

Department of Defense

DIRECTIVE

NUMBER 5141.02

February 2, 2009

DA&M

SUBJECT: Director of Operational Test and Evaluation (DOT&E)

References: See Enclosure 1

1. PURPOSE. This Directive:

a. Reissues DoD Directive (DoDD) 5141.2 (Reference (a)) to update the responsibilities and functions, relationships, and authorities of the DOT&E under the authority vested in the Secretary of Defense by sections 113 and 139 of title 10, United States Code (Reference (b)).

b. Authorizes the DOT&E, as a Principal Staff Assistant (PSA) reporting directly to the Secretary of Defense, to promulgate DoD policy in DoD Instructions (DoDIs) within the responsibilities, functions, and authorities assigned herein.

2. APPLICABILITY. This Directive applies to OSD, the Military Departments, the Office of the Chairman of the Joint Chiefs of Staff and the Joint Staff, the Combatant Commands, the Office of the Inspector General of the Department of Defense (IG DoD), the Defense Agencies, the DoD Field Activities, and all other organizational entities in the Department of Defense (hereafter referred to collectively as the "DoD Components").

3. DEFINITIONS. See Glossary.

4. RESPONSIBILITIES AND FUNCTIONS. The DOT&E is the PSA and advisor to the Secretary and Deputy Secretary of Defense for the responsibilities and functions described herein. The DOT&E shall:

a. Perform the duties prescribed in, and as limited by, sections 139 and 2399 of Reference (b).

b. Prescribe policies and procedures for the conduct of live fire test and evaluation (LFT&E).

c. Issue guidance to and consult with the Heads of the DoD Components with respect to LFT&E and related required facilities and resources.

d. Advise the DoD Executive Agent for Space and the acquiring DoD Component on test and evaluation (T&E) of DoD Space Major Defense Acquisition Programs and other space programs designated for T&E oversight in support of DoDD 3100.10 (Reference (c)).

e. Designate, for the Secretary of Defense, those covered systems and major munitions or missile programs that are deemed covered product improvement programs subject to the requirements of section 2366 of Reference (b).

f. For the Secretary of Defense, prepare reports to Congress as required by section 2366(d) of Reference (b).

g. Provide reports, as deemed necessary, to the Secretary and Deputy Secretary of Defense, the Under Secretary of Defense for Acquisition, Technology, and Logistics (USD(AT&L)), and other appropriate officials in support of system acquisition reviews.

h. Monitor and advise the Secretary of Defense concerning:

(1) The capability and resources of the operational test agencies (OTAs) to adequately plan, execute, and report on operational test and evaluation (OT&E).

(2) DoD and DoD Component management of, and investment in, targets and threat surrogates used for OT&E and LFT&E to ensure operational realism.

(3) The OT&E and LFT&E of functional capability area roadmaps.

i. Manage the following:

(1) The efforts to improve interoperability and information assurance in the Department through the operational evaluation of the systems under oversight and major exercises conducted by the Combatant Commands and the Military Departments.

(2) The Joint Test and Evaluation (JT&E) Program.

(3) The Joint Live Fire Program.

(4) The Center for Countermeasures.

(5) The activities of the Joint Aircraft Survivability Program.

(6) The activities of the Joint Technical Coordinating Group for Munitions Effectiveness and produce the Joint Munitions Effectiveness Manual.

(7) The activities of the T&E Threat Resource Activity.

(8) The Target Management Initiative project.

