State Plan Updates

Prior to requesting Requirements Payments, review your State Plan carefully to see if it needs to be updated

1. When was your plan last updated, has there been a leadership change since the plan was last published?
2. Do you plan to do the activities described in your plan? Litmus test: Are you planning anything in 2011 or beyond that might surprise your stakeholders?
3. Review Section 254 of HAVA to make sure your plan is in compliance with HAVA.
4. MOVE Act requires that State plans be updated. MOE may also require an update to your plan.
5. Is your State now Title III compliant?
