

24 CFR Part 888

Tuesday
December 28, 1999

Part IV

**Department of
Housing and Urban
Development**

**24 CFR Part 888
Section 8 Housing Assistance Payments
Program-Contract Rent Annual
Adjustment Factors, Fiscal Year 2000;
Final Rule**

DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT**24 CFR Part 888****Section 8 Housing Assistance Payments Program-Contract Rent Annual Adjustment Factors, Fiscal Year 2000****AGENCY:** Office of the Secretary, HUD.**ACTION:** Notice of Revised Contract Rent Annual Adjustment Factors; correction.

SUMMARY: This document corrects the Schedule C area definitions for metropolitan statistical areas (MSAs) in the following States: Alabama (Auburn-Opelika), Arizona (Flagstaff), Colorado (Grand Junction), Idaho (Pocatello), Maine (Portland), Mississippi (Hattiesburg), New Hampshire (Boston), New York (Buffalo-Niagara Falls), Oregon (Corvallis), Tennessee (Jackson), and Utah. It also clarifies the names of selected places in Connecticut and Florida. All had been incorrectly categorized or named in Schedule C of the document published in the **Federal Register** on September 24, 1999.

None of the AAFs published in the September 24, 1999 document are being changed by this document; however, for clarity the entire document is being reprinted, and the September 24, 1999 document should be replaced with this one. The Annual Adjustment Factors (AAFs) contained in this document are for adjustment of Section 8 contract rents on housing assistance payment contract anniversaries from October 1, 1999. The AAFs are based on a formula using data on residential rent and utilities cost changes from the most current Bureau of Labor Statistics Consumer Price Index (CPI) survey and from HUD's Random Digit Dialing (RDD) rent change surveys.

EFFECTIVE DATE: October 1, 1999.**FOR FURTHER INFORMATION CONTACT:**

Gerald J. Benoit, Rental Assistance Division, Office of Public and Indian Housing [(202) 708-0477], for questions relating to the Section 8 Voucher, Certificate, and Moderate Rehabilitation programs; Allison Manning, Office of Special Needs Assistance Programs, Office of Community Planning and Development [(202) 708-1234], for questions regarding the Single Room Occupancy Moderate Rehabilitation program; Frank M. Malone, Acting Director, Office of Asset Management and Disposition, Office of Housing [(202) 708-3730], for questions relating to all other Section 8 programs; and Alan Fox, Economic and Market Analysis Division, Office of Policy Development and Research [(202) 708-

0590; e-mail alan_fox@hud.gov], for technical information regarding the development of the schedules for specific areas or the methods used for calculating the AAFs. Mailing address for above persons: Department of Housing and Urban Development, 451 Seventh Street, SW, Washington, DC 20410. Hearing- or speech-impaired persons may contact the Federal Information Relay Service at 1-800-877-8339 (TTY). (Other than the "800" TTY number, the above-listed telephone numbers are not toll-free.)

SUPPLEMENTARY INFORMATION: This Notice explains how AAFs are applied. The first section identifies to which programs and under what circumstances AAFs apply. The second section provides an explanation of when and how the statutory 1 percent reduction to AAFs should be applied. The third section describes the actual adjustment procedures. For this purpose, Section 8 programs affected by AAFs are grouped into three categories, each of which uses AAFs differently:

Category 1.—The Section 8 new construction and substantial rehabilitation programs and the moderate rehabilitation program.

Category 2.—The Section 8 loan management (LM) and property disposition (PD) programs.

Category 3.—The Section 8 certificate program and the project-based voucher program.

Next the Notice explains the content and applicability of the two AAF tables included in this Notice and provides detailed information on the geographical coverage of each AAF area. The Notice then explains how to apply AAFs to manufactured home space rentals in the Section 8 tenant-based certificate program.

The Notice closes with a brief explanation of how HUD calculates AAFs.

I. Applicability of AAFs to Various Section 8 Programs

AAFs established by this Notice are used to adjust contract rents for units assisted in certain Section 8 housing assistance payments programs, during the term of the HAP contract. However, the specific application of the AAFs is determined by the law, the HAP contract, and appropriate program regulations or requirements.

AAFs are not used for the Section 8 tenant-based voucher program.

AAFs are not used for budget-based rent adjustments. Contract rents for projects receiving Section 8 subsidies under the loan management program (24 CFR part 886, subpart A) and for projects receiving Section 8 subsidies

under the property disposition program (24 CFR part 886, subpart C) are adjusted, at HUD's option, either by applying the AAFs or by budget-based adjustments in accordance with 24 CFR 207.19(e). Budget-based adjustments are used for most Section 8/202 projects.

