THIS IS COMPUTER SCIENCE

^ PREVENT IDENTITY THEFT

< KEEP PEOPLE MOVING

Name it. Then do it.

A computer science degree from NC State is your key that opens doors to any career field. Want to design the next generation of video games? Predict the weather? Help save lives, or protect our national security? You can be an entrepreneur, a dreamer, an innovator, a problem solver. It all begins here at NC State.

Meet us at the intersection of Technology & Life.

^ CREATE A SUPERHERO

^ SOLVE CRIMES - VIRTUALLY

^ PREDICT THE WEATHER
