, and launch of CDO Blog.

• Reasonable Accommodation Tracker- In July 2022, the Office of Civil rights launched ENTELLITRAK Reasonable Accommodation (ETK RA). ETK RA is a web-based software application used for submitting and tracking reasonable accommodation requests through all phases of the RA process. It is designed to increase speed, uniformity, and transparency in the process. Utilizing ETK RA, employees can submit an online request for reasonable accommodation, and then monitor

and track the status of their request throughout the process.

Minority Business Development Agency (MBDA)

- On November 15, 2021-Secretary of Commerce Gina M. Raimondo announced The Minority Business Development Agency was permanently authorized in a bipartisan infrastructure deal. This action allows the Agency to increase its programs and outreach to the Nation's more than 9 million minority-owned businesses. "President Biden has made clear his commitment to not just rebuilding to how things were before COVID-19, but to building back better and more equitably," said U.S. Department of Commerce Secretary Gina M. Raimondo. Making MBDA a statutory Agency provides MBDA with the authorities, workforce and resources needed to help level the playing field on behalf of minority businesses and minority entrepreneurs." "The Department of Commerce and MBDA play a pivotal role in promoting the growth and competitiveness of minority-owned businesses," said U.S. Department of Commerce Deputy Secretary Don Graves. "This legislation is transformative and signifies a new era in minority business development and progress toward addressing the long-standing racial disparities in access to capital, contracts, and business ecosystems." The Minority Business Development Act of 2021 is one of the most significant pieces of legislation impacting the minority business community in the last 50 years. The bill expands the geographic reach of the MBDA by authorizing the creation of regional MBDA offices, rural business centers, and increasing the number and scope of existing programs.

International Trade Administration (ITA)

- In FY21, ITA established a Diversity and Inclusion Working Group (DIWG) to sustain and enrich ITA's culture, workforce, and programming. The end result of this group was the inauguration of the Diversity and Inclusion Advisory Council also known as the DIAC (FY21 accomplishment). DIAC members leverage, implement, and model diversity and inclusion best practices and processes across business units. Its predecessor, the Diversity and Inclusion Working Group, started in the wake of civil unrest in 2020, held multiple listening sessions and met with senior leadership to discuss various issues related to race. In FY22, ITA created its first ever Diversity week where all ITA employee were invited to attend a series of over 8 unique topical sessions presented by employees, senior leadership, and external speakers. Topics included unconscious bias, equality, mental health, and accessibility. Regarding ITA's Hispanic population, ITA continues to make progress by increasing its Hispanic representation. In FY22, ITA established a D&I Strategic Plan to guide their activities across ITA. In FY22, 14.28% of new hires were Hispanic, which increased ITA's Hispanic Participation Rate by .52 percentage points (7.69% in FY21 to 8.21% in FY22). The American Indian/Alaska Native Participation Rate increased from .38% (FY21) to .43% (FY22) which is well above the CLF of .16%.

Census

- Director Robert Santos embarked on a six-month community outreach campaign across America. Efforts focused on sustaining and expanding corporate and community partnerships. From July through December 2022, the Director visited 20 places, and participated in 125 engagements. Director Santos hosted conversations on the 2020 and 2030 decennial censuses, held meet-and-greets at Census Bureau Regional Offices, and conducted tribal consultations, federal/state and community partnership meetings, DEIA convenings, and media outreach. Audiences varied widely and included Census Bureau staff, advisory committees, community organizations, professional organizations, colleges and universities including Historically Black Colleges and Universities (HBCUs), data users and researchers, Congressional members and staff, and State, Local, and Tribal Governments.

- EEO/DEI participated in the cross – collaboration team for the Women in the Workplace. There were several parts to the FY2022 Women in Workplace data study, the data submission, and the cultural assessment. Women in the Workplace is the

largest study of women in corporate America. The effort analyzes the representation of women in corporate America (including the federal government), provides an overview of Human Resources policies and programs, including leaders' responses regarding the most effective diversity, equity, and inclusion practices. The study also explores the intersectional experiences of different groups of women at work. The data set this year reflects contributions from 423 participating organizations, which employs 12 million people and more than 65,000 people surveyed on their workplace experiences; in-depth interviews were also conducted with women of diverse identities, including women of color, LGBTQ+ women, and women with disabilities.

- EEOI led the inter – departmental team for Executive Women in Motion (EWIM). The team was comprised of employees from the Census Bureau, Bureau of Economic Analysis, Department of Education, and Office of Personnel Management. EWIM is a leadership development program for Federal employees for employees GS-13 and above. EWIM's mission is to promote the advancement of women, men, and gender - nonconforming employees to the Senior Executive Service through (SES) mentoring, collaboration, and knowledge sharing. This year's program was delivered in two phases (Tuesday, September 13th and Tuesday, September 20th). A total of 23 Senior Executives from across the federal government participated: as well as 215 interested employees.
- Equal Employment Opportunity, Diversity & Inclusion office (EEOI) successfully completed the Census Bureau's first Standard Operating Procedures for Civil Rights Impact Analysis (CRIA). The CRIA is an analytical process used by civil rights subject matter experts to determine the scope, intensity, direction, duration, and significance of the effects of an agency's proposed employment and program policies, actions, and decisions.
- Application Development and Service Division ADSD hired a 508 Subject Matter Expert (SME) to assist with developing and maintaining agency policies, guidance, and best practices. The Section 508 SME will lead initiatives to advance program maturity and focus on providing technical guidance, compliance testing, accessibility issue management, and governance support.
- The Chicago regional office continued work in identified geographies where the data represent the diverse communities within the region and hosted recruiting sessions at the Census tract/zip code level to reach these communities. This quarter the RO completed five recruiting sessions in strategic areas resulting in 46 (1st Quarter), 30 (2nd Quarter), 98 (3rd Quarter) applicants and job offers were made to 10 candidates that represent the prevailing languages spoken in our region. During the 4th Quarter the office focused recruiting activities in strategic areas resulting in 190 applicants that represent the prevailing languages spoken in our region. Of the 190 applicants, job offers to 24 bilingual/multilingual candidates.
- Reasonable Accommodations - To ensure equal opportunity for all employees, National Processing Center (NPC) completed the following activities: Term was extended for a full-time American Sign Language (ASL) interpreter through 2023. The ASL interpreter completed ~250 individual assignments in FY2022 and coordinated the requesting process, scheduling, access, security, and supervision of contract interpreters.

**USPTO**

- In FY22, the USPTO hired 626 new patent examiners in the 1224 series, of which 37.22% were women.
- In FY22, 8.15% of new hires to the patent examining series were Hispanic or Latino.
- Out of the 8 internal SES hires in FY22, one (12.50%) was Asian.
- In FY22, the following branching question was added to the USPTO exit survey:

Do you have a disability? If you answered "Yes": While you were at the agency, did you ever have an experience where you did not feel included in an agency or activity or program because of your disability?

- Persons with disabilities are applying to and being selected for career development programs at a rate higher than their participation in the agency.
- When compared with graduates of bachelor's programs in engineering, women were well represented in the Patent Examiner

series (1224) in FY21. In the U.S., women represent about 22% of graduates from Bachelor's programs in engineering. Department of Labor statistics indicate that 15% of Engineering positions and 27% of STEM positions in the civilian labor force are filled by women. At the USPTO, employees in the Patent Examiners in series 1224 are 29% women.

- In FY22, the USPTO hired 626 new patent examiners in the 1224 series, of which 37.22% were women.
- In FY22, 8.15% of new hires to the patent examining series were Hispanic or Latino.
- Out of the 8 internal SES hires in FY22, one (12.50%) was Asian.

**NIST**

- NIST approved funding to establish a new Strategic Recruitment Program Manager position within OHRM, which the agency expects to fill in FY 2023. This position will be responsible for partnering with customers and stakeholders on strategic recruitment initiatives to improve the agency's ability to attract and recruit a highly qualified and diverse workforce by building partnerships with colleges and universities, as well as professional, technical, vocational, and trade schools to help address workforce challenges.
- OHRM also received funding to continue strategic hiring initiatives involving the use of LinkedIn Recruiter and Textio. LinkedIn Recruiter is a tool designed to help organizations improve the quality and diversity of candidate pools by allowing hiring managers to proactively search and engage with candidates using one of LinkedIn's many advanced search filters.

NIST hosts webinars, posts blogs, and leverages social media to market available opportunities with the agency. Prior to the pandemic, the agency hosted campus tours. The best practices described in the report titled "NISTIR 8371 Promising Practices for Equitable Hiring: Guidance for NIST Laboratories" provides a roadmap for hiring both part-time and full-time positions. This report targets STEM-related positions; however, its recommended practices can extend to other career tracks as well, which will help the agency to achieve greater equal employment opportunities, improve innovation, and find top talent using evidence-based intervention strategies.

- NIST strives to build a flexible and family-friendly work environment to bring out the best in employees – while recognizing its responsibility with helping employees to balance life at home and at work.
- The agency is working with its ERGs, such as ParentsNet, WiSTEM, and the Lactation Support Group, to investigate the cost-benefits of offering a backup care program as an additional flexibility for employees who serve as caregivers. NIST has 30 employee resource groups and/or working groups which are based on affinity across identities and/or interests.