Under the Section 8 moderate rehabilitation program (both the regular program and the single room occupancy program), the public housing agency (PHA) applies the AAF to the base rent component of the contract rent, not the full contract rent.

II. Use of Reduced AAF

In accordance with Section 8(c)(2)(A) of the United States Housing Act of 1937 (42 U.S.C. 1437f(c)(2)(A)), the AAF is reduced by .01:

- For regular tenancy in the Section 8 certificate program, for all units.
 - In other Section 8 programs, for a unit occupied by the same family at the time of the last annual rent adjustment (and where the rent is not reduced by application of comparability (rent reasonableness)).
- The law provides that:

Except for assistance under the certificate program, for any unit occupied by the same family at the time of the last annual rental adjustment, where the assistance contract provides for the adjustment of the maximum monthly rent by applying an annual adjustment factor and where the rent for a unit is otherwise eligible for an adjustment based on the full amount of the factor, 0.01 shall be subtracted from the amount of the factor, except that the factor shall not be reduced to less than 1.0. In the case of assistance under the certificate program, 0.01 shall be subtracted from the amount of the annual adjustment factor (except that the factor shall not be reduced to less than 1.0), and the adjusted rent shall not exceed the rent for a comparable unassisted unit of similar quality, type, and age in the market area. 42 U.S.C. 1437f(c)(2)(A).

This statutory language is now permanent law. Section 2004 of the Balanced Budget Act of 1997 provides that these provisions are in effect through fiscal year 2000 and thereafter (Pub. L. 105-33, approved August 5, 1997).

To implement the law, HUD is again publishing two separate AAF Tables, contained in Schedule C, Tables 1 and 2 of this notice. Each AAF in Table 2 is computed by subtracting 0.01 from the annual adjustment factor in Table 1.

III. Adjustment Procedures

The discussion in this **Federal Register** Notice is intended to provide a broad orientation on adjustment procedures. Technical details and requirements will be described in HUD notices (issued by the Office of Housing

and the Office of Public and Indian Housing).

Because of statutory and structural distinctions among the various Section 8 programs, there are separate rent adjustment procedures for three program categories:

- The Section 8 new construction and substantial rehabilitation programs (including the Section 8 state agency program); and the moderate rehabilitation programs (including the moderate rehabilitation single room occupancy program).
- The Section 8 loan management (LM) Program (Part 886, Subpart A) and property disposition (PD) Program (Part 886 Subpart C).
- The Section 8 certificate program (including the project-based certificate [PBC] program) and the project-based voucher program.

Category 1: Section 8 New Construction, Substantial Rehabilitation and Moderate Rehabilitation Programs

In the Section 8 New Construction and Substantial Rehabilitation programs, the published AAF factor is applied to the pre-adjustment contract rent. In the Section 8 Moderate Rehabilitation program, the published AAF is applied to the pre-adjustment base rent.

For category 1 programs, the Table 1 AAF factor is applied before determining comparability (rent reasonableness). Comparability applies if the pre-adjustment gross rent (pre-adjustment contract rent plus any allowance for tenant-paid utilities) is above the published FMR.

If the comparable rent level (plus any initial difference) is lower than the contract rent as adjusted by application of the Table 1 AAF, the comparable rent level (plus any initial difference) will be the new contract rent. However, the pre-adjustment contract rent will not be decreased by application of comparability.

In all other cases (i.e., unless contract rent is reduced by comparability):

- The Table 1 AAF is used for a unit occupied by a new family since the last annual contract anniversary.
- The Table 2 AAF is used for a unit occupied by the same family as at the time of the last annual contract anniversary.

Category 2: The Loan Management Program (LM; Part 886, Subpart A) and Property Disposition Program (PD; Part 886 Subpart C)

At this time, rent adjustment by the AAF in the Category 2 programs is not subject to comparability. (Comparability

will again apply if HUD establishes regulations for conducting comparability studies under 42 U.S.C. 1437f(c)(2)(C).) Rents are adjusted by applying the full amount of the applicable AAF under this notice.

The applicable AAF is determined as follows:

- The Table 1 AAF is used for a unit occupied by a new family since the last annual contract anniversary.
- The Table 2 AAF is used for a unit occupied by the same family as at the time of the last annual contract anniversary.