(9) Such other programs that are established by the DOT&E within the resources provided by the Secretary of Defense.

j. In support of the Under Secretary of Defense for Intelligence, monitor and advise on the development of the Information Operations Range and infrastructure. Establish supporting policies and procedures and oversee events that are executed on the Information Operations Range.

k. Prioritize threat system simulation development projects to be initiated under the Central Test and Evaluation Investment Program (CTEIP), subject to availability of funds.

l. Provide the co-chair for the Resource Enhancement Project (REP) working group. Prioritize candidate projects to be initiated in the REP under the CTEIP.

m. Oversee the implementation of the testing in a joint environment roadmap.

n. Provide support to the Director, Joint Improvised Explosive Device Defeat Organization, consistent with DoDD 2000.19E (Reference (d)).

o. Assist the Chairman of the Joint Chiefs of Staff in efforts to ensure the expected joint operational mission environment, mission-level measures of effectiveness, and key performance parameters are specified in Joint Capabilities Integration and Development System documents in terms that are verifiable through testing or analysis in support of Chairman of the Joint Chiefs of Staff Instruction 3170.01F (Reference (e)).

p. Oversee and assess operational capability demonstrations conducted by the Missile Defense Agency (MDA), consistent with DoDD 5134.9 (Reference (f)).

q. Establish policy on the verification, validation, and accreditation of models and simulations used in support of OT&E and LFT&E, in compliance with DoDI 5000.02 (Reference (g)).

r. Oversee the International T&E (IT&E) Program for the Secretary of Defense.

(1) Approve activities authorized under international agreements for reciprocal use of ranges and resources, cooperative T&E programs, project equipment transfers, cooperative project personnel and familiarization visits, and international test operations procedures (ITOPS).

(2) Chair the IT&E Steering Committee for ITOPS.

s. Oversee and prescribe policy, as appropriate, to ensure protection of human subjects and adherence to ethical standards are adequately addressed and verified in OT&E and LFT&E, in support of DoDD 3216.02 (Reference (h)).

t. Promote coordination, cooperation, and mutual understanding within the Department of Defense and among the Department of Defense and other Federal Agencies; State, local, and foreign governments; and the civilian community with regard to DOT&E matters.

u. Perform such other duties as the Secretary or Deputy Secretary of Defense may prescribe.

5. RELATIONSHIPS

a. DOT&E. In the performance of assigned responsibilities and functions, the DOT&E shall:

(1) Report directly to the Secretary of Defense.

(2) Serve as a permanent member of the Deputy Secretary of Defense-chartered T&E Executive Agent Board of Directors.

(3) Chair the Senior Advisory Council and the Executive Steering Group for the JT&E Program.

(4) Coordinate with the Under Secretary of Defense for Personnel and Readiness (USD(P&R)) to facilitate efficient development and sustainment of operational test and training infrastructure and to promote combined testing and training events, in support of DoDD 1322.18 and DoDD 3200.15 (References (i) and (j)).

(5) Use existing systems, facilities, and services of the Department of Defense and other Federal Agencies, when possible, to avoid duplication and achieve maximum efficiency and economy.

(6) Coordinate with the Director, Test Resource Management Center (TRMC), through the USD(AT&L), on all T&E facility and resource matters as prescribed herein that affect TRMC responsibilities, as specified in DoDD 5105.71 (Reference (k)).

(7) Coordinate proposed international agreements supporting the IT&E Program with the Director, International Cooperation, under the USD(AT&L).

(8) Coordinate, with the Assistant Secretary of Defense for Networks and Information Integration/DoD Chief Information Officer (ASD(NII)/DoD CIO), the Military Departments, the Combatant Commands, and the National Security Agency, the planning and conduct of information assurance and interoperability assessments conducted in conjunction with Military Department and Combatant Command major exercises.

(9) Coordinate and exchange information with other DoD officials exercising collateral or related responsibilities and functions.

b. Other OSD officials and the Heads of the DoD Components. The other OSD officials and the Heads of the DoD Components shall coordinate with the DOT&E on all matters under their purview related to the authorities, responsibilities, and functions assigned in this Directive. The Heads of the DoD Components, as appropriate, shall report promptly to the DOT&E all activities affecting the resources and facilities used for OT&E and LFT&E.

c. Secretaries of the Military Departments. The Secretaries of the Military Departments shall perform their duties as prescribed in section 139 of Reference (b). Additionally, the Secretaries of the Military Departments shall report promptly to the DOT&E the results of all LFT&E events for covered systems conducted by the Military Departments and on all studies conducted by the Military Departments in connection with LFT&E activities.

d. Director, MDA. The Director, MDA, shall perform duties as prescribed in section 139 of Reference (b).

e. IG, DoD. The IG, DoD, shall perform duties as prescribed in section 2399 of Reference (b).