**NOAA**

- There are many examples of the activities that display the collective leadership commitment to DEIA. One example is the development and updating of individual office DEIA Plans throughout NOAA. Another example is the collaboration with OICR on the development of a new NOAA DEIA Plan. Leaders further demonstrate their commitment to DEIA by attempting to gain insights into the perspectives of their employees through the use of Organizational Climate Assessments provided either by OICR or independently through contractors. Allocation of funds for DEIA specific training such as "Implicit Bias Training for Hiring Managers" and others was another example of leadership's commitment to supporting and ensuring that employees complete all mandatory EEO Compliance Training. Operating units throughout NOAA also updated their office-specific Anti-Harassment Policy Statements with leadership support.

Department of Commerce

For period covering October 1, 2021 to September 30, 2022

**EXECUTIVE SUMMARY: ACCOMPLISHMENTS**

- Leadership commitment is also being demonstrated through active hiring of employees to directly support EEO and DEIA. For example, National Oceanic Service (NOS) expanded its staff from three employees to six employees in 2022, including the first NOS Chief Behavioral Health Officer. NOAA offices are also formalizing their DEIA offices. National Weather Service (NWS) fully integrated their DEIA program under a new SES-led Office of Organizational Excellence (OOE) in FY22. The staffing levels for the office also increased with the addition of a Communications Specialist, bringing the total level of staffing up to six employees.
- Line offices and their leaders have also participated in and or started their own mentoring programs. An OAR leader received a 2021 Presidential Rank Award for his DEIA Work, which specifically included instituting the first official mentorship program within OAR. He also personally mentored dozens of employees, particularly many women scientists. This leader also created and led an OAR-wide Diversity and Inclusion Advisory Committee (ODIAC), co-chaired NOAA's Executive Diversity and Inclusion Advisory Council, and championed International Women's Day activities yielding an NOAA-leading effort to promote and highlight the broad range of accomplishments by women in the organization.
- National Weather Service deployment of three short-term diversity-centric "Tiger Teams" in July of 2022. Each had the goal of developing recommendations for creating a positive climate that fosters belonging and inclusion across the NWS, along with ideas for creating and sustaining a unified and diverse workforce. In 2022, each of these teams concluded their research and presented their findings and recommendations to NWS leadership. The teams produced a total of 31 recommendations on how to improve the diversity and culture of the organization while enhancing the employee experience. The recommendations uncovered by the NWS Tiger Teams provide a substantial opportunity for the organization to make notable, sustainable changes, which they intend to accomplish through a special Task Force.

Departmental/Office of Civil Rights Collaboration with Employee Resource Groups (ERGs)

- The Department invited an ERG representative to serve on the selection panel for the Department's new Chief Diversity Officer. The ERGs selected Commerce PRIDE to serve on the panel.
- The Department invited Commerce Pride to participate on the DEIA Council's LGBTQ Committee. and the Committee collaborated with OCR to develop a Gender Identity and Gender Expressions Protections Handbook.
- The Department also invited Commerce Pride to offer feedback on proposed actions within the Department's DEIA Strategic Plan, which was completed in March/April 2022.
- OCR partnered with the DOC Asian American Pacific Islander (AAPI) to host a film screening of the life and legacy of former Secretary Norman Y. Mineta and, Secretary Raimondo provided opening remarks.
- First Generation Professionals (FGP) ERG- Building on an initiative launched before the pandemic, and in response to Executive Orders 13985 and 14035, on December 3, 2021, the Commerce First Generation Professionals Employee Resource Group. The HCHB FGP ERG defines "first generation professionals" as one of the first persons in a professional's immediate family to enter the professional work environment. Among other benefits, the ERG will enable to Department to draw upon the knowledge, skills, and diverse life experiences of the first-generation professionals in its workforce, thereby strengthening its mission, and will facilitate the professional development, personal support, and networking opportunities of its members. The HCHB FGP ERG received official recognition and sponsorship from the HCHB Employee Diversity and Inclusion Council (EDIC) Since its launch, the HCHB FGP ERG has conducted outreach and interest meetings within the Department; walked its members through an Earnings and Leave Statement; and presented "How to launch an FGP ERG" to other interested bureaus

**EXECUTIVE SUMMARY: ACCOMPLISHMENTS**

in the Department.

Part G/H Accomplishments

The following is a compilation of Department-wide accomplishments towards correcting deficiencies identified in Part G. See the indicated Part Hs in this report for more details.

- OCR worked with the Office of Performance Excellence Management (OPERM), the Performance Excellence Council, and appropriate staff offices to update the Department's strategic plan for FY 2022-2026 and to incorporate Goal 5.2. "Optimize workforce and diversity, equity, and inclusion practices" into the plan. (See Part H-3)

- DOC established the Department's DEIA Council. The purpose of the Council is to ensure priority is given to implementation of the Executive Order 14035, Diversity, Equity, Inclusion, and Accessibility in the Federal Workforce Strategic Plan (EO 14035). The DEIA Strategic Plan established goals and objectives support MD 715 planned activities and will be included in the FY22 report. (See Part H-3)

Part I Accomplishments: Hispanics/Latinos in the workforce

Hispanic low participation data analysis has driven the recruitment efforts, below are events the department is doing to broaden the applicant pool. Further analysis and review is being conducted to ensure additional efforts and analysis are done in FY23 and beyond to expand recruitment efforts.

The Department continued its long-standing partnerships with colleges, universities, committees, councils, and professional societies that target individuals in underrepresented communities, including the Hispanic Association of Colleges and Universities (HACU), Minority Serving Institute, Capital Region Women in Computing, the National Organization for the Professional Advancement of Black Chemists and Chemical Engineers, Society for Advancement of Chicanos and Native Americans in Science (SACNAS), Society of Mexican American Engineers and Scientists, Operation Warfighter Program, Military Officers Association of America, American Indian Science and Engineering Society, and the Society of Women Engineers (SWE).

During FY22, NOAA participated in three major outreach events focusing on the hiring of Hispanics/Latinos to improve the representation and inclusion of Hispanics/Latinos at NOAA; The League of United Latin American Citizens (LULAC) Conference Expo where NOAA team interacted with over 365 attendees and 89% of those where Hispanics/Latinos, the Society for Advancement of Chicanos/Hispanics and Native Americans in Science (SACNAS) Conference where NOAA team interacted with over 400 attendees and 56% of those where Hispanics/Latinos, the Hispanic Association for Colleges and Universities (HACU), and Supporting Emerging Aquatic Scientists (SEAS) Islands Alliance Project for Hispanic undergraduate students

NOAA's Hispanic Special Emphasis Program Manager established the Hispanic Employment Program Network (HEPN). This newly established group meets quarterly and provides participants opportunities to network, brainstorm, discuss ideas about

Hispanic Emphasis Observance Programs, share resources, and best practices, discuss challenges and barriers preventing retention and recruitment of Hispanics/Latinos, establish partnerships with other Hispanic Employment Program Managers (HEPMs) or HEP Representatives (HEPRs), etc. Open to all Federal Agencies. 45 members currently from around 30 different agencies.

NIST Multiple articles on Hispanic contributions to measurement science published in internal newsletter. In addition to Articles on Hispanic staff published in Commerce newsletter. NIST also held an Exhibition on Hispanic contribution to science showcased in NIST research library.

PTO July 2022, participated in the League of United Latin American Citizens (LULAC) national convention in San Juan, Puerto Rico. The Diversity Program Manager, who is also the chair of the National Council of Hispanic Employment Program Managers (NCHEPM), led and implemented a half-day pre-convention professional development summit for federal Hispanic Employment Program Managers (HEPMs), Special Emphasis Program Managers (SEPMs), and EEO, HR and DEIA practitioners. The Diversity Program Manager was also a workshop presenter during LULAC's Federal Training Institute, and the Agency also participated as an exhibitor during the LULAC Convention Expo

**Part I Accomplishments: Women in Senior Grades (GS-13 to SES)**

Low participation rates pertaining to Women has driven the recruitment efforts, below are events the department is doing to broaden the applicant pool. Further analysis and review is being conducted to ensure additional efforts and analysis are done in FY23 and beyond to expand recruitment efforts.

- Census: In FY 22 Inclusion Rate increase of White Females from 71.99% (FY2021) to 90.45% (FY2022) and Black Females from 34.16% (FY2021) to 51.95% (FY2022) in the Senior Executive Service.

- NOAA's has a Career Development Program is a competitive 18-month leadership development program. Open to GS-11 through GS-15 (and equivalent) levels. It provides a series of training and leadership development experiences for a cadre of NOAA employees who have a high potential for assuming greater responsibilities. The program promotes cross-line, multidisciplinary experiences that broaden participants' understanding of NOAA's strategic vision, mission, and goals, as well as its business processes.

- PTO focused its efforts on low Asian American and Pacific Islander (AAPI) representation in the SES. In FY22, 8 people were selected for a promotion to the SES, and one, or 12.5% was Asian. Of the 88 employees selected for promotions to the GS-15 level, 20.45% were Asian.

**Part J Accomplishments: Persons with Disabilities**

In FY 22, DOC established the following programs, policies, or practices designed to improve reasonable accommodation processing and accessibility of agency facilities and/or technology.

- DOC developed a comprehensive Section 508 collaborative experience on OMB Max. The Department's Section 508 Wiki Site was updated with the goal of being the internal hub for 508 related communications. The site has resources that include the revised federal regulations and requirements that apply to Section 508, training materials such as how to guides, and Section 508 POC's at the Bureau level.