Category 3: Section 8 Certificate Program

The same adjustment procedure is used for rent adjustment in the tenant-based certificate program, in the project-based certificate program, and the project-based voucher program. The following procedures are used:

- The Table 2 AAF is always used; the Table 1 AAF is not used.
- The Table 2 AAF is always applied before determining comparability (rent reasonableness).
- Comparability always applies. If the comparable rent level is lower than the rent to owner (contract rent) as adjusted by application of the Table 2 AAF, the comparable rent level will be the new rent to owner.

AAF Tables

The AAFs are contained in Schedule C, Tables 1 and 2 of this notice. There are two columns in each table. The first column is used to adjust contract rent for units where the highest cost utility is included in the contract rent. The second column is used where the highest cost utility is not included in the contract rent—i.e., where the tenant pays for the highest cost utility.

AAF Areas

Each AAF applies to a specified geographic area and to units of all bedroom sizes. AAFs are provided:

- For the metropolitan parts of the ten HUD regions exclusive of CPI areas;
- For the nonmetropolitan parts of these regions; and
- For 96 separate metropolitan AAF areas for which local CPI survey data are available.

With the exceptions discussed below, the AAFs shown in Schedule C use the Office of Management and Budget's (OMB) most current definitions of metropolitan areas. HUD uses the OMB Metropolitan Statistical Area (MSA) and Primary Metropolitan Statistical Area (PMSA) definitions for AAF areas because of their close correspondence to housing market area definitions.

The exceptions are for certain large metropolitan areas, where HUD considers the area covered by the OMB definition to be larger than appropriate for use as a housing market area definition. In those areas, HUD has deleted some of the counties that OMB had added to its revised definitions. The following counties are deleted from the HUD definitions of AAF areas:

Metropolitan Area and Deleted Counties

Chicago, IL: DeKalb, Grundy and Kendall Counties
Cincinnati-Hamilton, OH-KY-IN: Brown County, Ohio; Gallatin, Grant and Pendleton Counties in Kentucky; and Ohio County, Indiana
Dallas, TX: Henderson County
Flagstaff, AZ-UT: Kane County, UT
New Orleans, LA: St. James Parish
Washington, DC-VA-MD-WV: Berkeley and Jefferson Counties in West Virginia; and Clarke, Culpeper, King George and Warren counties in Virginia

Separate AAFs are listed in this publication for the above counties. They and the metropolitan area of which they are a part are identified with an asterisk (*) next to the area name. The asterisk indicates that there is a difference between the OMB metropolitan area and the HUD AAF area definition for these areas.

To make certain that they are using the correct AAFs, users should refer to the area definitions section at the end of Schedule C. For units located in metropolitan areas with a local CPI survey, AAFs are listed separately. For units located in areas without a local CPI survey, the appropriate HUD regional Metropolitan or Nonmetropolitan AAFs are used.

The AAF area definitions shown in Schedule C are listed in alphabetical order by State. The associated HUD region is shown next to each State name. Areas whose AAFs are determined by local CPI surveys are listed first. All metropolitan CPI areas have separate AAF schedules and are shown with their corresponding county definitions or as metropolitan counties. Listed after the metropolitan CPI areas (in those states that have such areas) are the non-CPI metropolitan and nonmetropolitan counties of each State. In the six New England States, the listings are for counties or parts of counties as defined by towns or cities.

Puerto Rico and the Virgin Islands use the Southeast AAFs. All areas in Hawaii use the AAFs identified in the Table as "STATE: Hawaii," which are based on the CPI survey for the Honolulu metropolitan area. The Pacific Islands use the Pacific/Hawaii Nonmetropolitan

AAFs. The Anchorage metropolitan area uses the AAFs based on the local CPI survey; all other areas in Alaska use the Northwest/Alaska Nonmetropolitan AAFs.

Corrected AAF Area Definitions

Alabama: Lee County (which constitutes the newly-designated Auburn-Opelika, Alabama MSA) is now listed as a metropolitan county and removed from the list of nonmetropolitan counties.

Arizona: Coconino County (Flagstaff, Arizona MSA) is now listed as a metropolitan county and removed from the list of nonmetropolitan counties.

Colorado: Mesa County (which constitutes the Grand Junction, Colorado MSA) is now listed as a metropolitan county and removed from the list of nonmetropolitan counties.