6. AUTHORITIES. Under the authority vested in the Secretary of Defense, and subject to his/her authority, direction, and control, and in accordance with DoD policies and issuances, the DOT&E is hereby delegated authority to exercise, within assigned responsibilities and functions, all authority of the Secretary of Defense derived from statute, Executive order, or interagency agreement, except where specifically limited by statute or Executive order to the Secretary of Defense. The DOT&E is hereby delegated authority to:

a. Comply with requests from Congress for information relating to T&E in the Department of Defense.

b. Co-approve the DoD Test and Evaluation Master Plan (TEMP), T&E Strategy (TES), and T&E portions of integrated program management documents with the USD(AT&L) for major and other designated defense acquisition programs, and with the ASD(NII)/DoD CIO for major and other designated automated information systems. Approve the TEMP, TES, or T&E portions of the integrated program management documents for programs that are solely under DOT&E oversight. Approve Test Plans for operational test events of acquisition systems under DOT&E oversight.

c. Approve LFT&E strategies and, if developed in support of waivers of full-up system-level live fire testing, alternative LFT&E strategies.

d. Act for the Secretary of Defense regarding cooperative agreements for reciprocal use of test facilities under section 2350l of Reference (b).

e. Determine the quantity of articles to be procured for operational testing for systems on the OSD T&E oversight list.

f. Co-chair, with the USD(P&R), the Defense Test and Training Steering Group.

g. Issue, in DoDIs, DoD policy within the responsibilities, functions, and authorities assigned herein, including authority to identify collateral responsibilities of OSD officials and the Heads of the DoD Components. Such Instructions shall be fully coordinated in accordance with DoDI 5025.01 (Reference (l)). This authority may not be redelegated. Further, in areas of assigned responsibilities and functions, the DOT&E has authority to issue other DoDIs, DoD Manuals, and one-time Directive-Type Memorandums, consistent with Reference (l), that implement policy approved by the Secretary of Defense. Instructions to the Military Departments shall be issued through the Secretaries of the Military Departments. Instructions to the Combatant Commands shall be communicated through the Chairman of the Joint Chiefs of Staff.

h. Communicate with the Heads of the DoD Components, as necessary, to carry out assigned responsibilities and functions, including the transmission of requests for advice and assistance. Communications to the Military Departments shall be through the Secretaries of the Military Departments, their designees, or as otherwise provided in law or directed by the Secretary of Defense in other DoD issuances. Communications to the Commanders of the Combatant Commands, except as provided for in memorandums of agreement concerning personnel support, shall be transmitted through the Chairman of the Joint Chiefs of Staff.

i. Obtain reports and information, consistent with DoDI 8910.01 (Reference (m)), as necessary in carrying out assigned responsibilities and functions.

j. Establish arrangements for DoD participation in non-defense governmental programs for which the DOT&E is assigned primary cognizance.

k. Communicate with other Government officials, representatives and members of the Legislative Branch, members of the public, and representatives of foreign governments, as appropriate, in carrying out assigned responsibilities and functions. Communications with representatives of the Legislative Branch shall be coordinated with the Assistant Secretary of Defense for Legislative Affairs or the Under Secretary of Defense (Comptroller)/Chief Financial Officer, Department of Defense, as appropriate, and be consistent with the DoD Legislative Program, as appropriate.

7. RELEASABILITY. UNLIMITED. This Directive is approved for public release and is available on the Internet from the DoD Issuances Web Site at <http://www.dtic.mil/whs/directives>.

8. EFFECTIVE DATE. This Directive is effective immediately.

Gordon England
Deputy Secretary of Defense