- Improved transparency of Reasonable Accommodation (RA) process. In FY2022, DOC launched a new online RA tracking

system – Entellitrak RA (ETK RA). This secure, web-based application, developed by Tyler Technologies was designed to improve the management and tracking of RA requests. Ultimately, it will increase speed, uniformity, and transparency in the Department's RA process. Employees may submit individual requests into the system. Bureau RA Coordinators and DOC Disability/RA Program Manager are the only DOC personnel with access to view, manage, and develop reports for requests submitted into the system.

**EXECUTIVE SUMMARY: PLANNED ACTIVITIES**

In addition to the corrective actions that the DOC is taking to address its deficiencies, OCR anticipates making strides in several other areas that will assist us in strengthening, monitoring and evaluating the Department's EEO and DEIA programs overall. They include:

- DOC will publish Department-wide Anti-Harassment and Reasonable Accommodation policies and procedures accompanied by supervisor and employee training.
- DOC will utilize contractor support to relaunch the Retention Survey, barrier analysis, and other EEO/DEIA initiatives.
- DOC will develop and implement DEIA Dashboards that will help Departmental and bureau leadership better target their recruitment and career advancement initiatives.
- OCR will develop and implement a DEIA Strategic Plan implementation Dashboard that monitors and tracks the progress of the more than 200+ actions in the DOC DEIA Strategic Plan.
- Consistent with the Framework to Promote Safe and Inclusive Workplaces and Address Workplace Harassment, the DOC will strengthen its Anti-harassment Program and will hire a Departmental Anti-harassment Program Manager.

The OCR Director will meet with the large Bureau EEO/DEIA Directors (ITA, NOAA, NIST, Census and PTO) on a quarterly basis (or more) to discuss bureau progress in addressing the identified in their FY 22 MD 715 Reports.

The agency has conducted an annual self-assessment of Section 717 and Section 501 programs against the essential elements as prescribed by EEO MD-715. If an essential element was not fully compliant with the standards of EEO MD-715, a further evaluation was conducted and, as appropriate, EEO Plans for Attaining the Essential Elements of a Model EEO Program, are included with this Federal Agency Annual EEO Program Status Report.

The agency has also analyzed its work force profiles and conducted barrier analyses aimed at detecting whether any management or personnel policy, procedure or practice is operating to disadvantage any group based on race, national origin, gender or disability. EEO Plans to Eliminate Identified Barriers, as appropriate, are included with this Federal Agency Annual EEO Program Status Report.

I certify that proper documentation of this assessment is in place and is being maintained for EEOC review upon request.

Objectives for EEO Plan

Date Initiated	Target Date	Date Modified	Date Completed	Objective Description
02/11/0019	09/30/2020	09/30/2023		To establish an EEO/DI awards program which will recognize employees, supervisors, managers, and units demonstrating superior accomplishment(s) in EEO and diversity and inclusion. First, establish a pilot awards program for the smaller Department bureaus located in Herbert C. Hoover Building (HCHB) (as larger bureaus have their own awards program). Second, establish a Departmental level EEO/D&I Awards program where the winners from each bureau compete.

Responsible Officials

Title	Name	Standards Address the Plan?
Director, Policy and Evaluation Division	Stacy Carter	Yes
Director, Office of Civil Rights	Larry J. Beat	Yes
Chief Diversity Officer	Junish Arora	Yes

Planned Activities

Target Date	Planned Activity	Sufficient Staffing & Funding?	Modified Date	Completion Date
09/01/2019	Research EEO and D&I recognition programs	Yes		10/24/2019
01/30/2020	Develop award criteria and application template. Determine what type of recognition/award will be provided to winners	Yes		12/15/2020

09/30/2023	Establish an annual DEIA focused award for the Department	Yes		

Accomplishments

Fiscal Year	Accomplishment
2019	DOC/OCR conducted research of successful EEO and D&I recognition programs across the Federal government. Based on the research, OCR is proposing an EEO awards program for Department level recognition. It is projected to be launched in FY21.
2020	DOC/OCR conducted additional research of successful EEO and D&I recognition programs across the Federal government and within the Department. Based on the new research, OCR is proposing an EEO awards program for bureaus located in HCHB, which do not currently have a recognition platform for EEO work, like the larger bureaus do (NIST, NOAA, Census, etc). It is projected to be launched in FY21. Note: Upon the successful establishment of an HCHB program, OCR intends to create a Phase II process by which bureau winners can compete with each other for Department level recognition. Phase II is projected to be implemented in FY22.
2021	Work in progress. Continue planned activities for HCHB-wide EEO/DI Award Program in FY 22-23. In accordance with the Department's DEIA Strategic Plan, a Department-wide annual DEIA award will be established in FY 2023, Quarter 4.

Accomplishments

Fiscal Year	Accomplishment
2018	The Department Organization Order (DOO) 20-10, which prescribes the functions and organization of the OCR was revised to show the OCR Director has a dotted reporting line to the Secretary of Commerce.
2020	The Office of Civil Rights (OCR) submitted a revised Departmental Organization Order 20-10 on 11-18-19, which updates the reporting structure of OCR and its Director with a dotted reporting line to the Secretary of Commerce. Therefore, this Part H would have been closed in FY 20/21. However, the requirement for the reporting structure for EEO Directors changed from being a recommendation by the EEOC to law under the Elijah E. Cummings Federal Employee Anti-Discrimination Act of 2020. As a result, OCR had to recalibrate the planned activities in this Part H plan and devise a new course of action. This plan will likely not close in FY 21 and will remain open through FY 22.
2021	The Office of Civil Rights (OCR) submitted a revised Departmental Organization Order 20-10 on 11-18-19, which updates the reporting structure of OCR and its Director with a dotted reporting line to the Secretary of Commerce. Therefore, this Part H would have been closed in FY 2021. However, the requirement for the reporting structure for EEO Directors changed from being a recommendation by the EEOC to law under the Elijah E. Cummings Federal Employee Anti-Discrimination Act of 2020 which became in January 2021. As a result, OCR had to recalibrate the planned activities in this Part H plan and devise a new course of action. Planned activities were delayed due to the transition in Agency leadership. In addition, the Agency was waiting for EEOC's guidance which was issued in early August 2022. This plan will likely not close in FY21 and will remain open through FY 23.

Planned Activities

Target Date	Planned Activity	Sufficient Staffing & Funding?	Modified Date	Completion Date
05/28/2019	Discuss issue with Bureau RACs at quarterly RAC meeting and ensure RA quarterly reports monitor and track timeliness.	Yes		05/28/2019
09/30/2019	Secure and launch a new automated reasonable accommodations tracking system to improve the processing of reasonable accommodations within the time frame set forth in the reasonable accommodations procedures.	Yes	06/30/2022	
09/30/2019	Incorporate training on updated RA procedures in mandatory New Supervisors training.	Yes	09/20/2020	09/30/2021
03/31/2020	Provide training on updated RA procedures for all DOC employees.	Yes	12/30/2022	
09/30/2022	Provide updated DAO, policies, and procedures for bureaus to adopt, implement, and distribute.	Yes		

Accomplishments

Fiscal Year	Accomplishment
2019	<p>In FY 2019, the percentage of RA requests processed within the Department's established timeframes (20 business days for decision; 10 business days for implementation) was 87%. To address this deficiency, in September 2019, DOC acquired a new automated tracking system for RA requests.</p> <p>The Entellitrak Reasonable Accommodation System (ETK RA) is designed to improve the entry, management and reporting of data related to requests for reasonable accommodation. The system will also increase the monitoring of timeliness by providing notification to RACs and Deciding Officials when requests are approaching delinquent status. RACs will receive training on the new system in January 2020. The Department is pending final user testing and authority to operate on DOC's network. ETK RA is scheduled to deploy sometime in Spring 2020.</p> <p>Additionally, the Department's RA procedures were approved by EEOC in August 2019. These updated RA procedures will be incorporated in the mandatory New Supervisors training and RA training provided to managers and supervisors.</p>
2020	In FY20, the percentage of timely-processed requests was 94%. Several factors contributed to this improvement, including 1) incorporating RA training in mandatory New Supervisors training and 2) Bureau's increased RA training sessions provided to managers and supervisors.
2020	OCR, OPOG and OCIO partnered to get the automated RA tracking system (ETK RA) approved and ready for use. The launch was supposed to take place in FY20 but was delayed due to development and implementation of ETK EEO. Both systems are anticipated to launch in FY21.
2021	In FY21, the percentage of timely-processed requests was 94%. This was a 7% improvement over FY20. Several factors contributed to this improvement, including 1) incorporating RA training in mandatory New Supervisors training and 2) Bureau's increased the number of RA training sessions provided to managers and supervisors.

