

Copyright Information

Polar Science and Global Climate: An International Resource for Education and Outreach, Pearson Education Limited (Pearson Custom) 2010

Here, we give the contributors the copyright information for the polar resource book. We provide:

- 1) **copyright notice** taken from the book;
 - 2) **copyright agreement** taken from the contract between IPY IPO and Pearson Custom publishing;
 - 3) **copyright explanation** to clarify what the copyright notice in combination with the copyright agreement imply for contributors and readers.
 - 4) **Pearson Custom contact information** beyond IPY IPO
-

1. Copyright Notice in Book (quotation)

All rights reserved. No part of this publication may be reproduced, stored in a retrieval system, or transmitted in any form or by any means, electronic, mechanical, photocopying, recording or otherwise, without either the prior written permission of the publisher or a licence permitting restricted copying in the United Kingdom issued by the Copyright Licensing Agency Ltd, Saffron House, 6–10 Kirby Street, London EC1N 8TS.

2. Copyright Agreement in Contract (excerpt/quotation)

8. (a) The Adopter with full title guarantee hereby grants to the Publisher the one-time right to publish, reproduce, print, distribute, and sell the Adopter Material as part of the Custom Edition outlined above. The Adopter hereby irrevocably and unconditionally waives his/her moral rights pursuant to Sections 77, 80, 84 and 85 of the Copyright, Designs and Patents Act 1988 and any other moral rights provided for under the laws in force or in future in force in any part of the world in relation to the publication of the Custom Edition.

(b) It is understood and agreed that notwithstanding the rights granted by the Adopter to the Publisher under clause 8 (a) hereof the Adopter shall have the right to print off and distribute to students certain worksheets from the Adopter Material provided that such worksheets do not exceed more than 50 per cent of the Custom Edition.

Explanation 'Adopter': IPY International Programme Office and David J. Carlson

3. Copyright Explanation

Adopter

- IPY IPO and David Carlson signed the contract on behalf of all contributors. When applying the copyright regulations, this means that 'adopter' is exchangeable with 'contributor' and occasionally with 'reader' (see explanations below).

Ownership

- Pearson Custom holds the copyright to all submissions as they appear in the book.

- If contributors want to use their book submission(s) exactly the way they appear in the book, they will have to seek permission from Pearson Custom (see contact information below).
- If contributors have other, e.g., older versions of activities/worksheets/texts, etc., which do not appear in the book, they are free to use/reproduce/distribute those without further permission from Pearson Custom.

Reproduction

- As per contract (see wording above), readers/contributors are free to copy 50 per cent of worksheets from the book for distribution among students. Persons attending, for example, workshops count as 'students'.
- Unpublished versions of contributions to the book can be reproduced, printed, and distributed by contributors without further permission from Pearson Custom.

Online Publication

- If readers/contributors plan to publish parts of the publication online, they will have to seek permission from Pearson Custom (see contact information below).
- Unpublished versions of contributions to the book can be put online without seeking further permission.
