H-2A WORKERS AND COVID-19

All people in the United States, including H-2A workers, have equal access to COVID-19 vaccines and vaccination sites.

- The vaccine is free of charge, regardless of immigration status.
- Health insurance is not required.

Vaccines may be available at your local pharmacy, grocery store, or health clinic. To find a COVID-19 vaccination site near you, visit www.vaccines.gov, text your ZIP code to 438829, or call 1-800-232-0233.

H-2A employers must comply with all federal, state, and local laws and regulations related to employment, including:

- health and safety laws that help protect workers from COVID-19,
- any right to time off or paid time off to receive COVID-19 vaccines, and
- any required notifications to local health authorities of any outbreak at the labor camp.