2019	<p>In FY19, OCR met with the Office of Human Capital Client Services (OHCS) in the Office of Human Resources Management (OHRM) to discuss gaps in policies and procedures related to the DOC hiring process, including missing information on the interview process and procedures, the gaps in hiring managers in closing out vacancies after making a selection, lack of applicant flow data related to career development programs, and other relevant topics. During these meetings, OHCS informed OCR about an upcoming FY20 standardization of the hiring process via Enterprise Services, the DOC's shared-services system, which provides an opportunity for OCR to propose constructive updates.</p>
2020	<p>Due to the ongoing Global COVID-19 Pandemic, mandatory telework, and staff shortages, the Office of Civil Rights was unable to complete several planned activities that were targeted to Q2, Q3, and Q4 of FY20.</p> <p>However, some outstanding data issues were corrected:</p> <ol style="list-style-type: none"> <li>1) Applicant Flow Data for new hires is available, including interview data.</li> <li>2) Applicant Flow Data for internal competitive promotions is available.</li> <li>3) Applicant Flow Data for career development programs advertised using USAJOBS is available and will be made available for data analysis in FY 2021.</li> </ol> <p>Other data issues remain and will be addressed in FY21:</p> <ol style="list-style-type: none"> <li>1) Applicant flow data for gender, RNO, or disability, is not currently being collected for CDPs that are not advertised through USAJOBS. Fiscal Year	Accomplishment
2012	<p>To address the high separation rates of various demographic groups at the DOC, including individuals with disabilities, in collaboration with the Center for Behavioral Science Methods (CBSM) at Census, OCR conducted a Retention Survey of 10,841 employees, 41.6% of which provided insight into why employees may want to leave the Department, as well as their reasons for staying. The survey also included questions on recruitment, hiring, inclusion, retention, and advancement of individuals with disabilities.</p> <p>Results from the survey are still pending data analysis and processing, which OCR estimates will be completed during Q4 of FY2020. Results from this survey will lead to the improvement of policies, practices, and procedures that can positively affect retention of individuals with disabilities and other groups with lower than expected participation rates.</p>
2020	<p>In February 27, 2020, the Center for Behavioral Science Methods (CBSM) at the Census Bureau provided the Office of Civil Rights with a preliminary document containing the final Retention Survey Results. The survey was conducted in FY19 to better understand Commerce employees' views about staying in the Department or seeking employment elsewhere, as well as the factors that may affect this decision.</p> <p>Although the full results from the survey are yet to be cleared for official release, the available data identifies several issues that OCR has consistently found in employment practices at the Department. The survey results indicate higher levels of dissatisfaction with:</p> <ul style="list-style-type: none"> <li>- Senior leadership effectiveness and communication</li> <li>- Department-wide career development opportunities</li> <li>- Mentoring opportunities</li> <li>- Promotion opportunities</li> </ul> <p>In FY21, OCR will continue its collaboration with CBSM, with the expectation the final report will be released during Q3 of FY21.</p> <p>OCR is also committed to collaborating with OHRM and exploring the feasibility of establishing Department wide exit interview surveys, given personnel system parameters. An update will be provided in the FY21 MD 715 report.</p>
2021	<p>In FY21, OCR continued its collaboration with CBSM; the final report from the Retention Survey was released, but inconclusive. More analysis was required. However, OCR was able to gather some valuable information from the survey to implement in the future to improve Department-wide policies, practices, and procedures.</p> <p>In FY22, OCR will work with CBSM to relaunch a revised retention survey to begin establishing a baseline and trends. Also, OCR will collaborate with OHRM to explore the feasibility of establishing Department wide exit interview surveys, given personnel system parameters. An update will be provided in the FY22 MD 715 report.</p>

<b>STATEMENT OF CONDITION THAT WAS A TRIGGER FOR A POTENTIAL BARRIER:</b>  Provide a brief narrative describing the condition at issue.  How was the condition recognized as a potential barrier?	Hispanic Males and Females had a lower-than-expected participation rate in the DOC permanent workforce and in the Leadership Pipeline. They also experienced lower new hire (entry) rates and higher separation (exit) rates. This indicates a potential blocked pipeline.

	Hispanic Participation Rates	<p>DOC is still in the process of conclusively identifying a barrier or barriers causing Hispanics to have a lower-than-expected participation rate in the DOC workforce. However, our analysis revealed the following:</p> <ul style="list-style-type: none"> <li>- There is a potential “blocked pipeline” for Hispanic new hires. A blocked pipeline occurs when people are available at expected levels in the occupations that feed up to the senior grades levels but fail to reach the senior grade levels within those occupations.</li> <li>- Although a 5-year trend analysis reveals there has been some increase in new hires for Hispanics, the rate of increase has not been significant. OCR recommends a more targeted approach to address the marked disparities in the Hispanic workforce participation rates.</li> <li>- Hispanics Female participation remains below their respective benchmarks (2.81%) at GS 13 through SES grade levels. There was an increase in the participation rate at GS 13 level, rising from 2.1% in FY18 to 4.48% in FY22</li> </ul>

Employees need these programs to develop the skills necessary for career advancement at the feeder pool grade level (GS 13-15). - There is a lack of career development data collected for the SES CDP. Without applicant flow data describing the composition of applicants to this government-wide CDP, the Department does not have relevant data to analyze and present in its barrier analysis.  Future analysis will be expanded to further identify and address the underlying causes,

**MD-715 – Part J  
Special Program Plan  
for the Recruitment, Hiring, Advancement, and  
Retention of Persons with Disabilities**

To capture agencies' affirmative action plan for persons with disabilities (PWD) and persons with targeted disabilities (PWTD), EEOC regulations (29 C.F.R. § 1614.203(e)) and MD-715 require agencies to describe how their affirmative action plan will improve the recruitment, hiring, advancement, and retention of applicants and employees with disabilities.

**Section I: Efforts to Reach Regulatory Goals**

EEOC regulations (29 CFR § 1614.203(d)(7)) require agencies to establish specific numerical goals for increasing the participation of persons with disabilities and persons with targeted disabilities in the federal government

1. Using the goal of 12% as the benchmark, does your agency have a trigger involving PWD by grade level cluster in the permanent workforce? If "yes", describe the trigger(s) in the text box.

- |                               |        |     |
|-------------------------------|--------|-----|
| a.Cluster GS-1 to GS-10 (PWD) | Answer | No  |
| b.Cluster GS-11 to SES (PWD)  | Answer | Yes |

There is a trigger for PWD in GS-11 to SES (includes GS equivalents). The participation rate is 10.11%. While this is an increase from FY21 (9.30%), it is still below the 12% goal.

\*For GS employees, please use two clusters: GS-1 to GS-10 and GS-11 to SES, as set forth in 29 C.F.R. § 1614.203(d) (7). For all other pay plans, please use the approximate grade clusters that are above or below GS-11 Step 1 in the Washington, DC metropolitan region.

2. Using the goal of 2% as the benchmark, does your agency have a trigger involving PWTD by grade level cluster in the permanent workforce? If "yes", describe the trigger(s) in the text box.

- |                                |        |    |
|--------------------------------|--------|----|
| a.Cluster GS-1 to GS-10 (PWTD) | Answer | No |
| b.Cluster GS-11 to SES (PWTD)  | Answer | No |

No triggers.

3. Describe how the agency has communicated the numerical goals to the hiring managers and/or recruiters.

DOC's Office of Civil Rights (OCR) communicates the numerical goals during the annual State of the Agency to senior leadership and through other forums (i.e., New Supervisors Training, Disability/RA Training for Managers/ Supervisors, during National Disability Employment Awareness Month). Additionally, some Bureaus provided bimonthly training sessions for first line supervisors and their designees which include discussions on current workforce statistics and disability goals. Bureau HR offices communicate numerical goals to hiring officials with each recruitment action. Bureau Selective Placement Program Coordinators also discuss strategic recruitment options and hiring goals with hiring officials when providing Schedule A candidates for vacancies. The goals are also communicated during the Department's "Self-identification Campaign" in April and October each year.

**Section II: Model Disability Program**

Pursuant to 29 C.F.R. § 1614.203(d)(1), agencies must ensure sufficient staff, training and resources to recruit and hire persons with disabilities and persons with targeted disabilities, administer the reasonable accommodation program and special emphasis program, and oversee any other disability hiring and advancement program the agency has in place.

**A. PLAN TO PROVIDE SUFFICIENT & COMPETENT STAFFING FOR THE DISABILITY PROGRAM**

1. Has the agency designated sufficient qualified personnel to implement its disability program during the reporting period? If "no", describe the agency's plan to improve the staffing for the upcoming year.

Answer    Yes

2. Identify all staff responsible for implementing the agency's disability employment program by the office, staff employment status, and responsible official.

Disability Program Task	# of FTE Staff By Employment Status			Responsible Official (Name, Title, Office Email)
	Full Time	Part Time	Collateral Duty	
Processing applications from PWD and PWTD	4	0	35	Roseal Fowlkes Veterans Employment & Selective Placement Program Manager rfowlkes@doc.gov

Answering questions from the public about hiring authorities that take disability into account	3	0	35	Roseal Fowlkes Veterans Employment & Selective Placement Program Manager rfowlkes@doc.gov

3. Has the agency provided disability program staff with sufficient training to carry out their responsibilities during the reporting period? If “yes”, describe the training that disability program staff have received. If “no”, describe the training planned for the upcoming year.

Answer Yes

Disability program staff received training via webinar, in-person, or online through classes offered by various entities including National Employment Law Institute (NELI), USDA Graduate School, ASKEARN Training Center, Disability Management Employer Coalition, Job Accommodation Network (JAN), US Access Board, ADA Network, EEOC, and others. Staff also attend training conferences hosted by EEOC (EXCEL), Federal Dispute Resolution (FDR), and the Federal Employment Law Training Group. Additionally, Bureau disability program staff attended various internal ad hoc training and training coordinated by the Department’s OCR.

