

**Weatherization Program Bulletin 24-2**  
**Effective Date: August 13, 2024**

**Subject:** State Historic Preservation Office (SHPO) Historical Review of Manufactured Homes

**Purpose:** Clarification of the SHPO historical review requirements for manufactured homes eligible for Weatherization services through the Nebraska Weatherization Assistance Program (NeWAP).

**Scope:** The provisions of this WPB apply to all NeWAP Sub-grantees that receive financial assistance through the Nebraska Department of Environment and Energy (NDEE) under the Department of Energy's (DOE) Weatherization Assistance Program.

**Procedures:** As indicated in the "Effective Date" of this WPB, NeWAP Sub-grantees are required to submit all mobile homes, greater than 50-years old, to the Nebraska SHPO for Historical Review through the current NeWAP procedures. As per the SHPO there are currently no manufactured homes on Nebraska's historical designation list(s), but this is an issue that has been experienced in other states and submitting these homes will allow their agency to ensure there is no "park" or "tribal" designations associated with the home.

Sub-grantees with questions regarding this guidance can contact the NDEE Grants Section Supervisor Katie Svoboda 402-471-3347 or [ndee.weatherization@nebraska.gov](mailto:ndee.weatherization@nebraska.gov)