Connecticut: The following place names have been changed from "town" to "city:" Ansonia, Bridgeport, Danbury, Derby, Hartford, Middletown, Milford, New Britain, New London, Norwich, Shelton, and Waterbury. Naugatuck is now listed as a borough. Newington town and Plainville town in Hartford County, and Colchester town and Lebanon town in New London County are now listed as metropolitan.

Florida: Dade County has been renamed Miami-Dade.

Idaho: Bannock County (the Pocatello, Idaho MSA) is now listed as a metropolitan county and removed from the list of nonmetropolitan counties.

Maine: Long Island town, a part of the Portland, Maine MSA, has been added to the Cumberland County metropolitan part.

Mississippi: Forrest and Lamar Counties (the Hattiesburg, Mississippi MSA) are now listed as metropolitan and removed from the list of nonmetropolitan counties.

New Hampshire: The Rockingham County towns of Seabrook and South Hampton which are part of the Boston MA-NH PMSA are now listed among the CPI areas.

New York: The Buffalo-Niagara Falls, New York PMSA has been removed from the list of CPI areas, and its component counties, Erie and Niagara, are listed as metropolitan counties. This results from the Bureau of Labor Statistics removing the Buffalo-Niagara Falls MSA from its Consumer Price Index survey sample.

Oregon: Benton County (which constitutes the newly-designated

Corvallis, Oregon MSA) is now listed as a metropolitan county and removed from the list of nonmetropolitan counties.

Tennessee: Chester County (which is part of the Jackson, Tennessee MSA) is now listed as a metropolitan county and removed from the list of nonmetropolitan counties.

Utah: Kane County (a HUD-designated metropolitan county) is now listed as a metropolitan county and removed from the list of nonmetropolitan counties.

Section 8 certificate program AAFs for manufactured home spaces

For a manufactured home space rental in the old Section 8 tenant-based certificate program, (under a HAP contract entered before the "merger date" (10/1/99)), the AAFs in this publication identified as "Highest Cost Utility Excluded" are to be used to adjust the rent to owner for the manufactured home space. The applicable AAF is determined by reference to the geographic listings contained in Schedule C, as described in the preceding section. AAFs are not used for the Section 8 housing choice voucher program.

How Factors Are Calculated

For Areas With CPI Surveys

(1) Changes in the shelter rent and utilities components were calculated based on the most recent CPI annual average change data.

(2) The "Highest Cost Utility Included" column in Schedule C was calculated by weighting the rent and utility components with the corresponding components from the 1990 Census.

(3) The "Highest Cost Utility Excluded" column in Schedule C was calculated by eliminating the effect of heating costs that are included in the rent of some of the units in the CPI surveys.

For Areas Without CPI Surveys

(1) HUD used random digit dialing (RDD) regional surveys to calculate AAFs. The RDD survey method is based on a sampling procedure that uses computers to select a statistically random sample of rental housing, dial and keep track of the telephone calls, and process the responses. RDD surveys are conducted to determine the rent change factors for the metropolitan parts

(exclusive of CPI areas) and nonmetropolitan parts of the 10 HUD regions, a total of 20 surveys.

(2) The change in rent with the highest cost utility included in the rent was calculated using the average of the ratios of gross rent in the current year RDD survey divided by the previous year's for the respective metropolitan or nonmetropolitan parts of the HUD region.

(3) The change in rent with the highest cost utility excluded (i.e., paid separately by the tenant) was calculated in the same manner, after subtracting the median values of utilities costs from the gross rents in the two years. The median cost of utilities was determined from the units in the RDD sample which reported that all utilities were paid by the tenant.

Other Matters

Environmental Impact

An environmental assessment is unnecessary, since revising Annual Adjustment Factors is categorically excluded from the Department's National Environmental Policy Act procedures under 24 CFR 50.19(c)(6).

Executive Order 13132, Federalism

The General Counsel, as the Designated Official under section 6(a) of Executive Order 13132, *Federalism*, has determined that the policies contained in this Notice do not have federalism implications and, thus, are not subject to review under the Order. The Notice merely announces the adjustment factors to be used to adjust contract rents in the Section 8 Housing Assistance Payment programs, as required by the United States Housing Act of 1937.

Catalog of Federal Domestic Assistance

The Catalog of Federal Domestic Assistance program number for Lower Income Housing Assistance programs (Section 8) is 14.156.

Accordingly, the Department publishes these Annual Adjustment Factors for the Section 8 Housing Assistance Payments Programs as set forth in the following Tables:

Dated: December 17, 1999.

Andrew Cuomo,
Secretary.