**B. PLAN TO ENSURE SUFFICIENT FUNDING FOR THE DISABILITY PROGRAM**

Has the agency provided sufficient funding and other resources to successfully implement the disability program during the reporting period? If “no”, describe the agency’s plan to ensure all aspects of the disability program have sufficient funding and other resources

Answer Yes

---

**Section III: Plan to Recruit and Hire Individuals with Disabilities**

Pursuant to 29 C.F.R. §1614.203(d)(1)(i) and (ii), agencies must establish a plan to increase the recruitment and hiring of individuals with disabilities. The questions below are designed to identify outcomes of the agency’s recruitment program plan for PWD and PWTD

**A. PLAN TO IDENTIFY JOB APPLICATIONS WITH DISABILITIES**

1. Describe the programs and resources the agency uses to identify job applicants with disabilities, including individuals with targeted disabilities.

Census partners with military installations within the local area for transition assistance to recruit 30% compensable or more veterans. Census also introduced the Skillbridge, formerly Operation Warfighter, program to Census. Skillbridge allows the bureau to onboard active-duty personnel who are separating from the military, some due to injury, at no cost to the agency. We attend numerous recruitment fairs and provide information to college/university students and their advisors on the various programs available for persons with disabilities. USPTO has a separate webpage designed to provide information to job applicants with disabilities: <https://www.uspto.gov/jobs/hiring-people-disabilities>. The USPTO has also formed relationships with the various disability offices at the universities and colleges from which it regularly recruits students. NOAA uses outreach to vocational rehabilitation centers, veteran organizations and the resume mining feature from USAJOBS to search for applicants with disabilities. We have also encouraged managers to use the Workforce Recruitment Program database to identify applicants to fill positions. Several of the Line and Staff offices have incorporated the diversity strategic plans to hire individuals with disabilities into management performance plans. In addition, the agency holds an annual Hiring Event for Veterans and PWDs. NIST advertises all vacancies on USAJOBS. NIST utilizes a variety of methods to recruit and employ veterans and individuals with disabilities: Direct-Hire, Delegated Examining, Agency Based, Merit Promotion, and Non-Competitive procedures. NIST also utilizes special appointment authorities such as the Veterans Employment Opportunities Act (VEOA), the Veterans Recruitment Appointment (VRA) Authority, and other appointment authorities (e.g. disabled veterans with 30% or greater disability) as appropriate. NIST's Selective Placement Coordinator maintained a catalogue of applicants eligible for noncompetitive hiring authorities such as the Veterans Recruitment Authority, 30% or more disabled Veteran hiring authority and the Schedule A hiring authority for individuals with disabilities. The catalogue is accessible by members of the HR Operations Team so the resumes can be shared with hiring officials as positions become available. Several Bureaus are using the Workforce Recruitment Program (WRP) on a regular basis to identify PWD to recruit for vacant DOC positions. Other programs and resources used to recruit and hire PWD include: VetSuccess.gov; use of USAJOBS to search for eligible Schedule A applicants; use of OPM's Bender list of applicants with disabilities; participation in local colleges and university virtual job recruitment fairs; the Workforce Recruitment Program for access to post-secondary students and recent graduates with disabilities; participation in the VA's Non-Paid Work Experience Program; coordination with the Veterans Vocational and Rehabilitation Program and Disabled Veterans Service Organizations to recruit eligible disabled veterans; and development of DOC's Bureau webpages to disseminate information on job vacancies and application process. DOC continuously provides job applicants information about DOC's disability employment programs, various employment opportunities, the government hiring process and points of contacts for reasonable accommodations. This information is provided on DOC Bureau webpages, LinkedIn, Facebook, and other social media sites.

2. Pursuant to 29 C.F.R. §1614.203(a)(3), describe the agency's use of hiring authorities that take disability into account (e.g., Schedule A) to recruit PWD and PWT for positions in the permanent workforce

Same as in FY21, the Department continues to encourage hiring managers to use Schedule A to fill vacant positions, and to consult with Bureau Selective Placement Program Coordinators (SPPC) for guidance in this area. Through outreach to vocational rehabilitation centers and disabled veterans' organizations, SPPCs invite job applicants to submit their resumes and make them searchable on USAJOBS by selecting eligibility for special hiring authorities. The SPPC developed recruitment solutions tailored to specific hiring needs, marketed agency vacancies to persons with disabilities who are eligible for non-competitive placement via Schedule A and represented DOC at events focused on hiring people with disabilities. The SPPC encouraged individuals utilizing Schedule A to send their resumes directly to them to be placed in the Bureau-specific database. When a hiring official informs the SPPC about a vacancy, the SPPC asks for the Position Description and/or vacancy announcement. The SPPC utilizes this information to search for qualified applicants and provides these resumes to the hiring official. The hiring official can then proceed with interviews and selection of the desired candidate. Applicants who have questions or would like to receive technical assistance on how to apply under Schedule A, are provided information for the Bureau SPPCs and DOC's central Schedule A email address: ScheduleA@doc.gov.

3. When individuals apply for a position under a hiring authority that takes disability into account (e.g., Schedule A), explain how the agency (1) determines if the individual is eligible for appointment under such authority; and, (2) forwards the individual's application to the relevant hiring officials with an explanation of how and when the individual may be appointed.

The DOC's Human Resources (HR) Specialists and SPPC are dedicated to working with job applicants that apply under special hiring authorities, i.e. Schedule A, to determine eligibility and ensure their application is provided to relevant hiring officials. This process continues to be reviewed and analyzed for process improvement. 1) Applications received via USAJOBS are assessed by an assigned HR Specialist; qualified applicants are referred to the hiring official for the related vacancy with an explanation of the Selective Placement Program and the process for selection. 2) Applications received via the Selective Placement Program or from hiring officials are reviewed by the Bureau SPPC to determine if the person qualifies for the identified position and if the Schedule A letter submitted meets OPM's requirements. If all criteria are met, the applicant's resume is placed in the Bureau's electronic database. 3) When vacancies are identified, upon request, the Bureau SPPC searches the application database for qualified applicants, then forwards qualified applicants' resumes to the hiring official with an explanation of the Selective Placement Program and the process for selection.

4. Has the agency provided training to all hiring managers on the use of hiring authorities that take disability into account (e.g., Schedule A)? If "yes", describe the type(s) of training and frequency. If "no", describe the agency's plan to provide this training.

Answer Yes

DOC requires all supervisors and hiring officials to annually complete the OPM mandated training: "A Roadmap to Success: Hiring, Retaining, and Including People with Disabilities"; Uniformed Services Employment and Reemployment Rights Act (USERRA), and Veterans Employment Training. This training is available online via the Commerce Learning Center. Additionally, all new supervisors/managers are required to take supervisor's training within their first year of becoming a supervisor. This training provides information on recruitment and hiring of PWD/TD. Some Bureaus conduct additional training. USPTO provides computer-based training annually. NOAA offered the ABC's of Schedule A Hiring, bi-monthly in-person or via webinar to hiring managers. NIST Disability Program Manager worked with the SPPC to record a training video on Non-Competitive Hiring Authorities. The video will be posted in FY23 on the NIST internal website.

## **B. PLAN TO ESTABLISH CONTACTS WITH DISABILITY EMPLOYMENT ORGANIZATIONS**

Describe the agency's efforts to establish and maintain contacts with organizations that assist PWD, including PWTD, in securing and maintaining employment.

DOC has established and/or maintained contact with "Hiring Our Heroes", Vocational Rehabilitation Services, and RecruitMilitary, all which target PWD/ TD. DOC staff attended campus events for students with disabilities; developed relationships and partnerships with local colleges and universities to provide paid/unpaid internships for students with disabilities; partnered with affinity groups to help recruit individuals with disabilities; and partnered with local Vocational Rehabilitation centers, Maryland's Department of Rehabilitation Services, and the Virginia Department of Aging and Rehabilitative Services to provide guidance on applying for federal positions. The Department's Selective Placement Program Coordinators are listed on OPM's directory so applicants can contact them directly. NIST Disability Program Manager and SPPC attended Equal Opportunity Publications Career Expo for People with Disabilities. NIST employment opportunities were discussed with the candidates attending this event. Census continues working through established partnerships with the following groups: Department of Defense (DOD) and Veteran's Administration-Operation Warfighter (OWF) Internship Program. Department of Labor (DOL)- Workforce Recruitment and Apprenticeship Programs. NOAA's representative visited vocational rehabilitation centers near cities where NOAA has a large presence, to offer assistance to PWD and PWTD, including training on how to understand and apply for federal positions. USPTO has relationships with various disability offices at universities and colleges from which it regularly recruits students with disabilities and will continue to reach out to additional schools and external disability-related organizations to develop more partnerships. They have an established relationship with the local vocational rehabilitation office and plan to continue outreach to career services and disability program coordinators at targeted schools in the area to establish a baseline relationship and gauge interest in partnership with the agency.

**C. PROGRESSION TOWARDS GOALS (RECRUITMENT AND HIRING)**

1. Using the goals of 12% for PWD and 2% for PWTD as the benchmarks, do triggers exist for PWD and/or PWTD among the new hires in the permanent workforce? If "yes", please describe the triggers below.

- a. New Hires for Permanent Workforce (PWD) Answer No
- b. New Hires for Permanent Workforce (PWTD) Answer No

No triggers.

2. Using the qualified applicant pool as the benchmark, do triggers exist for PWD and/or PWTD among the new hires for any of the mission-critical occupations (MCO)? If "yes", please describe the triggers below. Select "n/a" if the applicant data is not available for your agency, and describe your plan to provide the data in the text box.

- a. New Hires for MCO (PWD) Answer Yes
- b. New Hires for MCO (PWTD) Answer Yes

There were only 2 MCOs (0905 and 1101) that showed new hire data for PWD/ PWTD on Table B6. However, applicant flow data was not available when this report was completed; therefore, further analysis could not be done.

3. Using the relevant applicant pool as the benchmark, do triggers exist for PWD and/or PWTD among the qualified internal applicants for any of the mission-critical occupations (MCO)? If "yes", please describe the triggers below. Select "n/a" if the applicant data is not available for your agency, and describe your plan to provide the data in the text box.

- a. Qualified Applicants for MCO (PWD) Answer N/A
- b. Qualified Applicants for MCO (PWTD) Answer N/A

Applicant flow data for internal applicants was not available.

4. Using the qualified applicant pool as the benchmark, do triggers exist for PWD and/or PWTD among employees promoted to any of the mission-critical occupations (MCO)? If "yes", please describe the triggers below. Select "n/a" if the applicant data is not available for your agency, and describe your plan to provide the data in the text box.

- a. Promotions for MCO (PWD) Answer N/A
- b. Promotions for MCO (PWTD) Answer N/A

Applicant flow data was not available.

## Section IV: Plan to Ensure Advancement Opportunities for Employees with Disabilities

Pursuant to 29 C.F.R. §1614.203(d)(1)(iii), agencies are required to provide sufficient advancement opportunities for employees with disabilities. Such activities might include specialized training and mentoring programs, career development opportunities, awards programs, promotions, and similar programs that address advancement. In this section, agencies should identify, and provide data on programs designed to ensure advancement opportunities for employees with disabilities.

### A. ADVANCEMENT PROGRAM PLAN

Describe the agency's plan to ensure PWD, including PWTD, have sufficient opportunities for advancement.

DOC ensures job opportunities are posted on USAJOBS providing awareness to PWD/TD of employment opportunities with the Department. The Department's Reasonable Accommodation Policy and POC for requesting an accommodation is also posted with each announcement. PWD/TD are made aware of various leadership/professional development programs. The competitive opportunities are announced via USAJOBS and many other internal programs are opened to all employees and announced via internal broadcast messages. PWD/TD have an equal opportunity to compete for all opportunities including managerial, executive, and other career-enhancing programs and initiatives. PWD/TD have access to the Department's web-based training program, Commerce Learning Center (CLC), which contains over 2,500 training courses to assist employees with managing their careers. DOC continues to promote internal advancement opportunities for PWD/TD through Bureau-specific leadership development programs. Some examples of Bureau specific plans are: USPTO: During FY 2018, the Office of EEO & Diversity constituted a new Disability Working Group, dedicated to identifying barriers to career advancement and reduction of those barriers. The function of this group is being replaced by the new USPTO Diversity, Equity, Inclusion, and Accessibility (DEIA) Council, to be stood up in FY23. In addition, the USPTO affinity group, ResponsAbility, which focuses on advocacy and awareness of disability issues and goals, worked with USPTO leadership to promote career advancement of their members. The USPTO developed stronger hiring manager education focusing on providing managers with the tools they need to implement (or maximize) disability recruitment and hiring strategies. This included training for aspiring managers. NOAA: Collaborated with their PWD Employee Resource Group to discuss challenges to advancement opportunities; finalized the NOAA plan for recruiting, hiring and retaining PWD/TD; presented lunch and learn sessions to discuss Schedule A application process; tracked applicant flow data for internal development program - Leveraging Abilities, Needs, Talents, Energies & Resources Network (LANTERN) and set aside 1% of opportunities for PWD. Other programs were provided to help employees gain management and leadership skills to accomplish their career objectives. For example, workshops on Engaging Employee Resource Groups and developing Individual Development Plans and Leadership Competencies were offered. All employees were encouraged to participate in DOC-wide developmental opportunities, as well as Federal Government-wide professional and career development programs. Additionally, Bureaus initiated and engaged Employee Resource Groups, including Disability Working Groups, to help advertise and promote career development programs.

### B. CAREER DEVELOPMENT OPPORTUNITIES

1. Please describe the career development opportunities that the agency provides to its employees.

Currently, there is one Department-wide Career Development Program for the Senior Executive Service. However, Bureaus have instituted various career development opportunities. Some of notable mentions are: NIST: Offered three leadership programs targeting employees at various stages in their managerial careers: Foundations of Leadership Program (FLP), New Leader Program (NLP), and Project Management and Leadership Program (PMLP). Mentoring and coaching sessions are available to participants of these programs. Additionally, the Office of Human Resources Management “Leadership for All” (L4A) program makes content from popular leadership development programs available to the entire staff. NOAA: Offered three leadership developmental programs: Leadership Competencies Development Program (LCDP); NOAA Leadership Seminar (NLS); and NOAA Rotational Assignment Program (NRAP). Census continues to administer a Data Science Training Program (DSTP)'s, which is a 5-month unit – based program that gives Census Bureau employees an opportunity to gain hands-on data science experience. Participants complete online and live coursework in addition to a Capstone Project, where participants apply what they’ve learned to mission-critical work at the Census Bureau. Participants are also paired with a mentor who acts as a career coach and provides guidance on the non-technical aspects of the program. Currently, all elements of the program will take place remotely. This year, participants can take one of two learning paths: Data Science Generalist Path or Machine Learning Specialist Path. The Data Science Generalist Path focuses on the fundamentals of data science concepts. Participants will examine data science applications both at the Census Bureau and in real-world examples. Participants will also learn how to use programs such as SQL and Python to analyze and visualize data to generate insights. The Machine Learning Specialist Path dives deeper into data science skills using Python and machine learning concepts. Participants will learn how to develop and apply advanced algorithms and analysis tools that improve over time using supervised/unsupervised learning. Additionally, participants will learn about artificial intelligence, deep learning, natural language processing, and more. Data Science on Demand includes three new learning tracks through LinkedIn Learning to improve the data literacy of supervisory and nonsupervisory employees and provide data science practitioners with access to a variety of skill-building courses. The three on-demand tracks are: Data Science Literacy, Data Science for Managers, and Skill Builder. Employees who sign up for one of the three Expansion Tracks will receive a LinkedIn Learning license (as available) and complete self-paced, online courses covering data science topics, methods, and techniques. USPTO: Has two major career development opportunities. The first provides career development detail assignments for employees. The second, is an enterprise-wide mentoring program. The mentoring program is open to everyone interested, subject to space constraints in the program. In addition to these two major enterprise efforts, the Enterprise Training Division, and various employee groups host ad hoc training and information sessions. These programs are widely publicized and available to all employees.

2. In the table below, please provide the data for career development opportunities that require competition and/or supervisory recommendation/approval to participate.

Career Development Opportunities	Total Participants		PWD		PWTD	
	Applicants (#)	Selectees (#)	Applicants (#)	Selectees (#)	Applicants (#)	Selectees (#)
Detail Programs						
Internship Programs						
Coaching Programs						
Other Career Development Programs						
Fellowship Programs						
Training Programs						
Mentoring Programs						

3. Do triggers exist for PWD among the applicants and/or selectees for any of the career development programs? (The appropriate benchmarks are the relevant applicant pool for the applicants and the applicant pool for selectees.) If “yes”, describe the trigger(s) in the text box. Select “n/a” if the applicant data is not available for your agency, and describe your plan to provide the data in the text box.

- a. Applicants (PWD) Answer N/A
- b. Selections (PWD) Answer N/A

DOC currently does not have a system in place to track RNO and disability applicant flow data for career development programs but is actively working with HR to correct this deficiency. (Part H-6)

4. Do triggers exist for PWTB among the applicants and/or selectees for any of the career development programs? (The appropriate benchmarks are the relevant applicant pool for the applicants and the applicant pool for selectees.) If “yes”, describe the trigger(s) in the text box. Select “n/a” if the applicant data is not available for your agency, and describe your plan to provide the data in the text box.

- a. Applicants (PWTB) Answer N/A
- b. Selections (PWTB) Answer N/A

DOC currently does not have a system in place to track RNO and disability applicant flow data for career development programs but is actively working with HR to correct this deficiency. (Part H-6)

### C. AWARDS

1. Using the inclusion rate as the benchmark, does your agency have a trigger involving PWD and/or PWTB for any level of the time-off awards, bonuses, or other incentives? If “yes”, please describe the trigger(s) in the text box.

- a. Awards, Bonuses, & Incentives (PWD) Answer Yes
- b. Awards, Bonuses, & Incentives (PWTB) Answer No

Triggers were identified for the following (Table B9): PWD - \$5000 or more

2. Using the inclusion rate as the benchmark, does your agency have a trigger involving PWD and/or PWTB for quality step increases or performance-based pay increases? If “yes”, please describe the trigger(s) in the text box.

- a. Pay Increases (PWD) Answer Yes
- b. Pay Increases (PWTB) Answer Yes

For Quality Step Increases there were triggers identified for PWD/TD. Percentage of QSIs for PWD/TD is below their participation rate benchmark.

3. If the agency has other types of employee recognition programs, are PWD and/or PWTB recognized disproportionately less than employees without disabilities? (The appropriate benchmark is the inclusion rate.) If “yes”, describe the employee recognition program and relevant data in the text box.

- a. Other Types of Recognition (PWD) Answer N/A
- b. Other Types of Recognition (PWTB) Answer N/A

N/A

### D. PROMOTIONS

1. Does your agency have a trigger involving PWD among the qualified internal applicants and/or selectees for promotions to the senior grade levels? (The appropriate benchmarks are the relevant applicant pool for qualified internal applicants and the qualified applicant pool for selectees.) For non-GS pay plans, please use the approximate senior grade levels. If “yes”, describe the trigger(s) in the text box. Select “n/a” if the applicant data is not available for your agency, and describe your plan to provide the data in the text box.

- a. SES
  - i. Qualified Internal Applicants (PWD) Answer N/A
  - ii. Internal Selections (PWD) Answer N/A
- b. Grade GS-15
  - i. Qualified Internal Applicants (PWD) Answer N/A
  - ii. Internal Selections (PWD) Answer N/A
- c. Grade GS-14
  - i. Qualified Internal Applicants (PWD) Answer N/A
  - ii. Internal Selections (PWD) Answer N/A
- d. Grade GS-13
  - i. Qualified Internal Applicants (PWD) Answer N/A
  - ii. Internal Selections (PWD) Answer N/A

i. Qualified Internal Applicants (PWD)	Answer	N/A
ii. Internal Selections (PWD)	Answer	N/A

Applicant flow data (AFD) was not available at the time of this report, therefore, further analysis could not be completed (see Part H-6).

2. Does your agency have a trigger involving PWTD among the qualified internal applicants and/or selectees for promotions to the senior grade levels? (The appropriate benchmarks are the relevant applicant pool for qualified internal applicants and the qualified applicant pool for selectees.) For non-GS pay plans, please use the approximate senior grade levels. If "yes", describe the trigger(s) in the text box. Select "n/a" if the applicant data is not available for your agency, and describe your plan to provide the data in the text box.

a. SES		
i. Qualified Internal Applicants (PWTD)	Answer	N/A
ii. Internal Selections (PWTD)	Answer	N/A
b. Grade GS-15		
i. Qualified Internal Applicants (PWTD)	Answer	N/A
ii. Internal Selections (PWTD)	Answer	N/A
c. Grade GS-14		
i. Qualified Internal Applicants (PWTD)	Answer	N/A
ii. Internal Selections (PWTD)	Answer	N/A
d. Grade GS-13		
i. Qualified Internal Applicants (PWTD)	Answer	N/A
ii. Internal Selections (PWTD)	Answer	N/A

Applicant flow data (AFD) was not available at the time of this report, therefore, further analysis could not be completed (see Part H-6).

3. Using the qualified applicant pool as the benchmark, does your agency have a trigger involving PWD among the new hires to the senior grade levels? For non-GS pay plans, please use the approximate senior grade levels. If "yes", describe the trigger(s) in the text box. Select "n/a" if the applicant data is not available for your agency, and describe your plan to provide the data in the text box.

a. New Hires to SES (PWD)	Answer	N/A
b. New Hires to GS-15 (PWD)	Answer	N/A
c. New Hires to GS-14 (PWD)	Answer	N/A
d. New Hires to GS-13 (PWD)	Answer	N/A

Applicant flow data (AFD) was not available at the time of this report, therefore, further analysis could not be completed (see Part H-6).

4. Using the qualified applicant pool as the benchmark, does your agency have a trigger involving PWTD among the new hires to the senior grade levels? For non-GS pay plans, please use the approximate senior grade levels. If "yes", describe the trigger(s) in the text box. Select "n/a" if the applicant data is not available for your agency, and describe your plan to provide the data in the text box.

a. New Hires to SES (PWTD)	Answer	N/A
b. New Hires to GS-15 (PWTD)	Answer	N/A
c. New Hires to GS-14 (PWTD)	Answer	N/A
d. New Hires to GS-13 (PWTD)	Answer	N/A

Applicant flow data (AFD) was not available at the time of this report, therefore, further analysis could not be completed (see Part H-6).

5. Does your agency have a trigger involving PWD among the qualified internal applicants and/or selectees for promotions to supervisory positions? (The appropriate benchmarks are the relevant applicant pool for qualified internal applicants and the qualified applicant pool for selectees.) If "yes", describe the trigger(s) in the text box. Select "n/a" if the applicant data is not available for your agency, and describe your plan to provide the data in the text box.

a. Executives		
i. Qualified Internal Applicants (PWD)	Answer	N/A
ii. Internal Selections (PWD)	Answer	N/A
b. Managers		
i. Qualified Internal Applicants (PWD)	Answer	N/A
ii. Internal Selections (PWD)	Answer	N/A

c. Supervisors

i. Qualified Internal Applicants (PWD) Answer N/A

ii. Internal Selections (PWD) Answer N/A

Applicant flow data (AFD) was not available at the time of this report, therefore, further analysis could not be completed (see Part H-6).

6. Does your agency have a trigger involving PWTB among the qualified internal applicants and/or selectees for promotions to supervisory positions? (The appropriate benchmarks are the relevant applicant pool for qualified internal applicants and the qualified applicant pool for selectees.) If "yes", describe the trigger(s) in the text box. Select "n/a" if the applicant data is not available for your agency, and describe your plan to provide the data in the text box.

a. Executives

i. Qualified Internal Applicants (PWTB) Answer N/A

ii. Internal Selections (PWTB) Answer N/A

b. Managers

i. Qualified Internal Applicants (PWTB) Answer N/A

ii. Internal Selections (PWTB) Answer N/A

c. Supervisors

i. Qualified Internal Applicants (PWTB) Answer N/A

ii. Internal Selections (PWTB) Answer N/A

Applicant flow data (AFD) was not available at the time of this report, therefore, further analysis could not be completed (see Part H-6).

7. Using the qualified applicant pool as the benchmark, does your agency have a trigger involving PWD among the selectees for new hires to supervisory positions? If "yes", describe the trigger(s) in the text box. Select "n/a" if the applicant data is not available for your agency, and describe your plan to provide the data in the text box.

a. New Hires for Executives (PWD) Answer N/A

b. New Hires for Managers (PWD) Answer N/A

c. New Hires for Supervisors (PWD) Answer N/A

Applicant flow data (AFD) was not available at the time of this report, therefore, further analysis could not be completed (see Part H-6).

8. Using the qualified applicant pool as the benchmark, does your agency have a trigger involving PWTB among the selectees for new hires to supervisory positions? If "yes", describe the trigger(s) in the text box. Select "n/a" if the applicant data is not available for your agency, and describe your plan to provide the data in the text box.

a. New Hires for Executives (PWTB) Answer N/A

b. New Hires for Managers (PWTB) Answer N/A

c. New Hires for Supervisors (PWTB) Answer N/A

Applicant flow data (AFD) was not available at the time of this report, therefore, further analysis could not be completed (see Part H-6).

**Section V: Plan to Improve Retention of Persons with Disabilities**

To be model employer for persons with disabilities, agencies must have policies and programs in place to retain employees with disabilities. In this section, agencies should: (1) analyze workforce separation data to identify barriers retaining employees with disabilities; (2) describe efforts to ensure accessibility of technology and facilities; and (3) provide information on the reasonable accommodation program and workplace assistance services.

**A. VOLUNTARY AND INVOLUNTARY SEPARATIONS**

1. In this reporting period, did the agency convert all eligible Schedule A employees with a disability into the competitive service after two years of satisfactory service (5 CFR § 213.3102(u)(6)(i))? If "no", please explain why the agency did not convert all eligible Schedule A employees.

Answer Yes

All eligible Schedule A employees with disabilities were converted after two years.

2. Using the inclusion rate as the benchmark, did the percentage of PWD among voluntary and involuntary separations exceed that of persons without disabilities? If "yes", describe the trigger below.

a. Voluntary Separations (PWD) Answer Yes

b.Involuntary Separations (PWD)

Answer Yes

Using the inclusion rate, the percent of voluntary separations for PWD was 7.2%, exceeding PWOD 5.9%.

3. Using the inclusion rate as the benchmark, did the percentage of PWTD among voluntary and involuntary separations exceed that of persons without targeted disabilities? If "yes", describe the trigger below.

a.Voluntary Separations (PWTD)

Answer Yes

b.Involuntary Separations (PWTD)

Answer Yes

Using the inclusion rate, the percent of voluntary separations for PWTD was 6.9%, exceeding PWOD 5.9%.

4. If a trigger exists involving the separation rate of PWD and/or PWTD, please explain why they left the agency using exit interview results and other data sources.

No exit interview survey or other data sources were available for analysis when this report was completed.

## B. ACCESSIBILITY OF TECHNOLOGY AND FACILITIES

Pursuant to 29 CFR §1614.203(d)(4), federal agencies are required to inform applicants and employees of their rights under Section 508 of the Rehabilitation Act of 1973 (29 U.S.C. § 794(b), concerning the accessibility of agency technology, and the Architectural Barriers Act of 1968 (42 U.S.C. § 4151-4157), concerning the accessibility of agency facilities. In addition, agencies are required to inform individuals where to file complaints if other agencies are responsible for a violation.

1. Please provide the internet address on the agency's public website for its notice explaining employees' and applicants' rights under Section 508 of the Rehabilitation Act, including a description of how to file a complaint.

<https://www.commerce.gov/cr/complaints/section-508-architectural-barriers-act-aba-notice-rights>

2. Please provide the internet address on the agency's public website for its notice explaining employees' and applicants' rights under the Architectural Barriers Act, including a description of how to file a complaint.

<https://www.commerce.gov/cr/complaints/section-508-architectural-barriers-act-aba-notice-rights>

3. Describe any programs, policies, or practices that the agency has undertaken, or plans on undertaking over the next fiscal year, designed to improve accessibility of agency facilities and/or technology.

In FY 22, DOC established the following programs, policies, or practices designed to improve accessibility of agency facilities and/or technology. 1. DOC developed a comprehensive Section 508 collaborative experience on OMB Max. The Department's Section 508 Wiki Site was updated with the goal of being the internal hub for 508 related communications. The site has resources that include the revised federal regulations and requirements that apply to Section 508, training materials such as how to guides, and Section 508 POC's at the Bureau level. 2. Improved transparency of Reasonable Accommodation (RA) process. In FY2022, DOC launched a new online RA tracking system – Entellitrak RA (ETK RA). This secure, web-based application, developed by Tyler Technologies was designed to improve the management and tracking of RA requests. Ultimately, it will increase speed, uniformity, and transparency in the Department's RA process. Employees may submit individual requests into the system. Bureau RA Coordinators and DOC Disability/RA Program Manager are the only DOC personnel with access to view, manage, and develop reports for requests submitted into the system. 3. In FY23, DOC will develop an Accessibility Handbook. The handbook will identify Facility Accessibility Coordinators within each Bureau and streamlining procedures for reporting and addressing accessibility issues within the Department. The Department will also establish a physical accessibility community of interest. Participants will include interior designers, architects, and facility managers from across the Bureaus. This will allow for more efficient and effective dissemination of training opportunities, guidance, and important information. 4. The Department worked to eliminate barriers for people with vision, mobility, cognitive and other disabilities by developing guidance for creating accessible meetings for people with vision, mobility, cognitive and other disabilities and posting the guidance on the Office of Civil Rights webpage.

### **C. REASONABLE ACCOMMODATION PROGRAM**

Pursuant to 29 C.F.R. § 1614.203(d)(3), agencies must adopt, post on their public website, and make available to all job applicants and employees, reasonable accommodation procedures.

1. Please provide the average time frame for processing initial requests for reasonable accommodations during the reporting period. (Please do not include previously approved requests with repetitive accommodations, such as interpreting services.)

For FY22, the average processing time for initial requests was 20 days (an increase from 14.7 in 2021). DOC's Reasonable Accommodation Coordinators (RAC) reported receiving and processing approximately 1822 requests for RA (not including request for sign language interpreting); 89.9% of all RA requests were completed within established timelines (down from 94% in FY2021). This decrease can be attributed to 2 factors: 1) lack of staff to process RA requests and 2) an increase in RA requests in the 3rd and 4th quarters of FY 2022 as "Return to Office" mandates were being established. In FY 2023, the staffing issue will be resolved.

2. Describe the effectiveness of the policies, procedures, or practices to implement the agency's reasonable accommodation program. Some examples of an effective program include timely processing requests, timely providing approved accommodations, conducting training for managers and supervisors, and monitoring accommodation requests for trends.

In FY22, DOC Bureaus continued to offer reasonable accommodation training to employees, managers, and supervisors. New employees receive training on reasonable accommodation during new employee orientation. New supervisors are required to attend training that includes reasonable accommodation. This routine provision of RA training is a contributing factor to the decrease in processing time and increase in timely approval and implementation of accommodations.

### **D. PERSONAL ASSISTANCE SERVICES ALLOWING EMPLOYEES TO PARTICIPATE IN THE WORKPLACE**

Pursuant to 29 CFR §1614.203(d)(5), federal agencies, as an aspect of affirmative action, are required to provide personal assistance services (PAS) to employees who need them because of a targeted disability, unless doing so would impose an undue hardship on the agency.

Describe the effectiveness of the policies, procedures, or practices to implement the PAS requirement. Some examples of an effective program include timely processing requests for PAS, timely providing approved services, conducting training for managers and supervisors, and monitoring PAS requests for trends.

In FY 2022, there were no new requests for PAS. Bureaus are continuing to provide training on PAS to hiring officials to encourage increased hiring of individuals with disabilities, including those who require PAS. DOC is also monitoring trends.

## Section VI: EEO Complaint and Findings Data

### A. EEO COMPLAINT DATA INVOLVING HARASSMENT

1. During the last fiscal year, did a higher percentage of PWD file a formal EEO complaint alleging harassment, as compared to the government-wide average?

Answer Yes

2. During the last fiscal year, did any complaints alleging harassment based on disability status result in a finding of discrimination or a settlement agreement?

Answer Yes

3. If the agency had one or more findings of discrimination alleging harassment based on disability status during the last fiscal year, please describe the corrective measures taken by the agency.

While there were no findings of discrimination in FY 2022 regarding disability-based harassment, the Department did settle cases involving this type of claim.

### B. EEO COMPLAINT DATA INVOLVING REASONABLE ACCOMMODATION

1. During the last fiscal year, did a higher percentage of PWD file a formal EEO complaint alleging failure to provide a reasonable accommodation, as compared to the government-wide average?

Answer No

2. During the last fiscal year, did any complaints alleging failure to provide reasonable accommodation result in a finding of discrimination or a settlement agreement?

Answer Yes

3. If the agency had one or more findings of discrimination involving the failure to provide a reasonable accommodation during the last fiscal year, please describe the corrective measures taken by the agency.

During FY 2022, there were findings of discrimination related to disability and failure to provide reasonable accommodation. For cases involving findings of discrimination involving failure to provide a reasonable accommodation which resulted in a finding of discrimination, the Department ordered relief in these cases which included payment of nonpecuniary damages, compensatory damages, attorney's fees and costs, training to management officials, offer of reinstatement, expungement of records, backpay, interest and other benefits, and consideration of disciplinary action.

## Section VII: Identification and Removal of Barriers

Element D of MD-715 requires agencies to conduct a barrier analysis when a trigger suggests that a policy, procedure, or practice may be impeding the employment opportunities of a protected EEO group.

1. Has the agency identified any barriers (policies, procedures, and/or practices) that affect employment opportunities for PWD and/or PWTD?

Answer No

2. Has the agency established a plan to correct the barrier(s) involving PWD and/or PWTD?

Answer N/A

3. Identify each trigger and plan to remove the barrier(s), including the identified barrier(s), objective(s), responsible official(s), planned activities, and, where applicable, accomplishments

<b>Fiscal Year</b>	<b>Accomplishments</b>
2022	#1 Promote awareness and encourage participation in DOC's career/leadership development programs; collect and track disability status for applicants and participants. - DOC does have access to disability data for career/leadership development programs that are competitive and announced via USAJOBS. Currently, there is only one DOC-wide career/leadership development program - the SES CDP. DOC applicant flow data (AFD) is inaccurate and incomplete. OCR and OHRM will continue working with Enterprise Services/Treasury to ensure this information is accurate.
2020	#1 Promote awareness and encourage participation in DOC's career/leadership development programs; collect and track disability status for applicants and participants. - DOC does have access to disability data for career/leadership development programs that are competitive and announced via USAJOBS. Currently, there is only one DOC-wide career/leadership development program - the SES CDP. Disability data for this program will be made available in FY2021. Additionally, DOC Bureaus that develop internal career development programs do not currently collect and track the disability status of applicants. DOC will develop strategies to improve the methods participation used to promote awareness and encourage PWD/TD participation in these programs.  #2 – Supervisors and managers are required to complete mandatory annual training on recruitment and retention of people with disabilities. OHRM annually collects and reviews training completion data. A roster of those that have not completed the training is sent to the Bureau's Principal Human Resource Managers for follow-up. In FY 2020, the completion rate for this training was 89%.  #3 - New supervisors receive mandatory training that includes disability inclusion and reasonable accommodations. This curriculum was modified in FY 2020 and executed in October 2020 (FY2021).
2019	Established and engaged employee resource groups, Diversity & Inclusion staff, OHRM, and Disability Program Managers to increase collaboration and address issues related to career development and promotion of PWD/PWTD. Several career development activities and workshops were initiated throughout the department at several bureaus.

**Report of Accomplishments**

Fiscal Year	Accomplishments
2019	Established and engaged employee resource groups, Diversity & Inclusion staff, OHRM, and Disability Program Managers to increase collaboration and address issues related to career development and promotion of PWD/PWTD. Several career development activities and workshops were initiated throughout the department. Training for DOC managers and supervisors is ongoing in all bureaus. In June 2019, EEOC conducted training at DOC HQ for managers, supervisors and senior leadership. Overall, participation rates for PWD/TD increased in FY 2019. Participation rates for PWTD met the established goal of 2%.
2020	DOC establish and executed a Department wide employee retention surveys to identify root causes for high separation rates for PWD/TD in FY 2019. The survey was limited to 3,500 participants. The preliminary survey results were reviewed in FY20. Final results and analysis of survey data will be completed in FY 2021. DOC's next steps are to create strategies and establish focus groups.  New supervisors receive mandatory training that includes disability inclusion and reasonable accommodations. This curriculum was modified in FY 2020 and executed in October 2020 (FY2021).

4. Please explain the factor(s) that prevented the agency from timely completing any of the planned activities.

- Planned Activity #1 and #2: Analyze current DOC recruitment/hiring policy to identify areas for improvement for PWD/TD utilizing Schedule A. Establish policy which requires hiring managers to acknowledge and consider Schedule A candidate(s) before publishing vacancy announcement or extending an offer of employment to non-Schedule A candidates. This is an ongoing activity that will be extended into FY23.

5. For the planned activities that were completed, please describe the actual impact of those activities toward eliminating the barrier(s).

n/a

6. If the planned activities did not correct the trigger(s) and/or barrier(s), please describe how the agency intends to improve the plan for the next fiscal year.

DOC will continue implementation of planned strategies in FY 2023.
